Begin Your Healing

Gignoo Transition House Staff and Board of Directors are working together to eliminate the cycle of violence in our First Nation Communities. We have created and adapted some programs and services that meet the need of Aboriginal women and children in crisis, that are culturally appropriate. Any woman – with or without children – who has been abused physically, mentally, emotionally or sexually – is welcome to begin her healing at Gignoo Transition House Inc.

Services

On-going peer counselling	Resource Contacts
Budget/Financial Planning	Parenting Skills
Healthy Lifestyles Program	Victim Services
Traditional Healing	Outreach
