

# Important Moment in the Truth and Reconciliation journey

Tuesday, June 4, 2019

This is an important moment in the Truth and Reconciliation journey. The acceptance of our findings of fact by the federal government, especially our finding of genocide, is an acceptance of the truths shared by families and survivors. They no longer need to convince others that genocide is a part of Canadian history.

We expect that all governments will move forward and promptly implement our [Calls for Justice](#).
