Opening Remarks

Whitehorse, Yukon

(HEARING RECONVENED)

JORGINA ZEEGERS: Good morning. Before we get started I'd just like to go over some general housekeeping items just to keep in mind throughout the day. So, again, please we'd like you to keep your cellphones off or on mute. It's very disturbing to the family members who are sharing.

Just in regards to those looking and needing support, the folks that are wearing the yellow lanyards, blue -- if you want to hold up your yellow, are there to talk -- go to speak with. And on that note, on this side of our tent there is a cabin with a green door where you can go and sit and -- and share what's on your heart if you do need support.

Today we don't have any cultural activities. And for those of you that have been around or are just here today, in the Families tent and in the room just behind us here, as well as in the Elders tent we have little patches of squares. And as you can see on the blankets here, folks from all over Saskatchewan and here now in the other room have created squares, sharing what's on your heart. And those squares will be created into two more blankets. We have enough for three now. And we -- if you have the time and are willing to, you can participate in that as well. And I'll be sort of bouncing around if you have any questions or want some guidance. There's no boundary on it and we appreciate your input that way.

As you can see, scattered around throughout this room and the public room we have the tear bags. The used Kleenexes will be placed into the fire as part of the cultural ceremony, to give that back to the grandmothers and grandfathers, so we thank you for that, if you're wondering what that is.

And of course if you have any other questions or concerns, anybody with the green tags, the commissioners, our elders are available to answer any questions you might have.

Hearing - Public
Opening Remarks

1 Have a good day.

2 CHIEF COMMISSIONER MARION BULLER: Thank you. Good
3 morning, everyone. Here we are, day three
4 already. Let's get started this wonderful day in
5 a good way with a prayer from our elder.

6 ELDER WILLIAM CARLICK [speaking without a microphone]:
7 Let's take a moment to shut down the chatter in
8 our mind. When we do that, we become good
9 listeners. We need to listen for the Creator to
10 come to us in a good way. We need to be good
11 listeners so that we can hear what the ancestors
12 and helpers have to say. We have to be grateful
13 [indiscernible] never ask for anything from
14 [indiscernible]. He has given us everything we
15 need. Everything. All we do is give thanks, be
16 grateful to Him. And always remember that we
17 need to follow His great law, His unwritten law.

18 He has given us our ancestors, the ones that
19 walk with us, the two-legged, the four-legged,
20 the ones that swim in the water and watch over us
21 as we go about what needs to be done in the
22 sacred circle. The Sky People that have come and
23 blessed us, we don't need to see them. They're
24 there. They're helping us. We give thanks to
25 them. We give thanks to all our ancestors that
26 are coming to help us as we stand here in the
27 sacred circle - the ancestors from outside the
28 universe, the ancestors inside the universe, the
29 grandmothers and grandfathers up on High Mountain
30 that watch over us as we go about what needs to
31 be done, give us strength, help us heal. We give
32 thanks to all of those. They ask only one thing
33 of us, is that we also help them heal and look
34 out for them, honour them.

35 It is important going forward that we all
36 work together because we're all created the same.
37 We are all the same. Creator does not look at us
38 because we're white, because we're black, because
39 we're yellow, or because we're red. He does not
40 favour anyone. He favours us all. He says one
41 thing to us as we go about our daily lives, He
42 expects the spirit in each and every one of us
43 because that spirit is Him, it is He. We don't
44 have to like that person, but we have to respect
45 that person because He is part of the Creator.
46 We get energy from each and every one of us when
47 we work together. We get healing, whether we

Hearing - Public
Opening Remarks

1 know it or whether we don't know it, that's not
2 important, only that we believe in Him. I pray
3 to all our ancestors to have pity and have mercy
4 on us, and to have mercy on me because I'm so
5 pitiful but yet I'm so grateful. [Aboriginal
6 language spoken]
7 CHIEF COMMISSIONER MARION BULLER: Ms. van Tongeren,
8 are you ready?
9 WENDY VAN TONGEREN: Yes. Thank you.
10 So June 1st, scheduled for 9 o'clock till
11 10:30 the key speaker will be Shaun Ladue,
12 S-h-a-u-n L-a-d-u-e. And as a first request,
13 Madam Commissioner, I would ask that Shaun Ladue
14 present a prayer for the group today for the
15 room.
16 SHAUN LADUE: [Aboriginal language spoken] I thank
17 you for watching over my cousins, my brother, my
18 relatives as we come together to tell our
19 stories. And I pray that the commissioners
20 continue to hear us with open hearts and open
21 minds, and that Canada can follow our path to
22 healing as we tell these stories. [Aboriginal
23 language spoken]
24 WENDY VAN TONGEREN: Mr. Registrar, this witness,
25 Mr. Ladue, would like to affirm with an eagle
26 feather, please.
27 BRYAN ZANDBERG: Just grab that feather here.
28 WENDY VAN TONGEREN: Okay. And, Lloyd, would you like
29 to join in swearing with the eagle feather. Just
30 come forward and hold it together.
31 BRYAN ZANDBERG: Okay. So we've got Shaun and Terry,
32 and, sir, your name?
33 LLOYD CAESAR: Lloyd.
34 WENDY VAN TONGEREN: Lloyd --
35 BRYAN ZANDBERG: Lloyd? Okay.
36 WENDY VAN TONGEREN: -- Caesar.
37 BRYAN ZANDBERG: Lloyd Caesar? Great.
38 WENDY VAN TONGEREN: C-a-e-s-a-r --
39 BRYAN ZANDBERG: Okay. Thank you very much.
40 WENDY VAN TONGEREN: -- L-l-o-y-d.
41 BRYAN ZANDBERG: Okay. Thank you.
42 Good morning. Welcome. Do the three of you
43 solemnly affirm that the evidence you will give
44 today will be the truth, the whole truth, and
45 nothing but the truth?
46 SHAUN LADUE: I do.
47 TERRY LADUE: I do.

**Hearing - Public
Shaun LaDue, Terry Ladue, Lloyd Caesar
(Jane Dick-LaDue)**

1 LLOYD CAESAR: I do.

2

3 SHAUN LADUE, TERRY LADUE and LLOYD CAESAR, affirmed.

4

5 BRYAN ZANDBERG: Okay. Thank you very much.

6 WENDY VAN TONGEREN: And Shaun now has another request
7 of the Commissioner, please.

8 SHAUN LADUE: I request that the commissioners also
9 take an affirmation to continue to listen to our
10 stories across Canada with an open mind and an
11 open heart and free of prejudice.

12 BRYAN ZANDBERG: Chief Commissioner Marion Buller,
13 Commissioner Qajaq Robinson, do you both solemnly
14 affirm that you will continue to do this work
15 with an open heart, with an open mind, and
16 without prejudice as you go across the country?

17 COMMISSIONER QAJAQ ROBINSON: I do.

18 CHIEF COMMISSIONER MARION BULLER: Yes, absolutely.

19

20 CHIEF COMMISSIONER MARION BULLER and
21 COMMISSIONER QAJAQ ROBINSON solemnly affirm.

22

23 BRYAN ZANDBERG: Okay. Okay, thank you.

29 **(Commission Counsel)**

30

31 WENDY VAN TONGEREN: So may I call you "Shaun"?

32 SHAUN LADUE: Yeah.

33 WENDY VAN TONGEREN: Thank you. Everyone who
34 comes into this room to speak to the
35 commissioners has made a choice and they have
36 made choices about what they are prepared to
37 share, what they seek to share with the
38 commissioners, and in this context with many,
39 many more because this is a very public forum.
40 Shaun, I'm going to ask you to just summarize
41 here at the beginning what are the topics that
42 you intend to share with the commissioners today?

43 SHAUN LADUE: Today I'm going to share about my
44 mother, her death, the impact all of this has had
45 on my family, my -- my four siblings and myself.

46 WENDY VAN TONGEREN: Thank you. Now, before we
47 actually get into the body of -- of those topics,

Hearing - Public
Shaun LaDue, Terry LaDue, Lloyd Caesar
(Jane Dick-LaDue)

1 is there something that -- that you'd actually
2 like to provide to us as a backdrop or context?

3 SHAUN LADUE: Yes. I'm a writer and I have been a
4 writer for a very long time. And I love music.
5 And I was listening to a song by Billy Joel
6 called "We Didn't Start the Fire". He wrote
7 it -- he wrote it and published it in 1989. And
8 the lyrics read:

9
10 We didn't start the fire
11 It was always burning since the world's
12 been turning
13 We didn't start the fire
14 No, we didn't light it, but we tried to
15 fight it
16

17 Now, Billy was referring to the world events
18 between '49 and '89, when he turned 40. We can
19 see how these lyrics can reflect the experience
20 of First Nations in Canada. The fire is
21 colonialism that the Europeans brought with them.
22 Their ideals on how life is to be lived, how
23 resources, nature and animals were to be
24 subjugated and utilized, how the land was a
25 commodity to be owned, how the Indigenous people
26 were thought of as less than. And after 500
27 years these ideas have not changed much. The
28 First Nations women and girls are thought of as
29 disposable. They are not. They are the life
30 givers, the storytellers, the history keepers,
31 the prophets, and the matriarchs. We didn't
32 start the fire.

33 The fall out of colonialism is like a
34 fallout of a nuclear war, a winter without light.
35 The governments of Canada and the Territory
36 wanted to solve the Indian problem. They started
37 with forced relocations of bands, tribes, and
38 groups. It was always burn since the world has
39 been turning.

40 Europe has a long history of conquering and
41 ruling each other. North America, not so much.
42 We tried to live peacefully within our
43 environment, taking only what we needed. There
44 were small battles and wars lasting just days.
45 Most disagreements were worked out with
46 discussions, understandings, and some pretty
47 strict social rules. We didn't start the fire.

**Hearing - Public
Shaun LaDue, Terry Ladue, Lloyd Caesar
(Jane Dick-LaDue)**

1 The colonialists and their descendants
2 continued to view the First Nations as a problem
3 that needed to be fixed. They took away the
4 children. To take away the children is to take
5 the light away from any community - and they are
6 still taking away the children.

7 No, we didn't light fire, but we tried to
8 fight it. Forty-five years ago a group of Yukon
9 First Nations started to whisper, "Together today
10 for our children tomorrow." This grew into land
11 claims for a majority of the Yukon. Then 20
12 years ago people started to talk about the
13 outcomes of the residential school experience.
14 This led to the Truth and Reconciliation
15 Commission. Now we are talking about the
16 Murdered and Missing Indigenous Women and Girls,
17 and there are also rumblings of the '60s Scoop
18 survivors. We didn't start the fire.

19 WENDY VAN TONGEREN Now, Shaun has -- I just -- I just
20 want to re-enforce that you drafted that and that
21 you have presented it. However, unfortunately I
22 don't have copies to present at this time, but
23 I'll make sure that that is looked after.

24 [Speaking to staff]

25 Okay. Now, I understand that you have some
26 other things to say about yourself and your
27 family, and you're going to use the PowerPoint to
28 assist you with that?

29 SHAUN LADUE: Yeah. There's a PowerPoint and my -- my
30 story along with my brother's and my sister.

31 WENDY VAN TONGEREN And is the first slide that you
32 want to be seen of the Territory or?

33 Okay. So that's number 2, please.

34 SHAUN LADUE: I'm going to start off with the official
35 introduction. I'm Shawn Ladue. I'm Kaska Dena
36 of the Crow Clan. My parents were Jane and
37 Billy. My grandparents were Margaret and Frank
38 Dick and Edith and Joel Ladue.

39 I'm going to talk about the impact my
40 mother's murder had on her five children.

41 In late October '67, almost two months after
42 my birth, my brother, Terry, and I were taken
43 away from my grandparents, Margaret and Frank
44 Dick. We were in a bush camp at Tucho, also
45 known as Frances Lake. It was our traditional
46 area.

47 The social worker, Ms. Lafayette (phonetic),

Hearing - Public
Shaun LaDue, Terry Ladue, Lloyd Caesar
(Jane Dick-LaDue)

1 felt my parents -- or my grandparents didn't know
2 how to properly raise children and that they were
3 too old. She didn't take into consideration that
4 my uncles and my aunties were there also. She
5 didn't take into consideration that we believed
6 that families raise children, not just the birth
7 parents.

8 Slide 2. Or my mom's picture. Okay.

9 In 1970 my mom, Jane Dick, was violently
10 taken from her five children and the outcomes
11 were devastating for us. We were 2, 4, 6, 8, and
12 10 years old. My grandparents were forced, under
13 threat of jail, to send my three oldest siblings
14 to residential school at Lower Post. My brother,
15 Terry, and I were in foster care. The theory
16 behind interfering with our family was it was for
17 the best interests of the child. Was it best for
18 my siblings and I to endure years of separation
19 and isolation? Collectively we have experienced
20 the following: mental health issues, alcoholism,
21 drug addiction, homelessness, limited education,
22 family violence, fetal alcohol spectrum children,
23 children in care, a sense of dislocation,
24 criminal activity, shortened lifespan, suicidal
25 ideations and attempts, jail and prison time,
26 chronic illness, limited social connections,
27 limited employment opportunities, sexual abuse,
28 physical abuse, mental abuse, emotional abuse,
29 loss of traditional knowledge, loss of language,
30 loss of culture, loss of history. How is having
31 five people endure that list in the best
32 interests of them?

33 In 1982 I remember Terry coming up to me.
34 We were both living in group homes in Whitehorse.
35 He had our parents' names written on the palm of
36 his hand. He shared this with me. It was our
37 first connection with our family.

38 In '93 I was doing research for a project at
39 the Yukon Archives. I came across a *Whitehorse*
40 *Star* news article from January 9th, 1970. On the
41 front page news it stated that my mom, Jane Dick,
42 had died and had been Medevaced from Watson Lake.
43 I was stunned as I stared at that microfiche
44 machine for several minutes trying to make sense
45 of the three little paragraphs.

46 WENDY VAN TONGEREN I'm not sure if it's the same
47 article, but it's basically [indiscernible]

Hearing - Public**Shaun LaDue, Terry Ladue, Lloyd Caesar
(Jane Dick-LaDue)**

1 SHAUN LADUE: I was 29 years old when I found my mom's
2 grave site in Liard. It was kind of surreal.

3 In 2001 I was hired to teach at Ross River's
4 Community Campus. On the wall were dozens of old
5 black and white pictures. One day while I was
6 cleaning up I looked up at the wall of pictures.
7 There staring back at me was a picture of my mom,
8 Jane Dick. I was 34 years old and I had finally
9 seen what my mom looked like. I was stunned. My
10 late sister and my late brother look so much like
11 her.

12 I don't have any stories about my mom. I'll
13 never do the "do you remember when" conversations
14 because she was involved with somebody who was
15 violent and hurt her so bad she fell unconscious
16 and never woke up. She was almost 29 years old
17 when she died, leaving behind five young
18 children.

19 When children are taken away from the
20 family, the reason to get up, to keep living is
21 gone. Taking away the children is taking away
22 the light. All the interference on our family
23 has had its toll. In the past two years we have
24 lost my two oldest siblings. They fought for a
25 long time to heal from the pain of being
26 separated from family, from the legacy of
27 residential schools, from the alcohol that hid
28 the pain and unknown regrets. They died young
29 and alone. I remember once my brother, Gary
30 (phonetic), asking me if life would be different
31 if we had grown up with our parents, Jane Dick
32 and Billy Ladue, would we have been a family. I
33 couldn't answer his question. I still don't have
34 an answer.

35 All these policies, all these well-meaning
36 detentions -- intentions, pardon me, all these
37 ideas of best interests of the child has almost
38 killed off my entire family. My siblings and I
39 have spent almost 50 years trying to heal from
40 these intentions. I guess what I'm
41 saying -- what I'm saying is that residential
42 school hurt my parents, hurt my three older
43 siblings. The '60s Scoop hurt my brother Terry
44 and me. When it takes almost 50 years to heal by
45 someone else's actions, that's a steep price. To
46 start living and enjoying life at 50 years of
47 age, it's a bit of a rip off.

Hearing - Public**Shaun LaDue, Terry Ladue, Lloyd Caesar****(Jane Dick-LaDue)**

1 What do I want the National Inquiry to know?
2 That my mother's murder was a culmination of
3 cultural genocide, residential school, and the
4 '60s Scoop. The impacts on her five
5 children -- the -- pardon me, the impacts of her
6 measured on her five children was overwhelming
7 and tragic. There are though records of her
8 murder. There are no answers why her life was
9 cut short. I want the National Inquiry to know
10 that because of all the events in my mom's short
11 life had an impact on me as her child, my mom was
12 able to give me one gift - she kept me -- she
13 gave me life and she kept me safe inside her for
14 nine months. I don't have any stories of my mom
15 and me. I don't have any sense of her in my
16 life. There is a gap inside that nothing will
17 fill. I think it is meant for her love.

18 I'm sure there's life lessons my mom could
19 have taught me but never got the chance to. I
20 have never known the warmth and reassuring place
21 wrapped in my mother's hug. If I could -- of all
22 the things I could ask for, more money than Bill
23 Gates, more intelligence than Stephen Hawking,
24 better looks than Brad Pitt, all I want is a
25 visit with my mom, to hear her voice, to get a
26 reassuring hug, and to feel the love of a parent.
27 These are my thoughts as a child of a murdered
28 Indigenous woman. The National Inquiry can't
29 bring my mom back or any of the other murdered
30 women, but please give us answers and closures to
31 these devastating events that took place in our
32 life. It's time to place our women and our girls
33 back on their pedestal, to protect them, to love
34 them, and tell them that they're our everything.
35 [Aboriginal language spoken]

36 WENDY VAN TONGEREN So, you've read two very powerful
37 pieces and so now I'm -- I don't have something
38 else for you to read. You don't have anything
39 else that you have brought to read?

40 SHAUN LADUE: No.

41 WENDY VAN TONGEREN What would you like to do now?

42 SHAUN LADUE: Do you have anything to say?

43 My brother will talk for a minute.

44 WENDY VAN TONGEREN Okay.

45 TERRY LADUE: Hello. My name is Terry. I haven't
46 talked about this for 52 years. I had no sense
47 into talking about it. What happened is -- it's

Hearing - Public
Shaun LaDue, Terry Ladue, Lloyd Caesar
(Jane Dick-LaDue)

1 over, there's nothing we can do to change it.

2 The effects it had on me is very simple, I
3 don't know how to love. I was never taught that.
4 Me and my brother together, but we're not
5 together, we might be here talking together but
6 we live in the same community and we can't even
7 visit each other. My whole family is like that
8 because they took my mom away from me. The thing
9 I lost is to be able to show compassion and love
10 to my own boys. I've got three beautiful boys
11 out there and I can't even tell them I love them
12 because I don't know what the heck that word
13 means. I've got beautiful grandchildren and I'm
14 scared to go and see them because I don't know
15 how to love them. That's what happened, what's
16 taken from me, when they took my mom, when my mom
17 died. Look at those people up there on that
18 screen. I lost my two -- two older siblings.
19 There's only three of us left. The effect it had
20 on me was it drove me down to Vancouver and stuck
21 a needle up my arm for 13 years trying to kill
22 the pain. Drinking, trying to kill the pain,
23 wondering why nobody wanted me. Why? I felt
24 like I was nothing, like I was just a piece of
25 whatever. My mom wasn't there to hold me or hug
26 me, to give me strength, to give me encouragement
27 to stand up and fight.

28 I really don't trust people like you guys.
29 I don't trust the government and I don't trust
30 the RCMP because all they want to do and it seems
31 like all they want to do is throw us in jail all
32 the time. They don't take into account for what
33 they did to us. They don't look at us and say,
34 "Look what we did to those people." They just
35 want to throw us in jail. That's all they want
36 to do, or take our kids away. I don't want that
37 anymore. I don't want my, you know, kids to be
38 taken away because what happened to me in my
39 foster care system, I don't want to see that
40 happen to anybody, the sexual abuse, the
41 putdowns, you know. My foster parents were kind
42 and gentle parents but they had some real strange
43 friends that would come over. You know, I used
44 to remember listening to them going, "Well, every
45 white man should have a good Indian tied up in
46 the back yard," you know. That's my childhood.
47 And on top of that, being raped for, jeez, until

Hearing - Public

1 I was at least 12, I guess, when I moved into
2 that foster home. You know, I -- I learnt a long
3 time ago not to speak because when I stood up and
4 I tried to say something, they told me to shut
5 up, it's not happening.

6 Like I said, I -- I don't know what I came
7 here and I don't know what to expect out of here,
8 but, you know, if anything comes out of this, I
9 hope that they realize that we can't keep doing
10 this to our people. You guys want to do
11 something, why don't you start treating our
12 Native people as human beings and not economies,
13 you know. I'm tired of watching my people's kids
14 get taken away and put into the foster care
15 system so that people can get rich off them.
16 When is that going to start changing? When are
17 we going to start changing? You know, I hear
18 people talk with murdered and Indigenous women,
19 it's a good thing, but that's just talking about
20 it. When are we going to start solving
21 the -- the problems to it? When are we going to
22 come up with some kind of programs to help these
23 men not to do it anymore? We talk about this,
24 but we don't talk about solutions. We just talk
25 about how it made us feel. I think that -- I
26 think that talking is over. I think it's time to
27 stand up and start doing something about it.
28 There shouldn't be another missing or Native
29 woman out there or any kind of woman. I'm not
30 just talking about Native woman. I'm talking
31 about all women. We lost that somewhere between
32 then and here. We lost that respect that we used
33 to have for our Native people. Our Native people
34 used to have respect for our females. We used to
35 honour them all the time. What happened?
36 Alcohol, drugs, '60s Scoop, residential school.
37 And then you want to know why we're so screwed
38 up? When is the government and all them people
39 going to stand up and start looking and going,
40 "Yeah, we did that to those people"? I don't see
41 nobody here standing up saying, "We did that to
42 them." It takes stuff like this to stand up and
43 say, hey, we're tired of not being heard. At
44 least I'm tired of not being heard. And I kept
45 it in for 52 years I kept this in, thinking that
46 nothing is going to happen. You want to be on my
47 good side, you want to prove that you're going to

Hearing - Public

1 do something for me, then don't let this die. I
2 had too many things happen to me through
3 government system and government care. I don't
4 trust anything do with government. All they know
5 how to do is rape and take our families apart,
6 rip us apart. So why should I trust them? They
7 never come to me and say sorry to me. They never
8 come to me and offer to help me feed my family.
9 I was 16 years old when I finally finished with
10 that group, that foster care system, and you know
11 how they -- that was it, you're 16, you're an
12 adult, get out; you're on your own now. They
13 didn't tell me where I'm from. They didn't tell
14 me who my family was.

15 I remember one time I was sitting in the
16 bathtub. I must have been about 6, I think, 6 or
17 7 years old, and I was sitting in there scrubbing
18 my skin with a wire brush because I lived with
19 white people. And I don't know -- I couldn't
20 understand why my skin was brown and they were
21 white. I sat and -- and I wish I had a picture
22 of that tub. You could have seen a little boy
23 sitting in there scrubbing his skin off,
24 scrubbing it because he didn't like that damn
25 colour, because he didn't want to be like that.
26 Because all I ever heard about Indian people was
27 we were just nothing except drunks, nothing
28 except alcoholics. Old women were nothing except
29 sluts, whores. This is what I grew up. Today I
30 don't think it. Today, it took me many years to
31 fight to get that thoughts out of my head. Many
32 years of healing, many years of slipping and
33 sliding. And I'm no better than anybody else.
34 Just because I don't drink people think I'm
35 better. No, I'm not. I just choose not to
36 drink, that's all, that's it. I'm still human
37 and I still make mistakes.

38 If I had anything, I would tell you two days
39 ago -- or was it two days ago? It was two
40 days -- yeah, two days ago, on the 30th, I turned
41 52. I was sitting here for my birthday. I went
42 outside to the front and my family, Dennis Shorty
43 and a couple other people sang a birthday song to
44 me. 52 years old, I never had that done to me.
45 And you know what, I swear I saw my mom dancing
46 behind them and it hurt, but it also made me
47 happy because for once I felt like I was loved by

1 my mom. I know I'll never feel the real love
2 from her because she's gone, but I know and I
3 hope and I pray that my family could join up and
4 become strong. But the way things are going, I
5 don't think it's going to happen. I think I'll
6 be dead before that happens.

7 And as for this inquiry, I don't know. Like
8 I said, you guys want to prove it to me, you guys
9 are going to have to prove it to me. I hear
10 words all the time. I don't want words anymore.
11 I want action. I want action. That's what I
12 want. No more words. No more saying things. I
13 want action. Whether it's getting more help for
14 the community so we can stop this violence,
15 whether it's getting help so we can deal with our
16 people with alcohol problems, your drug problems,
17 or counselling for our sexual -- you know, sexual
18 problems that's going on in the communities. I'm
19 tired of all this. I'm tired of seeing my people
20 get hurt and nothing happen. I've been hurt and
21 I've been hurt bad. My life, I learnt not to
22 trust, not to love, not to let nobody get close
23 to me, and I still live it today. Up in my
24 hometown in Ross, you come by my house, my
25 windows are darkened out. I live in the dark
26 because I don't trust. I can't trust. And if I
27 trust somebody, they might hurt me, and I might
28 get mad and I might hurt them back. How can you
29 trust anybody if you're never got shown trust?
30 How can you love anybody if you never got shown
31 love? How can you believe in something when
32 nobody believed in you? All my life people put
33 me down. All my life the government system said
34 that I was crazy. They wanted to ship me off and
35 get some kind of depression electric shock
36 treatment. Well, jeez, the poor kid was raped
37 for how many years. Do you think you would be in
38 any good health? You know, every night for five,
39 six years straight going to bed knowing that you
40 were going to get raped. Instead of having my
41 mom come down and give me a kiss, I had some guy
42 come down and do something else to me.

43 Yeah, it affected me, this death of my mom,
44 and I wish it didn't. I wish I could stay cold-
45 hearted and just cover it all up, but I can't
46 because it's going to destroy me, that anger. So
47 I've got to talk and I've got to let it out.

Hearing - Public

1 And -- and if I don't, I might harm somebody or I
2 might harm myself. Because the last 52 years,
3 from the day they took my little brother away
4 from me until this day, there isn't too many days
5 that I haven't thought about using a damn bullet.
6 Because I have. I've thought about it everyday
7 sometimes. Every day. But everyday I find a
8 reason to live. Every day I find a reason to
9 stay strong. You know, help to -- not having
10 no -- no -- no understanding of what love is, but
11 I'm still here fighting to find out, you know.
12 I'm still here willing to give it a shot. Scared
13 and -- you know, scared because I don't
14 understand what this family love is.

15 I'm -- I'm back up in my hometown and I've
16 been here for five years, six years, somewhere
17 like that, and that's amazing for me. I never
18 stayed in one place longer than two years. But
19 that was something that I was taught, if you have
20 trouble, you get up and ship him on.
21 That's -- that was my childhood. I got in
22 trouble, "Oh, well, it's his fault. Get up,"
23 ship him on. You know, they don't think about
24 what that little boy went through.

25 The loss of my mom hurts me the most because
26 I wish I could just once get a kiss from her.
27 Just once. I would give up my whole entire life
28 just to feel her once give me a kiss on my cheek
29 or to hug me, or just to wish me a happy
30 birthday. That would be what I'd want, but I
31 know it's not going to happen.

32 I am an alcoholic and I am an addict. Like
33 I said, I stand -- stood down in Vancouver for
34 13 years sticking a needle up my arm trying to
35 forget the pain, drinking everyday. It wasn't
36 just once in a while. It wasn't just an hour of
37 drink here and then I would sober up for -- it
38 was constant. Everyday, you know.

39 And I remember that day that I decided to
40 quit drinking, I tried to commit suicide. Second
41 Narrows Bridge, Ironworkers Bridge I was going to
42 jump off of. I had enough and I couldn't live
43 anymore. I remember that day because I climbed
44 over that bridge and I was going to jump. I was
45 going to let go. And all I could see was
46 pictures, pictures of my two beautiful boys at
47 that time, pictures of my mom coming to me,

Hearing - Public

Shaun LaDue, Terry Ladue, Lloyd Caesar
(Jane Dick-LaDue)

1 pictures of my dad and -- or who I thought was my
2 dad. Pictures of my family coming to me. I
3 still don't know why I didn't let go, but I'm
4 here and I don't -- I don't question it. Maybe
5 [indiscernible Aboriginal word] had a reason for
6 me to climb back over there and come back across,
7 I don't know, but I know that that's -- that's
8 what made me realize that I don't need to do that
9 to myself anymore. I don't need to punish myself
10 because it wasn't my fault, and for many years I
11 blamed myself for it. Out of all those people in
12 that picture, I'm probably the only one that was
13 willing to help everyone. I'd go -- bend over
14 backwards because that's what I think family
15 does. When you say you love your family, you'd
16 do anything for that family member, and I would.
17 Even though I never grew up with either one of
18 them, I would always be there for them. I don't
19 know what happened or what changed in my life,
20 but I know that dealing with this today for me is
21 letting go of something that I haven't let go of
22 for 52 years, and that's the anger I had towards
23 the government officials, and the anger I have
24 towards against the RCMP, the anger I have
25 against [indiscernible] people. I don't trust.
26 And if you want my trust, you've got to earn my
27 trust. And if I see this fall apart, I'll never
28 trust again. [indiscernible]
29 WENDY VAN TONGEREN Thank you, Terry.
30 Shaun, is there anything that you need at
31 the moment?
32 SHAUN LADUE: No, I'm good. I'm good.
33 WENDY VAN TONGEREN Okay. So, I'm wondering whether
34 or not I can ask you the question that we talked
35 about.
36 SHAUN LADUE: Go for it.
37 WENDY VAN TONGEREN Okay. So, Terry, you are called
38 by many "The Bridge", B-r--
39 SHAUN LADUE: That's Terry, I'm Shaun.
40 WENDY VAN TONGEREN I'm sorry, Shaun. "Wendy, please
41 remember who you're talking to," to self.
42 Shaun, many people call you "The Bridge",
43 B-r-i-d-g-e.
44 SHAUN LADUE: I'm considered a bridge because --
45 WENDY VAN TONGEREN There's just a little bit more to
46 the question.
47 SHAUN LADUE: [indiscernible]

Hearing - Public**Shaun LaDue, Terry Ladue, Lloyd Caesar
(Jane Dick-LaDue)**

1 WENDY VAN TONGEREN What unique perspectives do you
2 have that helps provide insight on how to
3 transform our society into one that honours and
4 protects women, Indigenous women?

5 SHAUN LADUE: As we know, I was apprehended when I was
6 a baby and I was adopted by a white family. It
7 wasn't a good situation, but it was what I grew
8 up with. So in reality, I grew up walking in the
9 white world and I have come back to it. Now I
10 walk in the First Nations world.

11 When I was born, I was assigned female at
12 birth. I was raised as a girl. So, I walked in
13 the world of women for a long time. For 44 years
14 I walked in the world of women. I understand the
15 fears, the hurts, the scares that we have as
16 female-based bodies. You know, the fact that we
17 get sexualised and, you know, we aren't -- we are
18 thought of less than even. And in my 44th year I
19 talked to a counsellor, I explained a few things.
20 He said, "Oh, you're transgender." And I said,
21 "What's transgender?" And he explained it to me.
22 It's somebody like myself who was born with a
23 biological body as female and actually have a
24 male brain. I see the world very much in a male
25 way. So I did, I proceeded to transition. I'm
26 going into my fifth year living as a man. So I
27 walk in the world of men.

28 And those are my unique perspectives is
29 growing up, you know, being seen as this
30 colourful white child because I grew up in a
31 middle class white home, and also as a girl, and
32 then transitioning and going back home and living
33 in my traditional territories and learning how to
34 hunt and learning how to keep a wood stove going
35 all winter when it's minus 40 and building my own
36 house, you know, those types of things. And a
37 lot of people have come to me and said, "Since
38 you changed, you've changed." And what they're
39 trying to say is since I have transitioned I'm at
40 peace with myself, of who I am. There is though
41 struggle there anymore. I am a Kaska Dena man
42 and that's how it is.

43 What was the other part of that question?

44 WENDY VAN TONGEREN What -- what unique perspective do
45 you have that helps provide insight on how to
46 transform our society into one that honours and
47 protects Indigenous women?

Hearing - Public
Shaun LaDue, Terry Ladue, Lloyd Caesar
(Jane Dick-LaDue)

1 SHAUN LADUE: There are men out there who have been
2 hurt and continue to hurt others. And those of
3 us who have been there and seen that and don't
4 want it to happen anymore, I think it's our
5 responsibility to tell those men to stop, to stop
6 hurting the women in their life, to stop seeing
7 them as sexual objects, to start seeing them as
8 human beings, as powerful human beings. We have
9 to stop the denigration of half the population of
10 the world and the life givers, you know. If you
11 kill off all the men but one, the human race will
12 continue. But if you kill off all the women,
13 that's it, we're history, you know.

14 And the [indiscernible Aboriginal word], He
15 placed us all here for a reason and part of that
16 is to give life again and to keep going, and we
17 have to remember that, that life is a gift.

18 WENDY VAN TONGEREN I wonder if we could just -- do
19 you mind if I just ask him to bring up the
20 picture of the grave of your mom?

21 SHAUN LADUE: Yeah.

22 WENDY VAN TONGEREN Okay. So, that's in the
23 PowerPoint and I believe it's the last. There we
24 go. Okay. So, I'm going to ask about something
25 from a more practical perspective. So it's clear
26 to me, Shaun, that you have over and over again
27 honoured your mother. And I have brought up the
28 grave that you have arranged that a picture be
29 taken of that.

30 SHAUN LADUE: Yeah.

31 WENDY VAN TONGEREN And I am just wondering,
32 from -- from your perspectives, your unique
33 perspectives, what are the things that we can do
34 to honour people like your mom, the Indigenous
35 missing and murdered, and also -- Indigenous
36 women and girls, but also those who have been
37 violated, who have been treated in a violent way,
38 have been treated in a way that denigrates them?
39 What are some of the practical solutions? What
40 can you share with us?

41 SHAUN LADUE: One thing is there has to be a memorial
42 in every community, First Nations community, with
43 the names engraved of all the women, names not to
44 forget - Jane Dick, Elsie Shorty, Annie Dick
45 Simmons (phonetic). Those are just a couple that
46 I can think of off the top of my head and that's
47 just in my family. And we have to -- we have to

Hearing - Public
Shaun LaDue, Terry Ladue, Lloyd Caesar
(Jane Dick-LaDue)

1 have, I don't know, a symbol or something where
2 those names are engraved and there forever.
3 Because they did something. They did something
4 great. They brought in the next generation.
5 My -- my family and my friends who sit behind me,
6 their mom, their grandma gave them some amazing
7 life lessons and those have to be remembered.
8 So, a Territorial book, you know, of the life
9 lessons of these people who have gone in horrible
10 ways would be a good one. Not to forget these
11 stories. Never to forget these stories.

12 WENDY VAN TONGEREN So there is another speaker, it's
13 Lloyd Caesar. Now, we can either go to him or if
14 the commissioners would like to ask you
15 questions, that's another possibility, so.

16 [indiscernible]

17 WENDY VAN TONGEREN: Okay. So, Lloyd, go ahead.

18 LLOYD CAESAR: Good morning.

19 My name is Lloyd Caesar. I was
20 traditionally adopted into the Dick family when I
21 was a young boy. Jane was my sister. In the
22 European way, a step-sister. In our traditional
23 way, she is my sister.

24 And when I was a young boy, my mother passed
25 away. I was 9 years old. My Aunty Margaret Dick
26 and Frank, they came and got me from where I was
27 living at that time. My Aunty Margaret told me
28 that she was going to raise me up. So, that's
29 how I was adopted into that family.

30 I just want to speak on a little bit of
31 this. As a traditional parent, as soon as my
32 sister Jane passed away, that was my
33 responsibility to raise my nephew, but I was also
34 a residential school survivor, so it was hard
35 enough just trying to raise myself up. When they
36 released me from residential school at the age of
37 16, I did not do a lot to care for myself. They
38 haven't given me any tools. I didn't even know
39 what even a crescent wrench was when I was
40 released from school. That's the kind of things
41 we were facing at that time. But right now my
42 heart goes out to my nephews.

43 And I am also an elder from Ross River Dena
44 Council. And I have my brother here, Hammond,
45 Hammond Dick, who is also an elder. He wanted to
46 sit with us in support of our family. There's
47 not much I could say, but I just wanted to point

Hearing - Public
Shaun LaDue, Terry Ladue, Lloyd Caesar
(Jane Dick-LaDue)

1 out that Jane was my sister, and traditionally my
2 responsibility was for my nephews and my niece
3 when I don't know how to do it. Like, my nephew
4 Terry said, he did not learn how to love, and
5 that was part of my ... Yeah. It's really hard
6 to express the sadness and the pain that we are
7 going through. Also, my nephew has been gone for
8 five years. Nobody knows where he is. The same
9 with Greg Caesar, my sister Tanya's boy. So with
10 that I -- if -- I would like to pass this on to
11 Elder Hammond.

12 ELDER HAMMOND DICK: Good morning, commissioners. My
13 name is Hammond Dick. I'm here as a support for
14 the family. The story you're -- you're hearing
15 is of my older cousin, my -- my dad's younger
16 brother's daughter, Jane. And I'm here as a
17 support for the family. And Lloyd asked me to
18 say a few words in regards to the residential
19 school.

20 Most of us my age were taken away from the
21 community of Ross River back in 1954, around that
22 area, when we were children. And our parents
23 didn't have -- didn't hardly have a say in
24 whether we should stay home or -- or not. So
25 the -- the RCMP and the missionaries came and
26 collected all school-aged kids and hauled them
27 away to Whitehorse or Lower Post in many cases.
28 And my cousin Jane and Lloyd and a lot of his
29 family members were -- were taken away at that
30 time at a young age, not knowing where they were
31 going. I was also amongst that group. We were
32 taken away to Whitehorse and -- and Lower Post.

33 And these families have grown up in a
34 totally different environment than what they
35 would have been raised in. And they were treated
36 with disrespect. And they -- they experienced
37 sexual, emotional, and physical damage while they
38 were in these institutions. And when they got
39 out, a lot of them, you know, became parents
40 themselves, and a lot of them do not have -- did
41 not have any knowledge of how to raise families,
42 and to cope with some of these -- these
43 difficulties they turned to drugs and alcohol at
44 an early age. And back then I don't think there
45 was any -- any counselling available for people
46 that fell into these drug addiction, alcohol, and
47 other addictions. So, Lloyd has asked me

Hearing - Public
Shaun LaDue, Terry Ladue, Lloyd Caesar
(Jane Dick-LaDue)

1 to -- to say a few words on that. And it's ...
2 Even today I think a lot of our people find it
3 very difficult to, you know, deal with things on
4 a -- on an everyday level. My nephews here, my
5 nieces, you know, they -- it takes them a lot of
6 courage to step forward and tell their story, in
7 the hopes that, you know, something will -- will
8 come out of this commission, out of these
9 hearings. And I'm here in support of my nephews,
10 my nieces, my -- my cousin here. And so I
11 just -- you know, you'll probably hear a lot more
12 about some of the -- the experiences that -- that
13 face our people, not only here but right across
14 the country. [Aboriginal language spoken]

15 WENDY VAN TONGEREN: Thank you.

16 LLOYD CAESAR: Thank you, Hammond.

17 I just needed that little break. Just
18 there's a picture behind you of my sister's
19 grave. You see a lot of -- a lot of graves like
20 that in Liard or all over in Dena country, where
21 buried so many of us that it was impossible to
22 remember who was the last one to -- was buried.
23 And we didn't have no money or anything to -- to
24 give them good headstones. We made our own with
25 boards but in a couple years they were destroyed
26 and pretty soon there's graves with no markers at
27 all but just lumps. A lot of us that were
28 growing up, we go visit family members at their
29 grave and we couldn't find their graves because
30 there was no markers. And I just want you guys to
31 know that all other nations always have good
32 graves and have -- have the money to improve
33 that.

34 I ... I was raised with my sister Jane.
35 She used to call me and my brother Harry Dick,
36 "You crazy kids. You -- you boys are really
37 crazy, but I love you both." I remember her
38 saying stuff like this to us. And we had a good
39 family going and -- and then after a while
40 everybody split up. Alcohol started to rampage
41 on our communities and bootleggers used to come.
42 Whatever little money we had went to the
43 bootleggers and to the people that came by and
44 sold us drugs and stuff.

45 I'd like to thank everybody here and our
46 lawyer here. With that I'll just pass it back.
47 Thank you.

Hearing - Public
Shaun LaDue, Terry Ladue, Lloyd Caesar
(Jane Dick-LaDue)

1 TERRY LADUE: There's just one more thing I wanted to
2 say before I hand it back. I know that I said a
3 lot of things that were negative, but I was
4 taught a long time ago to try to try to walk out
5 of a meeting without thinking negative, so I'm
6 going to tell you a story about me and my little
7 brother here.

8 I remember when we were kids I didn't know
9 he was my brother at the time, but he came over
10 to visit and we were running around and playing
11 outside. And for some funny reason me and my
12 brother, we found chocolate cake or we took
13 chocolate cake from my mom, my foster mom. We
14 took off and we went out and just pigged right on
15 it, eh. Just gulp, gulp, gulp, gulp it down.
16 And I remember because when we went back in mom
17 called for supper, me and my brother walked in
18 and we both tried to look innocent. We've got
19 chocolate cake all over our -- all over our
20 faces, right? "We're not hungry." Mom wanted to
21 know why and she looked down and she started
22 laugh because she could see chocolate cake
23 covered. That was about the best thing, the
24 fondest memory I have about our childhood
25 together. So, good -- you know, like, I might
26 talk about all the bad stuff because it was bad,
27 but there was some good memories that I'm just
28 starting to remember now and I wanted to share
29 that one with you guys. Thank you.

30 SHAUN LADUE: I still love chocolate cake.

31 [Audience laughter]

32 SHAUN LADUE: Uncle Lloyd mentioned -- or Uncle Harry,
33 a story that was told to me from family members.
34 I was a baby. We were living out at Tucho,
35 Frances Lake, in camp, and uncle seen the social
36 workers coming down the road. He grabbed me. I
37 was two months old. He put me in a backpack. He
38 grabbed Terry, who was still in diapers. He
39 round up our other three siblings. And he'd take
40 us into the bush and he'd hide us for two days.
41 He's, like, "You're not going with those people.
42 I know what happens. You're not going with
43 them." And he came back and brought us back and
44 he took good care of us, you know. And ... But
45 that's the kind of reaction that my family had
46 when they seen government people coming was we've
47 got to run and hide. And that shouldn't be like

1 that. And it's like that because of all the
2 hurts that have happened generationally. And I
3 think we have to stop, put things aside, and
4 reintroduce ourselves as Dena and the government,
5 governments and re-establish better boundaries.
6 Because they say a good relationship -- a good
7 relationship starts with a good foundation. A
8 good foundation starts on respect, mutual
9 respect. And we have to start again because I
10 don't think that [indiscernible] are going back
11 to Europe, and so I guess we're going to have to
12 work on something a bit more beneficial to all
13 the groups who live in Canada now. Yeah.

14 You had some questions?

15 WENDY VAN TONGEREN: You actually --

16 SHAUN LADUE: [indiscernible]

17 WENDY VAN TONGEREN: Okay. We've met before
18 because --

19 SHAUN LADUE: You came to Ross River.

20 WENDY VAN TONGEREN: I came to Ross River and everyone
21 was very hospitable and I saw your wonderful
22 house that you're working on. And I -- I
23 expressed my gratitude to you for your
24 hospitality.

25 SHAUN LADUE: You got to meet my daughter.

26 WENDY VAN TONGEREN: Yeah, that's correct. It was
27 very meaningful for me. Okay. So, and it was a
28 time that you told me about these articles that
29 were written about you in a local paper.

30 SHAUN LADUE: This one came out in October of 2013,
31 I -- yeah, 2013. I had come home. A family
32 member had passed away and they asked me to stick
33 around for a while. And I had already come out
34 as trans to my family, and I had family friends
35 who encouraged me to go to the media because
36 there's probably other people in the Yukon who
37 were trans who are struggling. So they did a
38 newspaper article on me and it's called "Becoming
39 a Man" in the *Yukon News*. And so this was
40 published. It's a nice picture of me and a good
41 story. It was done very well. And go I back
42 home and Ross River is a bit of a tough town
43 sometimes. You know, if you're a bit different,
44 you might not be well-accepted, and I was a
45 little bit concerned, you know. And I noticed
46 that somebody had taken it out of the newspaper
47 and posted it on the -- on the community bulletin

1 board. There was no marks on it. It was just up
2 there. And I thought, well, I just did it then
3 and, you know, if the rough guys in town see
4 this, they might just kick my ass, you know,
5 heterophobia, homophobia, that type of stuff.
6 And I walk out the door and there was about five
7 or six of the tough guys in town are in front of
8 the judge every two months and, you know,
9 drinking lots and stuff and I'm going, "I can't
10 run fast enough and I didn't bring the truck,"
11 and they go, "Shaun, Shaun, come over here. Come
12 over here." I'm, like -- so I sort of slide over
13 towards them, "Hey, guys." They start clapping
14 me on the back, "Right on, man. Right on, being
15 your true self." They -- "We respect you for
16 that." One of the guys, a little guy but he's
17 tough, he looks at me and goes, "Anybody give you
18 shit, you come tell us, we'll kick their ass for
19 you." Okay. This is -- this is the kind of
20 respect you can get when people acknowledge your
21 authentic self and it feels good, you know, so.

22 And in 2015 I officially moved home to the
23 Yukon. I had been living in Vancouver for a long
24 time. And in Vancouver I had a -- a driver's
25 license that said that I was male, but when I
26 came back to the Yukon, they rely on your birth
27 certificate to give you your gender marker on
28 your driver's license, so I had to go back to
29 female. I immediately went to the Human Rights
30 Commission and we worked with the government and
31 it's now you just have to have a letter stating
32 what gender you need. And I believe two weeks
33 ago they introduced new legislation for the *Vital*
34 *Statistics Act* in -- in the Yukon and that's
35 partly my -- partly what I have done. Not fully,
36 but there is a trans community that now is
37 working together to help the government iron out
38 some of these glitches.

39 WENDY VAN TONGEREN: A wonderful example and
40 congratulations.

41 Are there any questions from the
42 commissioners?

43 COMMISSIONER ROBINSON: Thank you. Thank you, all of
44 you for sharing, what I know is you have waited a
45 long time for and thank you.

46 I would like to re-affirm the affirmation
47 I -- we gave today in every community I go to and

6 COMMISSIONER ROBINSON: I don't have any questions.

1 Second hearing:

2 Ann Maje Raider, Cecilia Gobeil and Mary Charlie
3 (Family of Tootsie Charlie) with Christa Big
4 Canoe (Counsel)

5
6 CHIEF COMMISSIONER BULLER: Okay. Ms. Big Canoe, are
7 you ready?

8 CHRISTA BIG CANOE: Yes. Thank you, Chief
9 Commissioner, commissioners.

10 Today I would like to introduce you to the
11 family of Tootsie Charlie, and I'm actually going
12 to introduce you to more than just those who will
13 be testifying, and so I would like to start with
14 immediately beside me is Ann Raider, and beside
15 her is Darlene Jimmy (phonetic). Beside her is
16 Cecilia Gobeil. Beside Cecilia is Jack Jimmy.
17 And at the end we have Mary Charlie. And if the
18 family in the back could just stand for a minute
19 when I say your name. We also have Aggie
20 (phonetic). Aggie. And Phoebe (phonetic). We
21 have Cynthia Jimmy, and we have Margaret. And
22 there are other extended family in support, but
23 these are the sisters and children of Tootsie
24 Charlie.

25 I would kindly ask Mr. Zandberg to affirm in
26 the three that will be testifying and that
27 includes Ann, Cecilia, and Mary.

28 BRYAN ZANDBERG: Ann, I'll pass you an eagle feather.
29 Is that okay? So everybody has one. Okay. It's
30 right there, you've got it.

31 And I've gone and forgotten a few names
32 already. So we've got Ann, Cecilia and Maggie?

33 VARIOUS SPEAKERS: Mary.

34 BRYAN ZANDBERG: Mary. I knew I was going to get that
35 wrong. Okay.

36 Well, good morning and welcome. Ann,
37 Cecilia and Mary, do you solemnly affirm that the
38 evidence you will give today will be the truth,
39 the whole truth, and nothing but the truth?

40 ANN MAJE RAIDER, CECILIA GOBEIL & MARY CHARLIE: Yes.

41 BRYAN ZANDBERG: Okay. Thank you.

42
43 ANN RAIDER, CECILIA GOBEIL and MARY CHARLIE, affirmed.

44
45 CHRISTA BIG CANOE: Mary, may I ask you a couple
46 questions?

47 UNIDENTIFIED FEMALE SPEAKER: [indiscernible]

Hearing - Public**Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)**

1 CHRISTA BIG CANOE: Oh. Yes, I'm sorry. The family
2 has kindly requested that we begin with a prayer
3 led by Ann.

4 ANN MAJE RAIDER: [Dene spoken]

5 CHRISTA BIG CANOE: Mary, may I ask you some
6 questions? Mary, can you please tell the
7 commissioners a little bit about Tootsie and some
8 of the strengths and some of the stories that the
9 family want to share with the commissioners?

10 MARY CHARLIE: Hello. My name is Mary Charlie. I'm
11 here for my sister, Tootsie Charlie, that was
12 taken away from us in 196-- '67, sixty-- '66,
13 '67. I'm just not quite sure what year it was
14 because I was young.

15 Tootsie was my oldest -- oldest sister in
16 our family. There was 14 of us in the family, 10
17 girls, 4 boys, and she was the oldest one. And
18 she had four -- four children. Two is gone and
19 we've got Darlene here, my niece, and my nephew
20 Jacky (phonetic).

21 And Tootsie was a good mother and a good
22 sister, and she was gone from -- they took her
23 away from us from -- in our young age. And she
24 was a beautiful, beautiful mother. And we don't
25 have no picture of her right now because back
26 then we didn't have nothing, no cameras or
27 anything to take pictures, but my -- my Uncle
28 Johnson Jules (phonetic) was the one that takes
29 pictures of all of us. But when his tent frame
30 burnt down, all the pictures and everything went,
31 so. She was married to Matthew (phonetic) Jimmy.

32 I really miss her. I just ... You know,
33 when she died in that year, '66 or '67, she went
34 to jail because of her drinking. And Native
35 people are not allowed to drink at that year. It
36 was just unfair. And she spent two weeks up here
37 in jail. And I was living with -- at home with
38 my mother, with my parents, and my younger
39 sisters and brothers. And Matthew and them had
40 their house right next door to mom and dad in
41 Liard.

42 And when she went to jail up here,
43 they -- she spent two weeks up here in jail and I
44 don't know if they gave her a bus ticket or
45 something, they're supposed to give her a bus
46 ticket but I'm not sure if they did. But I
47 phoned the RCMP the day that she was supposed to

Hearing - Public**Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)**

1 come back on the bus, and they said, well, she
2 should be out, she's out, but I -- and we waited
3 for her that night with my parents, mom and dad
4 and Matthew, but she didn't show back, she didn't
5 show up. She never came on the bus.

6 And the next day I phoned the RCMP to see if
7 they -- they know where she is, and they just
8 said that she left, supposed to be on a bus that
9 night, but she never showed up at home and we
10 waited. I phoned them maybe, like, every second
11 day, the RCMP in Watson Lake, and -- and they
12 said they'll check up on it. And they
13 never -- they never even tell us anything until
14 two weeks later I was down at the riverbank in
15 Liard with my mom and dad. Mom and dad were
16 fishing. And the RCMP was come -- came over and
17 asked me what's -- who is Pete Charlie and Lina
18 (phonetic) Charlie, and I said that's my parents.
19 "Well, could I talk to them?" And so I called
20 mom and dad up and -- and I waited for them, and
21 they got them in the car. And when they
22 got -- when mom got out of the car from the RCMP,
23 she was just screaming. And she told me
24 [indiscernible] -- they found [indiscernible] in
25 Whitehorse. And they found her body in a dump in
26 a Whitehorse dump. And there was a marker on
27 her -- around her neck. And she -- and she had
28 all her makeup around her.

29 You look at Darlene Jimmy right now, that's
30 how she looks. She was a pretty, pretty woman.
31 And she takes a lot of time to dress up, put on
32 makeup. Especially when you want to go
33 somewhere, we have to say, "Okay," we have to
34 tell her about two hours ahead. So she takes her
35 time, put up her hair. Had to have a lot of
36 patience with her, but she always dress up
37 beautiful, everywhere she goes, even to the
38 store. But I really miss her and I hope
39 something -- I hope something is done on this.
40 Because they never -- the RCMP never investigate
41 nothing on her death, nothing. They never told
42 us anything how she died. But I'd like to say
43 to -- to the inquiry that something should be
44 done on behalf of my sister. And the RCMP should
45 have done more, I think more -- more
46 investigation on her death that year. But my mom
47 and dad's gone, without knowing how her -- their

Hearing - Public**Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)**

1 daughter died. And she was a beautiful sister of
2 mine, mother, aunt, and I really miss her a lot.

3 We never really talked about her death
4 because I think mom just really -- even before
5 she died, she always think about her, but she
6 never really talked, we never really talked about
7 it, but today we had a chance. So, somebody to
8 do something about it, to look into the stuff.
9 The RCMP should do more work on families like
10 that that pass on and have -- the family have
11 closure or something, release.

12 Thank you.

13 CHRISTA BIG CANOE: Cecilia -- can you ...

14 Cecilia, may I ask you some questions?

15 CECILIA GOBEIL: Hi, my name -- hi, my name is Cecilia
16 Gobeil. Tootsie is -- is my mom and my sister.
17 My mom gave me away when I was very young to my
18 sister, Tootsie and Matthew. And I just remember
19 very little of her. Tootsie come down to Lower
20 Post and come see me. I remember her coming
21 there, giving me dry meat. And I cry after her.
22 It's the last time I seen her. I cry. I have to
23 tell her to take me home. And to this day I
24 still -- still looking for her, but I didn't see
25 her after that when she left Lower Post.

26 Matthew, really his -- last time I seen him
27 he was sick, but he still called me his daughter.
28 He don't -- he -- he don't actually say
29 "daughter", "my little monkey" he called me.
30 Because when I was a little girl he always wanted
31 to pack me around. And when he get a little bit
32 of money, he take me out to the stores and bought
33 me -- I remember he bought me boots, cowboy
34 boots. Boy, I was just proud to show it off.

35 What -- what I come here for is -- is to
36 find out what -- I want to see -- you know, they
37 never looked into her death. There was nothing
38 saying about her death. There was no picture,
39 there's nothing. I went to her funeral. There's
40 nobody say anything and just like you don't mean
41 anything, you know. To this day we're
42 still -- still struggling because we are First
43 Nations. And I'd like to see -- like to see us
44 being treated as equal. You know, the RCMP got
45 to start respecting, you know, respecting us.
46 And they should be going through -- like, going
47 through -- if they want to become an RCMP, they

Hearing - Public**Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)**

1 should go to school to understand the First
2 Nations because we -- we are people and we should
3 be treated like people, like them, you know. And
4 thank you.

5 CHRISTA BIG CANOE: Cecilia, can I ask you a couple
6 more questions?

7 CECILIA GOBEIL: Okay.

8 CHRISTA BIG CANOE: Yeah. So, you have explained to
9 the commissioners that -- that -- that Matthew
10 and Tootsie took you in as their own. So, you
11 think of Jack and Darlene as your brother and
12 sister as well, right?

13 CECILIA GOBEIL: Yeah. Yeah. I look at
14 my -- my -- Jacky and Darlene and Richard. We
15 used to hang out -- I usually hang out with
16 Richard all the time. And we used to get into
17 trouble all the time. We -- I also hang out with
18 Darlene and I call her as my sister and -- and
19 Jacky as my brother. And I -- and my younger one
20 is Richard. We used to get into trouble all the
21 time. And -- and people used to think he's the
22 instigator. I think we're both instigator. We
23 get into a lot of troubles. And I remember all
24 the times we have fun sober, drunk, but he looks
25 after me all the time. I supposed to be the big
26 sister, but he's the one who always look after
27 me.

28 And one time we went camping with mom and
29 dad out in the bush and we had the big brown car.
30 And they said we've got a big brown car, we don't
31 need to go struggling out [indiscernible]. So we
32 [indiscernible]. And we [indiscernible] we bring
33 it back to the camp. Say mom, dad, they say,
34 "Gee, how lazy." I say, "Well, it was easy." So
35 [indiscernible]. I -- I have good times, but
36 it's very hard for me to get -- get associated
37 with them because I stay in Whitehorse now and I
38 get -- every chance I get a chance to go to
39 Watson I try to visit them.

40 What -- what my big concern is, as I said, I
41 stated already, that if something happened to
42 someone like what happened to my sister, the RCMP
43 should, you know, respect and investigate the
44 whole thing instead of just sweep it under
45 the -- you know, under the carpet because
46 we -- they think we don't mean anything, but we
47 are human beings. You know, like, residential

Hearing - Public**Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)**

1 school is over, you know. All I ask is respect.
2 CHRISTA BIG CANOE: Thank you. Before I ask any other
3 questions, I am going to ask that anyone that is
4 in the large tent to please turn the ringers off
5 on your phones. We're hearing them constantly
6 and a family is trying to tell a very important
7 story, so to respect and honour that please take
8 the time to turn your ringers off or step outside
9 of the tent. Thank you.

10 I have only one more question for you, if I
11 can, Cecilia. You had -- you had told the
12 commissioners and you have referred to Lower Post
13 and we all now know that Lower Post was one of
14 the residential schools. When Tootsie died,
15 where were you guys? Where were the children?
16 Where were her children?

17 CECILIA GOBEIL: I think we were all at Lower Post. I
18 can't remember. I was very young and I can't
19 remember what has happened. I think -- I'm
20 pretty sure it happened when we were down -- we
21 were going -- we were still in Lower Post, but I
22 wasn't too sure really. I just -- my mind is
23 blank. I can't -- can't remember.

24 CHRISTA BIG CANOE: So is it fair to say you didn't
25 know at the time of her death? No one told you
26 because you guys were at school?

27 CECILIA GOBEIL: I didn't know -- put it this way, I
28 didn't know about my sister's death for a long
29 time. I don't -- I can't remember. I can't
30 remember. My -- my mind is just blank. I don't
31 know when. Maybe because I just don't want to
32 welcome it, I don't want to accept it, I don't
33 know. I just can't -- can't remember.

34 CHRISTA BIG CANOE: Thank you.

35 Ann, may I ask you some questions?

36 ANN MAJE RAIDER: Yes.

37 CHRISTA BIG CANOE: So we've heard some stories about
38 your sister. So maybe I'll start with that, to
39 see if you want to add anything else about
40 Tootsie to help the commissioners understand who
41 she was.

42 ANN MAJE RAIDER: Sure. So we had a family circle
43 last night and we both cried, all cried, and we
44 laughed. And ... So, I know Phoebe
45 was -- because Phoebe is the -- the oldest
46 sister. She remembered quite a bit more about
47 Tootsie and she shared about Tootsie's love of

Hearing - Public

Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)

1 makeup and her beauty and how she loved to take a
2 long time to -- to put her makeup on. And we
3 talked about her husband, Matthew, who has
4 passed, and how -- what a loving husband she
5 married. And how I -- I remember Matthew
6 courting her and I always remember the song "Your
7 Cheating Heart". He was a great Hank Williams
8 fan and he used to have this phonograph at the
9 house and he'd have those LPs, and Hank Williams
10 would be blaring as he was courting my sister,
11 so ...

12 They had four children. Two are deceased
13 and we're really blessed to have with us Darlene
14 and -- and Jacky. Our custom is about family,
15 culture, First Nations. It's about family. So
16 in our way -- my older sister teaches me that in
17 our way Darlene is our daughter and Matthew is
18 our son.

19 But I -- I remember I was in the residential
20 school but we weren't told about the death.
21 We -- I -- I didn't attend her funeral or her
22 service. I remember mom's heartache. That I
23 remember very vividly is her pain. Yeah. She
24 was ...

25 CHRISTA BIG CANOE: Take your time. Take your time.

26 ANN MAJE RAIDER: She ... Everybody that knows my mom
27 knows how much she loves her children and her
28 grandchildren. So, her heart died that day that
29 she lost Tootsie. She was always worried about
30 her. She -- I remember her worrying. We didn't
31 have a phone. We don't have a cellphone like we
32 have today. There was no -- there was no
33 communication, so it was really hard for mom. It
34 devastated her. Because we lost another sister a
35 year later and that was really -- further
36 devastated my mother. Yeah.

37 CHRISTA BIG CANOE: We -- we heard -- we heard Mary
38 talking about -- more about how you learned of
39 the death. And can you share with the
40 commissioners what the family had to share or
41 understand about some of the issues around and
42 surrounding Tootsie's death?

43 ANN MAJE RAIDER: Yeah. Well, like my niece said
44 yesterday, she lost her mom twice. They took her
45 away to the residential school, or prison camps,
46 and then they -- they -- the way the *Indian*
47 *Act* -- the *Indian Act* was written, First Nations

Hearing - Public**Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)**

1 weren't allowed alcohol, so for having a drink
2 she -- she had to go to jail.

3 In the residential school, as many know that
4 many that there were there, there was
5 segregation. So, I really didn't know my older
6 sister because there was the older girls and the
7 younger girls, and you were not allowed to -- to
8 mix with your brother, sisters. So, there
9 was -- yeah, it was hugely segregated. All I
10 remember is poodle skirts. Mm-hmm.

11 CHRISTA BIG CANOE: Were there other concerns or
12 issues that the family wanted to let the
13 commissioners know about in terms of not just the
14 investigation but just the treatment of not just
15 your family but your community during that time
16 period and now?

17 ANN MAJE RAIDER: Yeah. In the '60s and still today,
18 thankfully society is moving and becoming more
19 conscious. Because in the '60s there was
20 widespread racism and racism by the Government of
21 Canada through its racist legislations. And
22 there was racism in the community. So, my sister
23 was subjected to racism from all levels. And
24 also back in 1942 the Alaska Highway was coming
25 through, so our women were subjected to a lot of
26 violence by army people when the Alaska Highway
27 was coming in. So I feel there is a direct
28 correlation between the development, developing
29 the economy and violence against Indigenous women
30 because every time there is development there is
31 violence against our women. Yeah.

32 CHRISTA BIG CANOE: Can you tell us a little more
33 about the racism? You said things are improving,
34 but did the family feel that they're still
35 experiencing that from time to time?

36 ANN MAJE RAIDER: Well, racism, well, still exists, of
37 course, but, I mean, as -- like I say, as we move
38 to be -- become more conscious people, you know,
39 and more -- more awareness on education on who we
40 are as Dena people. And ... There's just a lot
41 of ignorance. You know, there -- there is a lot
42 of ignorance of ... Because of ignorance people
43 say the wrong things and do the wrong things.
44 They -- and we're tired of educating people
45 really. It seems like a lifelong process, right?
46 But I think -- I -- I know that Canada can do
47 more and I know that Canada can do better. And

Hearing - Public

Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)

1 we speak today and give voice to our sister, who
2 never had a voice. She wasn't allowed the voice.
3 She wasn't allowed legal counsel to fight her
4 charges because in the '60s First Nations were
5 not allowed legal counsel. She didn't have a
6 forum to give voice to the racism. She didn't
7 have a voice to say end the violence. So, we're
8 going to do that across Canada for her as
9 Indigenous women. We're all going to do that for
10 her.

11 CHRISTA BIG CANOE: Ann, can I show you a document
12 that I believe you have seen. I'm going to ask
13 that the commissioners be provided the same
14 document. Can you just tell me what the title of
15 that is?

16 ANN MAJE RAIDER: The *Indian Act*.

17 CHRISTA BIG CANOE: And it's the *Indian Act* in 1951.

18 ANN MAJE RAIDER: Mm-hmm.

19 CHRISTA BIG CANOE: And so could you do me a favour
20 and read in what section 2 had a definition
21 around "intoxicant" was.

22 ANN MAJE RAIDER: "'Intoxicant' includes 'alcohol,
23 alcoholic, spirituous, vinous, fermented malt or
24 other intoxicating liquor or combination of
25 liquors and mixed liquor a part of which is
26 spirituous, vinous, fermented, or otherwise
27 intoxicating and all drinks or drinkable liquids
28 and all preparations or mixtures capable of human
29 consumption that are intoxicating.'"

30 CHRISTA BIG CANOE: So when Mary was talking about the
31 fact that Tootsie had drank, was she drinking an
32 intoxicant?

33 ANN MAJE RAIDER: [indiscernible]

34 CHRISTA BIG CANOE: And on the page a little lower
35 down, can you read in section 94 the 1951 *Indian*
36 *Act*?

37 ANN MAJE RAIDER: Sure. "... an Indian who has
38 intoxicants in his possession, is intoxicated or
39 makes or manufactures intoxicants off a reserve
40 is guilty of an offence and is liable on summary
41 conviction to a fine of not less than \$10 and not
42 more than \$50 or to imprisonment for a term not
43 exceeding three months, or to both fine and
44 imprisonment." [as read]

45 CHRISTA BIG CANOE: Now, that says off reserve, but
46 there is another provision on the next page.
47 Could you please be so kind to read in section 96

Hearing - Public

Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)

1 of the 1951 *Indian Act*.

2 ANN MAJE RAIDER: "A person who is found with
3 intoxicants in his possession or her possession
4 or intoxicated on a reserve is guilty of an
5 offense and is liable on summary conviction to a
6 fine of not less than \$10 and not more than \$50,
7 or to imprisonment for a term not exceeding three
8 months, or to both fine and imprisonment." [as
9 read]

10 CHRISTA BIG CANOE: So on your understanding and what
11 the family had to talk about their understanding
12 when Tootsie was arrested in Watson Lake
13 or in -- from her home and taken to Whitehorse,
14 it was because of the *Indian Act* said that
15 Indians were not allowed to drink intoxicants, is
16 that true?

17 ANN MAJE RAIDER: That is true.

18 CHRISTA BIG CANOE: And how does the family feel about
19 that?

20 ANN MAJE RAIDER: Our families feel that it's -- it
21 was a racist piece of legislation that killed our
22 sister.

23 CHRISTA BIG CANOE: And it's fair to say that -- that
24 the fact that Indigenous people in the Yukon were
25 being arrested up until '66 or '67 --

26 ANN MAJE RAIDER: Yes.

27 CHRISTA BIG CANOE: -- on this law has caused harm?

28 ANN MAJE RAIDER: Yes. And our family lived in
29 poverty. So when she was taken to jail, she had
30 no money to get home. Yeah.

31 CHRISTA BIG CANOE: And so with -- with no way to get
32 home, but please remind the commissioners how far
33 away is Watson Lake from Whitehorse.

34 ANN MAJE RAIDER: Well, it depends who's driving,
35 but ... (laughing)

36 [Audience laughter]

37 CHRISTA BIG CANOE: Fair enough.

38 ANN MAJE RAIDER: It's roughly around 300-and-some
39 kilometres. ANN MAJE RAIDER: Yeah.

40 [Various overlapping speakers]

41 ANN MAJE RAIDER: Oh, yeah, a long -- yeah, that's
42 right.

43 [indiscernible]

44 CECILIA GOBEIL: Yeah, at that time it was, well,
45 longer to get to Whitehorse. I think it was
46 about 10 hours, 8 hours to -- because they have
47 the roller coast, the road was a roller coaster.

Hearing - Public**Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)**

1 But now about four hours now. So, it's total
2 different.

3 CHRISTA BIG CANOE: And so if she's in Whitehorse and
4 she has to get home 10 hours without a ride or
5 money to -- to get home, is it fair to say she
6 was at risk of harm?

7 ANN MAJE RAIDER: Very at risk of harm, yes.

8 CHRISTA BIG CANOE: We've talked and the commissioners
9 have heard the family talk about Indian
10 Residential School and that the children were in
11 residential school and that you were in
12 residential school. The whole family was in
13 residential school --

14 ANN MAJE RAIDER: Yes.

15 CHRISTA BIG CANOE: -- is that true?

16 ANN MAJE RAIDER: Yes.

17 CHRISTA BIG CANOE: And is it fair to say, without
18 getting into details or sharing any particular
19 things, that a number of this family suffered a
20 lot of harm at Lower Post or other schools?

21 ANN MAJE RAIDER: Yes, that's true.

22 CHRISTA BIG CANOE: Cecilia might want to answer this
23 one question. When the kids were taken away from
24 Tootsie, what was she like before? Because I
25 understand the family said that when the
26 kids -- when the kids were taken away that's when
27 Tootsie started -- or had -- had started to
28 drink. Is that fair? Can you tell us a bit more
29 about that?

30 CECILIA GOBEIL: I can hardly hear what you said. Can
31 you repeat that?

32 CHRISTA BIG CANOE: Sure. When -- when the kids, when
33 Tootsie's kids were taken away to school, did she
34 drink more?

35 CECILIA GOBEIL: To be honest with you, I was very
36 young and very -- I have, as I said, a little
37 picture of her. And I don't remember her
38 being -- drinking. And I remember her coming to
39 see me and dropping me off some dry meat and
40 giving me a hug and trying to get me out of
41 there. But she always -- always -- I remember
42 just a very little bit of her. And she
43 was -- she was dressed nice. And she was happy
44 to see me, but I -- I don't remember her
45 drinking. I don't remember her -- I have got no
46 memories of her or Matthew drinking. So, I think
47 all that happened when -- when the kids were

Hearing - Public**Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)**

1 taken away.

2 CHRISTA BIG CANOE: Does that -- do Ann or Mary want
3 to add to that?

4 ANN MAJE RAIDER: Yeah, I think -- I think it's
5 important for the public to understand some
6 background and some context within this story.
7 We have a big family in the Southeast Yukon. We
8 come from a really powerful lineage. My
9 great-grandfather was Maje. His name was Maje,
10 whose name I have got, I have taken. I have
11 chosen to take that name because I want that name
12 to live. I want it to be passed on. But our
13 family lived up on the land. We spent -- we're a
14 nomadic people and we spent a lot of time living
15 on the land. Our father trapped and earned his
16 living through trapping. And we lived in Pelly
17 Banks and we lived in Frances Lake, beautiful
18 traditional territory.

19 And when the people would come through our
20 country looking for gold, our people helped. Our
21 people were kind, generous, considerate.
22 And -- and then when the -- it was time for
23 these -- the government of Canada to steal
24 our -- the children, they were flying the
25 children out from remote. Because we lived very
26 remote and the only way you could get in was to
27 fly in. And so they -- the government threatened
28 our people and intimidated our people to move.
29 They -- they said, "Well, your children have to
30 fly. What about if they get in a plane
31 accident?" They put fear into our people. And
32 when they took the children, they said all you
33 could hear was mothers crying. So if you did not
34 agree to go to school, your parents were
35 threatened to be jailed. So they -- they
36 promised our people -- they promised our people
37 that they would take care of them. They said,
38 "If you move, you will be closer to your children
39 at the residential school. We will take care of
40 you. We will give you money every month. We
41 will give you a house." At what cost? Sorry.
42 So our people moved. They relocated. The
43 government has done a great injustice to the
44 people that lived in Pelly Banks and Frances
45 Lake. [Dene spoken]

46 Development happens up there, we have no
47 say. We're not asked. Our elders have said no

Hearing - Public**Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)**

1 to mines, a couple mines. They're -- they're
2 ignored. You go to Frances Lake today, you still
3 see the trails. You see the trails of our
4 ancestors because they travelled, they travelled
5 that land. They knew the land like the back of
6 their hand. They never complained.

7 So coming into where the government was
8 going to take care of them, they were so
9 devastated without the children because First
10 Nations, our hearts are our children, we all know
11 that. So, Tootsie would have been devastated.
12 She would have been just devastated losing her
13 babies. Yeah.

14 CHRISTA BIG CANOE: Thank you. That -- for sharing
15 that really important part of history of your
16 community.

17 And so one of the other --

18 ANN MAJE RAIDER: [indiscernible] want to say?
19 [indiscernible]

20 CHRISTA BIG CANOE: One -- one of the other questions,
21 and you have kind of touched on it just now when
22 you were speaking to the commissioner, is that
23 the economic development and the harm to the land
24 or the environment, do you guys feel that that
25 harm that's done to the environment in your
26 traditional lands is like the harm done to
27 Indigenous women?

28 ANN MAJE RAIDER: Absolutely. There is not a doubt in
29 my mind, in my soul, in my heart. Indigenous
30 people, we have such a deep spiritual connection
31 with the land. You harm the land, you harm us.
32 Yeah.

33 CHRISTA BIG CANOE: At this point I would just like to
34 ask if any of the three of you would like to add
35 anything or if I have overlooked asking you
36 anything, to please do so.

37 ANN MAJE RAIDER: I do have some recommendations.

38 CHRISTA BIG CANOE: Yes. And then -- for sure. So,
39 please feel free to share with the commissioner
40 your recommendations and ideas.

41 ANN MAJE RAIDER: I spent a lot of time, it's been my
42 life's passion working on these issues. And I
43 spent a lot of time thinking about my sister last
44 night and what she would want me to say. I asked
45 her, I talked to her to help -- to help me. And
46 I kept calling the loon spirit in. And my
47 sister's name is Tootsie, and in Dena that means

Hearing - Public
Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)

1 "loon".

2 So as Indigenous people we are very
3 distinct, with unique heritage, language,
4 cultural practice and spiritual beliefs. So, I
5 want everybody to know what it means to be
6 "distinct". The dictionary says unmistakable,
7 easily distinguishable, recognizable, visible,
8 obvious, pronounced, prominent, striking. That
9 is we as Indigenous people. We have proven that
10 you can never assimilate us and you can never
11 change us. The White Paper of 1969 tried that.
12 It didn't work. The colonial policies and
13 structures continue on the path of assimilation
14 today. A good case is the child protection in
15 Canada. There is a direct correlation between
16 child apprehension and murdered and missing
17 Indigenous women. There is a direct -- direct
18 correlation between child protection and
19 homelessness and people on the streets. In the
20 Yukon 90 percent of children in care are First
21 Nations. In the Yukon there is racist policies
22 that need to change in child protection.
23 Families are not compensated at the level that
24 foster parenting is compensated. That is
25 unacceptable.

26 So, we hear a lot of talk and a lot of First
27 Nations saying healing. Healing, healing from
28 violence. Violence, I believe, is in the
29 experience that violates your dignity or your
30 [Aboriginal language spoken]. [Aboriginal
31 language spoken] In our language means "dignity".

32 I believe that our wellness, because Canada
33 committed -- committed a horrendous act of
34 cultural genocide, we need to repair that fabric
35 of culture. We need to come back to ourselves.
36 Our children need to come back to who we are, so
37 healing has to be culture. In our culture there
38 is a lot of spiritual teachings. My mom lived on
39 land and she would live at Simpson Creek, dry
40 fish. Every summer when we came out of that
41 prison camp, she was drying fish, making dry
42 meat, making moose hide. I would sit in the
43 little mosquito tent and read my *True Confessions*
44 and my mom would be working very hard to feed me.
45 And people would come on the highway and she
46 taught us how to be generous. She gave. She
47 gave fish. She gave dry meat. She gave people.

Hearing - Public**Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)**

1 They stopped for coffee, they stopped for tea.
2 She'd feed them, she'd cook them bannock. That's
3 who we are as Dena. You don't teach these
4 things, you live these things.

5 My mother always said -- used to say, "Don't
6 be mean. Don't hold anger towards people."

7 She was teaching us the virtues of
8 compassion and forgiveness. She taught us how to
9 be humble. She never spoke mean about anybody.
10 When people would insult us and say we're from
11 another land or Pelly Indians, she'd say, "Pelly
12 Indians [Dene spoken], (mimicking laugh)," like,
13 "What are you going to do about it?" (laughing)

14 [Audience laughter]

15 I think government needs to fund cultural
16 programs without the bureaucratic application
17 processes. My life has been about filling in
18 application processes. I mean, it's been so
19 bureaucratic. There is no cultural lens to their
20 application process. It's very difficult, very
21 time-consuming, and you have organizations that
22 do not have any money, with huge expectations.
23 We're on the ground, there is a lot of work to be
24 done, and we don't have time to fill in their
25 bureaucratic process. It's very difficult. They
26 need to change their applications. More or less,
27 never mind an application, they need to provide
28 core funding.

29 So with addictions, the government needs to
30 put their money where their mouth is. First
31 Nations, our people, our community want to heal,
32 they want to learn their culture. They want to
33 go on the land. That's where they want to be.
34 That's where they want to heal. They want the
35 elders, they want to heal, they want to live our
36 culture. Culture has to be lived.

37 There is nothing that makes us happier than
38 seeing our children dance. Nothing makes us
39 happier than seeing our children sing. Nothing
40 makes us happier than seeing our children speak
41 and hearing them speak our language. Our parents
42 are so proud. It brings us to life. And that's
43 what we need is life and culture does that.

44 Our organization, I work for Liard
45 Aboriginal Women's Society, and we signed a
46 Together for Justice Protocol with the RCMP on
47 March 8, 2012 because there was never a

Hearing - Public
Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)

1 relationship with the RCMP. Historically never.
2 So -- and the women's organizations, women have
3 always been ignored as to the direction, what are
4 their priorities in the community. So we -- we
5 did a two year process, the RCMP, with the RCMP,
6 with a lot of elders, a lot of women, a lot of
7 very, very powerful women advocates, and we
8 worked with Dr. Allan Wade from the Centre of
9 Response Based Practice and we talked about
10 violence and understanding violence from a
11 response-based approach.

12 So, in order to address violence we have to
13 get out of the woman's head. We have to stop
14 saying that she had something to do with it, that
15 she contributed to the act, that it's because she
16 didn't have good boundaries, it's because that
17 she attracted that person or it's because she
18 didn't have a good self-esteem. It's all about
19 her. It's not about her.

20 Everything -- you -- you avoid what the -- the
21 perpetrator has done. And in oftentimes we
22 overlook how the woman resisted and we overlook
23 how did she respond to the violence.

24 I hate going to workshops on residential
25 school. I find them very tiring. Because I hate
26 going into a workshop that talks about our
27 deficits, that we have a deficit, that we
28 have -- we have no parenting skills, we have no
29 this, we have no that. We are Dena. We have a
30 lot. Our culture is encoded in each of us. It's
31 something we will never forget. You just provide
32 the environment, it will come to life. Ask -- or
33 come to a handgames tournament in the Yukon in
34 the summer, you will all watch little children on
35 the mat. As soon as a person gets on the mat,
36 they say, "Oh, I don't know how," they get on the
37 mat they know because it's encoded in you. You
38 can never forget. That's why we can never be
39 assimilated because our culture is encoded in our
40 DNA.

41 There -- there is a terminology that really
42 bothers me that the health professions are using
43 and it's this notion of vicarious trauma, which I
44 think is more damaging than doing any good.
45 Vicarious trauma to me has a notion that you can
46 catch some trauma from another person because
47 you're hearing their story. Therefore, you may

Hearing - Public**Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)**

1 pack their garbage and you may take it home, thus
2 it will be very burdening on you. My mother was
3 very compassionate. As Dena people we are all
4 very compassionate. Somebody comes to you for
5 help, somebody is burdened by their problems, you
6 never think about vicarious trauma. I look at
7 the commissioner yesterday, I asked her, "How do
8 you stay so fresh, you look like you haven't --"
9 she was with us at 7 o'clock last night. And she
10 says, "It's because I enjoy what I do." So if
11 it's tiring you and it's burning you out, you're
12 in the wrong profession. So let's lose that
13 term, "vicarious trauma". Let's stop scaring
14 people from getting into helping people.

15 I have been very blessed to have worked with
16 professionals and -- from the Centre for Response
17 Based Practice. I have gotten to see through
18 their -- through their training how damaging the
19 justice system is. The justice system -- in
20 order to address violence, you have to address it
21 in the context of safety and justice. In our
22 community we have circle court, we have circuit.
23 So what happens is the court cases are always put
24 off, always put off, and so there's no swift
25 justice for -- for victims of violence. And
26 somehow the system has to change so that there's
27 more swifter justice because a woman,
28 you -- you -- the anticipation, I can't imagine
29 the anticipation of a court case coming, only to
30 go to the court and find out that it's been moved
31 again to another date. And oftentimes the -- the
32 abuser is in the community, creates fear. And a
33 large percentage of women are not reporting
34 violence and not reporting sexual violence
35 because oftentimes a woman's life will fall
36 apart. There isn't a justice system. I heard
37 somebody refer to it as a legal system.
38 There's -- there is blame. It's just a -- and
39 what happens, what's happening too is RCMP are
40 investigating cases, if somebody reports a sexual
41 violence, the RCMP reports it, and then if they
42 don't believe they have sufficient evidence,
43 it -- it becomes an unfounded case. And I
44 believe we should have cases -- how many cases in
45 the Yukon are unfounded? I'd like that
46 information. I'd like that information in Watson
47 Lake, how many are unfounded. So if it happens

Hearing - Public

Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie)

1 again, if a woman has her case unfound the first
2 time, why would she report?

3 Also in terms of the criminal system,
4 there's a language that needs to be change. The
5 slamming mutualizing. For instance, I'll refer
6 to one section, I -- I don't know what section it
7 is of the *Criminal Code*, but it refers to
8 invitation to touch. And mutualizing language I
9 speak of is -- it -- it -- language either
10 conceals or reveals violence. And through the
11 justice system today, it's concealing violence.
12 We refer to -- when children are raped, we're
13 referring to it as sex. A child cannot consent
14 to sex, so I don't know why they're using that
15 language.

16 So, less of antidepressants, less of
17 medicating our people, more cultures. Culture,
18 culture, culture. I cannot emphasize that enough
19 is culture. And no more application processes.
20 Core funding for Indian Women's Organizations
21 across Canada, I will always say that. [Dene
22 spoken]

23 [Audience applause]

24 CECILIA GOBEIL: I'd like to point out something. I'd
25 like to point out something. I consider myself
26 lucky because I've got two moms. And because my
27 sister raised me and then I went back to my mom.
28 And we went to -- we went to -- we didn't go to
29 all this, you know, welfare stuff or nothing. We
30 just -- they just kept going, they looked after
31 the kids, that's all. They should bring it all
32 back, you know, instead of having the kids go to
33 the welfare. So, you know, they raise the kid.
34 You know, welfare just step in through the family
35 and take them. They shouldn't do that, you know.
36 They should bring back the old -- old ways.
37 Like, it was too much for my mom, so my sister
38 stepped in to take -- take over and looked after
39 me. And I always think why she do it, my mom why
40 she did it. But while I get older I understand
41 why she did it, because it's too much for her.
42 And my sister, she's the oldest and she took over
43 because I understand that I am -- I was
44 hyperactive. I always going, going all the time,
45 it was too much for my mom. So that's why I
46 was -- Matthew called me monkey, because I was
47 climbing everything, I was climbing around, and

Hearing - Public

Ann Maje Raider, Cecilia Gobeil, Mary Charlie
(Tootsie Charlie

1 can't -- can't control me. I was climbing
2 around. So, I think that's why the reason. So,
3 what I'd like to say, welfare -- to -- to this
4 day welfare, they step in to people's -- people's
5 place. And there's one going on right now in
6 Carcross. Grandma wants to get her kids back,
7 but they say, no, the welfare took the situation
8 over. It -- it wasn't right. I thought she
9 should go see somebody to fight because she don't
10 drink. So, I think the -- you know, the family
11 should step in, the grandparents should step in
12 when the -- when the parents can't do it. So,
13 they should -- should be involved, you know,
14 with -- with the government. And the government
15 should step in, offer money to them instead of
16 saying -- because the grandparents don't have no
17 money but they want to take over the kids,
18 you know. It's -- they should be treated like
19 equal. When the government give money to foster
20 parents, they should give money to the
21 grandparents, you know, to help them. Thank you.

22 CHRISTA BIG CANOE: Mary, did you have something else
23 you wanted to add?

24 MARY CHARLIE: What I think I was going to bring up is
25 back then they had -- they always had -- they
26 said Native people can't drink, can't do this,
27 can't do that, but yet they take away -- take us
28 away from our family. And our parents used to
29 live in Ross River, but we travelled over from
30 Ross. And I was about 6 years old, travelled all
31 the way from Ross to what, to Liard. But they
32 made our parents to -- to take us. They took
33 our -- take us away from our parents and made
34 us -- they send us to Lower Post. I spent eight
35 years down there. And -- and we have to -- like,
36 we have to become a Catholic. And that's how we
37 got our middle name, all of us is Anne.
38 You know, my name is Mary Anne, my sister
39 Margaret Anne, Cecilia, all of us Anne. And I
40 said I'm going to change my name one of these
41 days, I said. And then Anne asked me, "To who?"
42 I said, "Anne."

43 [Audience laughter]

44 MARY CHARLIE: So, anyway, you know, to this day I
45 figure, you know, the -- if they treat us more
46 better, like they -- like they picked up my
47 sister when she was drinking, you know, she would

1 have been in the bush with her -- with her kids
2 every summer. That's where we go every summer
3 when I come out from residential school. And
4 Matthew used to take the kids out after she
5 was -- she passed on. We went to [indiscernible
6 place name] with the kids. But the kids never
7 really been raised up on the land after their
8 mother passed on. And then the -- and they lost
9 all being with her, knowing her, and she got
10 quite a few grandkids that the kids don't even
11 know her. And we don't even have a picture of
12 her to -- to show them.

13 You know, there's got to be a change.
14 You know, I'd like to -- something be done on
15 this missing and murdered women's. Something's
16 got to come. I want something done. Instead of
17 just they say -- they say, "Okay, we'll do
18 something about it," but yet they never -- they
19 never do anything about stuff like this. They'll
20 just put it on the shelf and, "Okay, let's forget
21 it, that's Native people stuff," you know. That
22 hurts. The reason -- we lost a good sister and I
23 would like to -- I'd like to find out how she
24 died and stuff like that. I'd like to -- I wish
25 I was -- you know, get to know her more, but I
26 was going to Lower Post school and stuff, I never
27 had a chance spend years with her. She was a
28 pretty, beautiful sister. And she's got a really
29 beautiful daughter and son. The kids missed out
30 on -- because they took her life. I just would
31 like to say I hope they do something,
32 investigation on this. You know, people who lose
33 a family, a sister or mother, down the road I
34 hope they investigate instead of just leaving it,
35 let it go because it's Native people, they say.
36 We should be treated equal. That's all we ask
37 for. We have rights like the rest of the people
38 in the world. We're all human. Thanks.

39 CHRISTA BIG CANOE: Commissioners, that concludes the
40 evidence and the stories that the family wanted
41 to share with you. If you had any questions
42 or ... No? So.

43 CHIEF COMMISSIONER BULLER: No, we don't have any
44 questions. It's been wonderful. Again, thank

6 Joan I would like to offer you this tobacco

13 JOAN JACK: (Aboriginal language spoken)

14 I just say my name and my totem from Ojibway
15 Territory where I come and Yithkajecky (phonetic)
16 is My-Tlinget (phonetic) name that I've been
17 given as an adopted member of this family. And
18 to begin I feel directed by the spirit to sing
19 two verses of the Inclucupmoke (phonetic), you
20 heard Inclucupmoke songs already in this hearing
21 today. So Kwankoshakley (phonetic) taught me
22 this song and it doesn't sound Inclucupmoke,
23 because I'm not Inclucupmoke, but it's their
24 travelling song, so I'm just going to sing two
25 versus of the travelling song and then I'm going
26 to ask each of my family members to say who they
27 are and then at the very end, if I forget, please
28 ask me to sing the last two versions of the
29 Inclucupmoke song so that we're not all just
30 flying around in space. (Laughter).

31 Like I said I'm forever grateful to
32 Quancoshackley, who I hope is watching today for
33 teaching me their travelling song. And you don't
34 need to stand. If you want to you can, it's your
35 call.

39 JOAN JACK: Call upon and invoke all the spirits of
40 our ancestors to join us here today. And I had
41 asked the family to turn around and show their
42 crest, 'cause that's who we are. I've been so
43 grateful to receive this design and the privilege
44 of wearing because I'm not blood like My-Tlinget,
45 so it's a privilege. It can be taken away.
46 (Laughter). It's a privilege, so, Greta, did you

2 GRETA JACK: My name is Greta Jack, Juh-neek is my

23 HEATHER ALLEN: (Aboriginal language spoken) Heather

1 not named yet in Tlingit, but Mia Carlick wears
2 this and dances it and she's two. And so she
3 couldn't be here with us today because she would
4 be making too much crazy noise and these are her
5 little goochin (phonetic) moccasins for the
6 goochin, so... She represents Yandakinyah
7 (phonetic). That's okay. Whoof. And then I've
8 also brought, and I need a chair put beside
9 Mia's, if somebody could bring a chair, this is
10 the human design from the Tlingit culture to
11 represent the space for all human. Yeah. We'll
12 put it here, yeah.

13 Because, you know, symbolism is a really
14 very big part of the law. And the Tlingit law,
15 like many other Indigenous law has ways to
16 recognize everyone.

17 GRETA JACK: This is surreal. It wasn't my intention
18 to come to this gathering, but my sister-in-law
19 as usual asked us to bring regalia and run little
20 errand here and there and here I am.

21 So, I am not all that prepared but I do want
22 to say I'm proud of my family, our tradition and
23 I'm here to -- I'll be jumping all over the
24 place, so you just gotta be patient with me. So,
25 I'm from the Henry Taku Jack family and Gloria
26 Reed (phonetic) who had 14 children and Barbara,
27 who is the fifth oldest one, fifth youngest. My
28 mom went to residential school for 11 years
29 without ever going home. Lejac School in Central
30 B.C., and my dad who went to day school in
31 Ketchikan. So they, mom, I think they cleared
32 all the traditional spirituality out that she
33 had, at least in the practices. As for my dad,
34 he continued on and thank God for that.

35 So, my sister Barbara, was fifth oldest and
36 I remember coming home for the two month holiday
37 from residential school and there was my little
38 sister and -- very beautiful little girl, and mom
39 and dad by that time had started drinking. They
40 already had too many children being taken away
41 from them to go to residential school, so I think
42 that Barbara was a alcohol syndrome baby. She
43 was still very smart, very strong and very tall
44 compared to us. So, my mom was quite abusive to
45 her, so I don't think that -- she was made to
46 work like we were because we had a large family,
47 we had to look after the youngster and the house,

Hearing - Public**Greta Jack, Lorraine Dawson, Allan****Heather Allen, Jane Carlick****(Barbara Jack)**

1 mom was a bit of a perfectionist, so there was
2 never really any time to play or just be
3 ourselves. We were caretakes from as small as we
4 could remember and I cared for Barbara along with
5 my sisters because we were transferred after
6 seven or eight years in residential school from
7 the oldest. I was luckily -- I was only there
8 for four years and ...

9 So, we started going to day school in Atlin
10 and parents continued to drink and soon my
11 brothers and sisters began to drink and I could
12 remember Barbara as being a very abused little
13 girl. She was so very cute and we lived in a lot
14 of fear and because of the aftermath of
15 residential school, she was sexually abused. As
16 I was sexually abused when I was 12 year old by
17 my older brother. Not until he explained to me
18 that he was abused for seven years in residential
19 school and when he came home he had to prove he
20 was a man. Did I start to understand and forgive
21 -- begin to forgive him and love.

22 Up until seven years ago when I quit
23 drinking and drugging, did I understand? Yes. I
24 was affected by residential school big time.
25 Like the whole family, including my mother.
26 We've lost so much.

27 I remember my little sister. I grew up and
28 the school only took grade -- up to grade 7, so I
29 had to go to Whitehorse to go to school, so Marva
30 (phonetic) stayed home and as one child left
31 after another to go to residential school the
32 oldest one took over and took on the
33 responsibility of caring for the little ones and
34 helping.

35 So Barbara eventually had to leave to
36 Whitehorse. As well, both my parents died within
37 nine months of one another. My dad first at age
38 of 73, no 74. And my mom, nine months after at
39 the age of 46 and the young ones were sent to
40 Yukon Hall in Whitehorse. And another family
41 took my sister in and I saw -- I went to see her
42 at the school when I was over there and asked her
43 how she was doing, did she like it there and she
44 chose to come to Whitehorse with me. So, she
45 stayed with me, I think, for seven months and she
46 was pretty good, but she saw -- she saw -- met
47 some friends who she teamed up with and they

1 began to drink. She was 14, and began to drink
2 and the girls still tease me to this day about
3 when they were out with Barbara how they would
4 see my car coming and they would run around the
5 corner and hide and peek and see if I was still
6 there looking for them and ...

7 So eventually I decided that I couldn't go
8 on with sleepless nights and driving for miles
9 and miles looking for her anymore and I -- I was
10 wrecking my health and everything so I went to
11 Social Services and asked if they could help me
12 care for her. And they put her in a group home
13 here in Whitehorse. She had rheumatic fever or
14 another kind of fever, which she had a hole in
15 her heart and she had to be on heart medication,
16 so when she wasn't out on the street she was back
17 in the group home. Sort of it was back and forth
18 that way and one time she was missing for 10
19 days. Well I knew that something had happened to
20 her because she would have phoned me. She would
21 have called me. She called me practically every
22 day from where -- from the group home and we'd
23 talk and I'd meet her and, you know, visit and
24 she was just gone, she just vanished and we -- I
25 didn't know if she had gone to Vancouver, was
26 somebody picked her up and taken her to Vancouver
27 or something, which was always our fear. And
28 time went by and then RCMP member came to the --
29 what was called the Vocational School at that
30 time and mentioned that they had found some
31 remains on Grey Mountain and they had checked
32 dental records and stuff and they had identified
33 her, my sister Barbara Jean as being the person,
34 so ...

35 So, at the time, after my parents died I
36 looked after two sisters and a brother plus my
37 own for three and a-half years and when they came
38 with the news we wanted to have a funeral for her
39 and the Department of Indian Affairs said, well
40 we didn't need a full size coffin so they gave us
41 a baby coffin to bury our sister in and that was
42 -- it was like, even my younger brothers and
43 sisters and my daughter who knew her well, it was
44 like unreal, it was like --

45 So that kind of sticks in my mind, you know,
46 that -- sometimes how worthless people think of
47 our being First Nations People and I just get so

1 afraid to get in touch with that anger that I
2 feel underneath. I'm trying to manage my life in
3 a more positive more productive way than I was
4 when I was drinking. So, sometimes it's very
5 hard to choose the right path and to stay on it.
6 I think there are lots of people who have long
7 since given up with any support. There's lots of
8 talk about it. But for the person that lives at
9 ground level and goes for support, where is it?
10 I had to knock on many, many, many doors before I
11 found the support that I could to stay clean and
12 sober.

13 I purposely put myself through the wellness
14 program at the courthouse because I needed that
15 discipline. So for a year and a-half I showed up
16 every week. I spoke to my probation officer. I
17 did the workshops. I tried everything I could,
18 it's so hard.

19 But there was so little else. Like there
20 was so little else. You go to ADS, well ...
21 There weren't any workshops there. And Konlin
22 (phonetic) done help me with sewing classes.
23 Like you could go and make mukluks and that was
24 so healing and it was good to be with First
25 Nations People where you felt, or at least I felt
26 comradery and less shame, less guilt. I still
27 carry a lot of the shame to this day. But I'm
28 trying to deal with it.

29 And every once in a while I feel my heart
30 glowing with pride that we can stand up as
31 productive responsible people that are trying to
32 uplift First Nations.

33 I know Barbara didn't have a -- I know it's
34 not about me right now, but I know that in her
35 day when she was 14 and on the street there
36 wasn't anything. There was punishment rather
37 than support I think and -- like it is -- the
38 group homes isn't like what it is today where
39 they do get support and ...

40 But there were two women that came forward
41 after a man died and they said do you know -- do
42 you know, and it was years after Barbara died,
43 years, and they said do you know that so-and-so
44 that just passed away, I said well no, that I
45 didn't. But they said that he was last one to be
46 seen with my sister Barbara and -- and I said why
47 didn't you tell me. Like why didn't you say

Hearing - Public
Greta Jack, Lorraine Dawson, Allan

(Barbara Jack)

1 something? And they said they were scared. They
2 were scared that something might happen to them.
3 And that's common of First Nations people, you
4 know, we were taught, "Don't say anything, you
5 know, the police are going to come and get your
6 kids. Don't say anything the police are going to
7 come and take your mother and send her away for
8 three months because she was drinking when she
9 was [indiscernible]. You know don't say anything
10 about the moose because the game warden is going
11 to come and take it and give it to the towns
12 people and fine you. And if you don't have any
13 money for the fine they'll sent you to jail."
14 You know, it's like we had to live in silence.
15 And we don't anymore. We could speak out and I
16 think, unless we acknowledge the shame and the
17 guilt that we are -- and the fear that we are
18 carrying around we'll never be able to do
19 anything about it. And God in Heaven, like we
20 need workshops, we need land based healing camps,
21 we need culture camps, we need, we need to be out
22 on the land because as far as I'm concerned, I
23 went to about four treatment centers, but to me
24 all it was was an institution, where you'd walk
25 -- I wasn't even aware of it that I was walking
26 around in fear that, you know, I was going to be
27 badly punished if I didn't listen and that was
28 all I could do was get that feeling. I remember
29 when I was a little girl at home I would get a
30 feeling and I would go and stand in the middle of
31 the floor and I'd tell my mom, "Mom, Suzy Quawk
32 (phonetic) is going to come and visit you today."
33 "Oh, that's nice." And I'd go and sit down and
34 Suzy Quawk would come to visit. And she said,
35 "Oh one of the kids said you were going to come
36 and visit me today." "I did mom. I did." And
37 she had a little puppy at the door and I was
38 looking at the little puppy. "Mom, he's
39 thirsty." She said, "There's a whole lake down
40 there. If he was thirsty he would go and have a
41 drink." And I said, "No mom, he's thirsty."
42 "Okay." So she gave him water and he drank the
43 whole bowl.

44 And I was gifted with premonition and dreams
45 much like by brother Bryan and I think our whole
46 family is that way. They say intuition is the
47 truest sense of God and I honestly believe that.

1 And from my mom going to a residential
2 school, she branded it as witchcraft, so I -- I
3 to this very moment, I struggle with that. They
4 taught her to be afraid, where my dad just
5 accepted it as yes and I was very close to my
6 dad. And a lot of harm was done.

7 I've forgotten what I was going to say, but
8 I just want to be well. I -- it was frightening
9 to have the two, well the three First Nations
10 people beaten to death in our -- in Whitehorse
11 here. My heart goes out to the family and it's
12 just so hard to believe that something like that
13 could go on. And it just brings back a load --
14 the load of fear that we've been carrying all our
15 lives from physical -- you know physical abuse or
16 sexual abuse if -- if that's what took place,
17 which was an aftermath of residential school.
18 You know, it wasn't so much what they did to me
19 there but it was what they took me from. It's
20 what they took me from. The God that gave you
21 everything, the sunshine and the water and the
22 leaves and the fish and the animals to a Jesus
23 that was going to send you in hell to burn
24 forever. And I couldn't understand it and yet,
25 you know, you'd go to the stations of Cross, like
26 why are doing that to God, like why are they --
27 it's kind of like it was totally, totally
28 different than what we were taught to believe in,
29 to be grateful for everything as opposed to
30 residential school. Be fearful of everything,
31 because boy you're going to hell if God didn't
32 agree with what you were doing and they were
33 telling me to be a good girl, well what the hell
34 did that mean. You know, I didn't know what good
35 or bad was, we were, you know, so, you know, they
36 took us from our very -- you know, someone --
37 someone said to me, you know, that Hitler, he
38 massacred the people, but the Church in that day
39 took our children and that's worse. They took
40 our children and that was the quickest way to
41 annihilate and integrate the Indian people into
42 the European way of living. And I didn't
43 understand it at -- like I mean I had to think
44 about that and my instructor said, well, you
45 know, I'll leave it with you and, you know, I
46 could see the damage that has been done because I
47 think there would have been less frustration and

Hearing - Public**Greta Jack, Lorraine Dawson, Allan****Heather Allen, Jane Carlick****(Barbara Jack)**

1 drinking if -- if it wasn't for residential
2 school, you know, and if Barbara hadn't gone
3 there. She was sexually abused there, as were
4 lots of -- I don't know how -- I was such a, "I'm
5 going to tell dad," you know, "I'm going to tell
6 sister." I was a big tattletale, which is --
7 which kept me out of lots of trouble, got me into
8 lots too, but it certainly kept me out of a lot
9 of things that could have happened to me there.

10 But I think for Barbara, had she been
11 treated right in residential school and not
12 sexually abused and the aftermath of residential
13 school sexual abuse stuff, I think that she would
14 be alive to this day.

15 You know, you hear people say, "Well, get
16 over it already." Well, hello, they're tired of
17 hearing about it, I'm tired of living it. It's
18 so very hard to have to -- because you never
19 really quite, I mean the pain lessons, I mean
20 it's been seven years since I really understood
21 that residential school, how much it affected me
22 because I was a spoilt little brat and, "Oh,
23 you're so cute." And, you know, I would get in
24 trouble and, you know, but it was so military.
25 It was so line up in ranks and kneel and say the
26 whole rosary on a cement floor and pray before
27 you go to breakfast and pray when you get to
28 breakfast and pray after breakfast and pray
29 before you go to school and then pray when you
30 get there and pray when you leave there and on
31 and on. Like I -- it's really hard for me to
32 believe still that people that believed in God
33 could do such things, you know. Could just be
34 the way they were and treat us the way they did
35 and it affected all our people. All.

36 I think even, it didn't only affect our
37 parents to lose one child, like first it was
38 Lorraine that went to school, then it was
39 Lorraine and Doug, then it was Melvin, there goes
40 a third kid and on and on and on right down to
41 the -- well the 13th child. And I remember when
42 it came to my sisters turn to go to school and I
43 was the oldest one left, it was so lonely. The
44 family -- it affected the children too. I mean
45 the streets were no longer filled with children
46 that were playing baseball or dodgeball or -- or
47 you know, playing cowboys and Indians or playing

Hearing - Public**Greta Jack, Lorraine Dawson, Allan****Heather Allen, Jane Carlick****(Barbara Jack)**

1 house or, you know, it was just so quiet and
2 lonely. And there was some of us who were taken
3 from -- out to the trap lines so that the
4 children wouldn't be taken and boy, my Uncle
5 Willie was one of them and is he ever champ to
6 this day. He doesn't know how to read or write,
7 but, you know, man-o-man he's quite the
8 character.

9 And Elizabeth Nieman (phonetic) who is also
10 from my village was taken to the trap line as
11 well and hidden because they didn't want her to
12 be taken.

13 So, I'm sure there are many many more from
14 each of our villages that that had happened to,
15 but it tore the village apart. It was like
16 Pattie Ward (phonetic) and Mrs. Pattie went to
17 the trap line with Uncle Willie and then you know
18 another, so it split the whole village up. The
19 life that we were used to, living in peace and --
20 just was no more.

21 And being an aware little child, I mean to
22 see that and to have to live with it when I --
23 just growing up. How do I get over it. You
24 know, how do I just drop it like I can an old
25 pair of shoes and walk away and, "Oh, I'm better.
26 I'm good now, boy I'm over, I'm healed." The
27 pain lessens I think and the frequency between
28 remembering and feeling it in your heart how much
29 it hurt. I think is there, but I would like to
30 see us go back to our ways of sweats, I know the
31 Christians aren't going to think much of it, but
32 I've tried it. I've tried the Catholic way, I've
33 gone to every single Church, I've gone to Bible
34 Camps, I've gone everywhere to try and find a
35 way, because we were taught, "Oh, you know, witch
36 craft, you know, you're not allowed to say thank
37 you God for the sun because that means you're
38 worship." I'm not worship, and I felt that I
39 was, it's kind of like, "Oh my god, I can't thank
40 God for the sun because I'm worshipping the sun
41 now." And the water, they saw it as worship. I
42 was just thanking God for the gifts he gave us,
43 but it was scared into us, the things the
44 residential school wanted us to believe. So I
45 search long and hard before I decided. I know
46 our religion is strong and true and I want us to
47 go back to sweats, I want us to go back

1 ceremonies, I want us to get Indian doctors
2 because we have tried it the White man way for
3 how many decades and decades and decades. It's
4 time we did it our way.

5 I so believe in my heart that's what is
6 going to save us. I so believe that it will help
7 the -- so many of us to get on the right track.
8 That is what's going to help us.

9 And right now my head it going -- and I just
10 noted someone looking at me, [indiscernible]
11 "Oh," right away, she thinks, you know, asking
12 for a sweat or a ceremony or -- or something, I'm
13 a witchcraft, like I mean that's how it plays
14 with your head, you know, you're a pagan, you
15 know, like listen to the Bible, the Bible says
16 this and oh my God you're going to hell and, you
17 know, I mean that's conditioning, they condition
18 to think -- condition us to think that way. I
19 mean, you know, it's so hard to be stand up and
20 to sometimes to be true and strong. And yet I
21 know we have God gave us the strength, we're just
22 not using it. We have -- like I mean are we so
23 beaten down that we can't get up and speak for
24 ourselves, do we have to accept the Catholic
25 Church way because they beat it into our heads?
26 I mean do we have to accept any other way other
27 than what we believe in our hearts. I don't
28 think we're too beaten down. I think we were. I
29 think we were for way too long and I think it's
30 time for us to stand up and share what's in our
31 hearts and find a way to -- so we all could be
32 unified so that we don't find murdered and
33 missing aboriginal women anymore. We can do it.

34 So let's all try to pull together and see
35 how we could help one another and God in heaven I
36 know, I know, I know we can do it. I know the
37 great spirit is here now and I think he's
38 blessing us and guiding us. I think he's helping
39 me to say the right words. I think he's helping
40 you to hear the right words. I think people are
41 compassionate and caring and I think that we can
42 pull together and I think that we can look after
43 our women better, out children as they grow up so
44 they don't live with abuse so that they don't run
45 away to the streets and get killed or start
46 drinking and drugging and get killed.

47 I would also like to say that there are many

1 strong honourable men that stand behind their
2 women. And my brother Bryan has supported my
3 sister-in-law Joan for 25 years. And believe me
4 she's a handful, you know, (Laughing) she's --
5 she's all over the planet, like she is everywhere
6 and she's -- she's doing this and running over
7 there and, you know, if somebody needs to be --
8 need a good talking to, she's the one to do it.
9 She can talk the birds out of the trees.

10 (Laughing) And he has stood behind her with
11 patience and he's a very humble man and I'm so
12 proud of him and I would like to thank all the
13 humble supportive men out there that support
14 their wives that are trying to live the right way
15 without drugs and alcohol and live -- do to
16 traditional pursuits and unify us and I'm sure
17 there are many out there. We would like to see
18 more of you.

19 And by the way our friend would like to know
20 if there are any more men like Bryan. Where is
21 she? (Laughing) She would like to know if there
22 are any men like Bryan. She was joking this
23 morning over breakfast, so ... Oh, she's a
24 sweetheart.

25 Okay, so like, you know what, I really want
26 to thank you for listening to me and it's so
27 important we move forward in unity and Jean's
28 here to help us. Jean, and she's from my
29 village, she's a Carlick and I just want to thank
30 you for all the support you've given us, because
31 man, you know, we certainly can't do it alone.
32 We've been trying for too long and I just really
33 want to say thank you and thank you. (Aboriginal
34 spoken).

35 KAREN SNOWSHOE: Thank you Greta. Going to invite my
36 sister-in-law Lorraine now, to share with
37 everyone about Barbara and her relationship with
38 Barbara.

39 LORRAINE DAWSON: (Aboriginal spoken) Two days ago I
40 woke up not realizing that I'm going to be here,
41 that I'm going to be talking about my sister that
42 I never really had a chance in my life to know.
43 Because of residential school, yippee, took me
44 away from home when I was just going on six.
45 Then I had TB. I was just going on six, so I had
46 TB, no explanation, no goodbye mom, no goodbye
47 dad, no goodbye brother, I didn't know where I

1 was going. They just put me on the plane, that
2 was it. Mom didn't know, Dad didn't know.
3 Thirteen months I stayed out in Edmonton. Once
4 in a while I got a letter from my dad, mom,
5 little bit of money, 'cause I was just a little
6 kid anyway and I bought candy with that. But I
7 didn't know where I was. I don't even think I
8 had a chance to know what it was to cry because
9 who was there to cry for. My mom and dad wasn't
10 there, I didn't have no brothers and sisters. I
11 was all by myself.

12 Then I came home, back to school. I didn't
13 go home after 13 months. I didn't go home. They
14 took me right back to school. Oh, I was excited,
15 six year old, going to see my brother, I never
16 see him long time, I don't know where I was.
17 Going to go see him. So I knew a shortcut
18 through the dining room from the girls rec room,
19 straight across the dining room right down the
20 hall to the men's. They wouldn't let me go. All
21 I seen was my brother on that end. He's passed
22 away now, but he was next to me. And I hollered,
23 "Douglas, Douglas," and we're just going to run
24 and that nun pulled me back, pulled Douglas back.
25 We couldn't go see each other, we couldn't talk,
26 we couldn't hug, we couldn't anything. So
27 Douglas felt so bad, he turned around, he started
28 crying and he said, "I hate you, I hate you, I
29 hate you, you went away from me and left me
30 alone," he said. "Douglas, Douglas." He's way
31 down there. I tried to holler to him and explain
32 to him. No, he was hurt too bad. He went away,
33 I went away. That was supposed to be forgotten.

34 Then went home after 10 months. I see this
35 little boy crawling around and I tell my mom,
36 who's that little boy? Shut up she say. That's
37 your brother. I look at him. He was about maybe
38 two months, no, three/four months old. Where he
39 come from? Shut up. Don't ask. That seemed to
40 be my custom ever since I was a kid.

41 There was always somebody, education wise,
42 knew more than me, that can talk, then I hear
43 that word shut up lots, so I start shutting up.
44 And then when I did open up my mouth I said the
45 wrong things because I didn't know how to speak
46 right. So there was a lot of tortures, but some
47 reason another, something in my head keeps

1 saying, and still saying, "Lorraine, you go
2 ahead, no matter how tough, go ahead."

3 I made a resolution after my husband died 13
4 years ago, I don't know, I pray lots, I was happy
5 my husband, my late husband was Catholic, I don't
6 know why because residential school, isn't that
7 nice. So I was happy he was Catholic, so that
8 was good.

9 And then -- anyway, as time went on Barbara
10 came around, I barely, barely remember my sister,
11 I know, she was up to here on me, she was to me
12 kind of withdrawn. It depended on how you pay
13 attention to her. That's her guidance, that's
14 what she -- I noticed when I was younger she
15 [indiscernible]. If you played with her she'll
16 play with you, but if you fought with her, she'll
17 fight with you. You know, just like a family
18 thing, but I really, really, I know she was
19 drinking, I was.

20 So I think in a lot of ways our family had
21 suffered lots because of residential school. Mom
22 and Dad depended on us because we were there for
23 their company, to be their babies. To be
24 whatever for them and then they came along and
25 they took us away. I remember so clear about
26 that Lower Post. They say things about way off,
27 I don't want to mention any names, way off that
28 way. Over that way. Down that way. People that
29 went to that school. I remember when I see them
30 come into school, just like it said in a book,
31 they had sores, they had, some of them had hardly
32 no clothes, some of them didn't even know that
33 they were not going to see their mom and dad
34 because they were in school, they didn't know
35 that. And why did I have to be behind it and say
36 no, that's not true. No, that's not true.

37 For some reason in my life I was trying to
38 make something real for a change. Something that
39 I could treasure and this Lower Posting just
40 really -- and even if we went in as family, like
41 I got sisters there, but for some reason we
42 couldn't mingle, because there was too many. In
43 one little room like this, I bet you any money
44 there was 50, 50 little juniors like that running
45 around and you had to stay in that room. You
46 stay in that room two/three hours 'til
47 dinnertime, 'til suppertime.

1 Barbara, who she -- I don't know who she was
2 with in Lower Post or if she even made it to
3 Lower Post, because there was so many in our
4 family that mom was just looking after us, one
5 after the other. I really wanted to get to know
6 her, but everything going on and her alcohol, she
7 had alcohol problems, I got alcohol problems and
8 she never really, as far as I know, mingled with
9 us, me anyway being the oldest, 'cause she never
10 really knew me. I never really had a chance to
11 know her. All I knew is by name, that's my
12 sister.

13 You know, I don't know with this thing,
14 which way to talk, like they tell you don't cry.
15 Don't this, don't that, don't everything. Don't.
16 That's all I know is don't. And then they say if
17 you don't do it you're going to get in trouble.
18 Okay, there I go again. Now it seemed like my
19 life, it seems like, I go someplace I'll get
20 lost, so I always want to be in close to people,
21 close to somebody where I won't get lost.

22 I only went as far as Grade 8 then I quit
23 school and I ran away. I went 10 years in Lower
24 Post. Six years in a hostel here in Whitehorse.
25 Used to be the Catholic Hostel. So I was away
26 from home most of life. What do you do two
27 months at home and you don't know your parents
28 really good and then all of a sudden you gotta go
29 again. Then you come back again. Another two
30 months. The addition at home with the kids and
31 the other ones that are in school. We never
32 really knew each other. We never had a chance to
33 know each other. We all wanted mom and dad's
34 love. Ten of them going -- she's going to love
35 all 10 of us at once. We didn't get that love.
36 We fought. That put barriers between me and
37 somebody else in my family because I couldn't get
38 the hug I want, she pushed me out of the way, you
39 know.

40 And like my sister said, all I knew about my
41 sister Barbara, and I'm very glad, very proud,
42 very, very everything that this came up, because
43 the other day when I heard this was coming up, I
44 just heard it, and I thought, oh my God, how long
45 has she been gone and I never even thought of it
46 and by the grace of God and the good people, all
47 you good people, you put this thing on, you're

1 going to get more back, because I'm pretty sure
2 there's lots of others like me too that didn't
3 know anything about this and then my sister, very
4 good sister-in-law, the bestest in the westest
5 (Laughing), came to my house, because I say that
6 because we have our own little things. I call
7 them little. She came to my house and she told
8 me about this going on. Well I didn't know what
9 this was about and then after she left I thought
10 finally, finally, somebody is thinking about the
11 women.

12 You know, we have our celebrations to women.
13 We go to celebrate the men too, but I don't which
14 way to go about it, because I seen so much when I
15 was younger. The women getting beaten up, left
16 and right. And nothing happens. And this goes
17 on and on. And I noticed that ever since I was a
18 kid through my family, then I'd look at others
19 family. It's -- I wish I had the words to say it
20 but I -- Barbara would have been there somewhere,
21 somebody would have help her, but you know, like
22 I said before and again, I don't really know her,
23 but I know what she look like and I know what
24 she's sounds like, you know, and she was that
25 type of a girl for what was going on in her life,
26 that if you got mad at her, to her, you were just
27 a wall. You -- she seemed like she could just do
28 anything. That's the way I seen her when she get
29 mad. She didn't matter who she hit. She hit me,
30 you know, but I knew it and she -- I didn't get
31 in trouble, she got in trouble. So, you know,
32 but I wish in a way, I hope in a way, that like
33 my son said, you know mom, if you don't move on,
34 you're going to get left behind. And I thought
35 about it and thought no, I'm nice and comfortable
36 right where I am. I don't want to move.

37 Then things came up. Then Lower Post came
38 up and that's when I started realizing I had to
39 move, I had to go. I had to everything. My mom
40 and my dad, mostly my dad, my father, when he was
41 alive, we weren't rich, we didn't have much, but
42 I think what we had there besides love, there was
43 a lot of care, it was really hard understanding
44 of all of us and there was a lot of different age
45 in mom and dad. And, you know, as time went on
46 the only living my dad made was wood cutting.
47 Working for the Indian Agent then too, cutting

1 wood.

2 So, it's a really lost world there. Seems
3 like it anyways. And when I came here, I said to
4 myself, "Well, what are you going to say? Are
5 you going to talk about Lower Post?" I just, all
6 I can say is I don't want to even think about
7 Lower Post. I'm trying to think about Barbara.
8 That's the one I trying to think about, because I
9 never really knew her and I wish to God I had.

10 So, anyways Barbara, here I am and I'm
11 talking about you and I'm bragging about you,
12 what I could say about you. I hope you hear me
13 and if there's any forgiveness that has to be
14 done please accept it from every one of us and
15 look done on us and we'll look up to you.

16 Thank you very much.

17 KAREN SNOWSHOE: I'd like to invite my husband

19 Barbara and whatever he wants.

46 missing and murdered women. What I had
47 acknowledged was that they were both -- both

(Barbara Jack)

1 discussing the residential school. I think as --
2 I think that we have to start connecting the dots
3 on the issues around missing and murdered women,
4 because if it is as important as we say, we have
5 to know that the residential school is attached
6 to the missing and murdered women. Because the
7 residential school took our independence away.
8 It took our self-confidence away as a people.
9 Attempted to take the traditional lifestyle that
10 we had away.

11 So I believe that the one thing that I've
12 observed throughout my political life is that
13 when we talk about land and land issues,
14 everything is separate, the trees are separate
15 from the water and water is separate from the
16 people, people are separate from the mountains,
17 so on and so forth. When you want to come down
18 and you want to sue people about the mountains
19 they want to talk about the rivers and it
20 confuses people. Keeps people ignorant of the
21 fact that we're talking about land and land
22 issues.

23 So when I make reference to the separation
24 and the connection of these dots that I'm talking
25 about right now, when we talk about our women, we
26 talk about our land. When we talk about our land
27 we talk about our spirits. We talk about our
28 traditions, our people, our elders, our children.

29 We never take it to heart that the very same
30 people that we tried to educate have gone through
31 struggles where they've gone out there and gotten
32 jobs. They've gotten through grade 12 and
33 whatever. When they go out there the prejudice
34 is still out there. Always has been.

35 The issue around missing and murdered women
36 has to be a priority. And across Canada.
37 Constantly, because prejudice is always a factor
38 in Canadian -- in our lives as indigenous people.
39 And for me standing in front of you as
40 commissioners right now, there's nothing more
41 important than having my people relaying their
42 messages, because my sister Barbara, if the idea
43 -- if the idea was, it never got investigated,
44 she could have been lying up there right now.
45 Nobody would have known.

46 We have laws about murder. We have laws
47 about everything in our lives and we as

Hearing - Public**Greta Jack, Lorraine Dawson, Allan****Heather Allen, Jane Carlick****(Barbara Jack)**

1 indigenious people are supposed to adapt to that.
2 How could we adapt to it when the issue around
3 missing and murdered women has not been dealt
4 with. They're still fishing our people out of
5 the Red River in Manitoba today.

6 The thing that I want to share with the
7 people here is I'm a traditional person, I was
8 brought up in a bush. And I wish in my life
9 right now that life would have been at a
10 standstill where I could still be out there and I
11 could be in a sense, but time is of the essence
12 as they say. Oh, I watch and my life as a child,
13 for my parents fought, the abuse of women was a
14 reality in my life, past tense. In today's world
15 we make it an art. Because right now the
16 confidence that we've taken from our women in
17 residential schools, it's working pretty damn
18 good, because the women that are abused in our
19 communities, go back to their abuser. And
20 there's people that call them stupid. When are
21 they going to learn. When are they going to get
22 a life. They'll get a life when the professional
23 people put the word worldwide that abuse to our
24 women stops. If we have laws that are supposed
25 to make our lives better and they're written down
26 on books, then why aren't our lives getting
27 better?

28 When you break it down the real governments
29 that should be acknowledged are the citizens of
30 Canada. Not the people that have money that can
31 sit in front of lawyers and government
32 representatives. Laws were made because of
33 people. They were made because our women were
34 murdered. They were made because of drugs and
35 alcohol. And I'm going to say something that
36 probably very few people say, the very laws
37 support drugs and alcohol. Because I'll say
38 another thing, it's in our pharmacy's. It's
39 killing our people. The food that's in the
40 market, it's killing our people. We have sugar
41 diabetes, we have cancer, you know, do you think
42 that God that we pray to everyday decided he's
43 going to invent cancer? No, no, no. That's not
44 what God's are made for.

45 We have to start looking at the realities
46 around our lives as human beings and start
47 working with that. Do an assessment. We make

Hearing - Public**Greta Jack, Lorraine Dawson, Allan****Heather Allen, Jane Carlick****(Barbara Jack)**

1 laws to stop everything and nothing ever stops.

2 Going back to my sister, I knew her when she
3 was a child and starting to grow up and ... I
4 remember in my life when there was -- when I
5 acknowledge where my brothers and sisters went.
6 And I lived in wood camp. We had a crib that was
7 about four feet long, about three feet wide,
8 somewhere in there and we were just small kids,
9 we had four children in there, we had a tent
10 frame about seven by 14 and were -- somewhere in
11 there anyway, it was a tent frame. We lived a
12 beautiful life out in the bush, but eventually
13 alcohol and drugs and whatever got a hold my
14 family and, you know, you see the fights that
15 went on between my parents and -- and I'm going
16 to be straight up, like it's something that -- I
17 mean you talk to people and they say well that
18 happens in every family. Here I am standing in
19 front of people that say, "Hmm, hasn't happened
20 in mine." You know, but the thing about it, the
21 system that was built on abuse to women was built
22 with alcohol. It was built with residential
23 school.

24 You know the saying that they want to take
25 the savage out of the Indian, it's alive and well
26 today. How many people know that. How many
27 people that have gone to schools, that have gone
28 to universities, have gone to college, know that?
29 We need an education on our education. Because
30 if we don't start doing things in a proper
31 fashion this will continue. And we could write a
32 million other laws and our women in Canada will
33 never be protected. Never.

34 So, I know time is of the essence, and that,
35 you know, there's other families that want to
36 speak out, but there was a time in my life where
37 I wanted to stand up in front of people and say
38 how I felt. It never came. It never came
39 because the dollars and cents that came from
40 Department of Indian Affairs never supported any
41 lifestyle that we lived traditionally as a
42 people.

43 I think that -- I want to share a moment
44 with you and it's coming from residential school.
45 I was one of the very few children that ran away
46 from school, because there was about three of us,
47 and sometime in the winter time, sometime in the

Hearing - Public

(Barbara Jack)

1 springtime, sometime in the -- you know, whatever
2 time of the year, as long as I had a chance, I
3 wasn't going to stay in those schools. You know,
4 I got beaten up, I got abused, the whole nine
5 yards. I went to this one café, I had already
6 hitchhiked 15 miles away. I walked into this
7 café, my hair was all dusty, it was pfff, I was
8 tired, I didn't really give a shit, I was about
9 six years old, five/six years old, I can't really
10 remember, I got to have been about six anyway,
11 and this one lady she said, "The bathrooms over
12 there on your right, behind the counter." And
13 she said, "Just make it fast." And I could hear
14 her talking because them days the walls were
15 thin. And the -- she was talking with that lady
16 and I couldn't hear that lady what she had said,
17 but she said, "Yeah, I know." She said, "I could
18 throw them out," she said, "But there'll be just
19 another one coming in the next day." There was
20 other children running away from -- or running
21 away from school also. So it was on a consistent
22 basis, the children ran away from those schools.

23 I think that if we want to do a proper
24 assessment again, that we have to, and you as
25 commissioners, connect the dots. The answer
26 isn't on the policies, it's not on the
27 guidelines, it's on the person. I'm one of them.
28 Because the story I just shared with you, you
29 didn't even know that, within the last five
30 minutes, you didn't know what I was about. And
31 it's time we learnt that in Canada, what
32 aboriginal people go through and why we want to
33 stop it. Our women need protection. They're the
34 bearer of our nation. They're the protector of
35 our children. If we don't have that, I could
36 never have been here if we had -- if my mother
37 was killed in residential school. She went to a
38 school where she was abused. I know women my
39 mom's age that have children from the people that
40 are supposed to protect them. And does that
41 continue today, I'm not going to answer that.
42 I'm going to leave that for the legal people to
43 look at it and do an assessment on it. Because I
44 think a lot of our people came here to this
45 inquiry around missing and murdered women to get
46 answers.

47 So I'm going to let it go at that and I just

Hearing - Public**Greta Jack, Lorraine Dawson, Allan****Heather Allen, Jane Carlick****(Barbara Jack)**

1 want to acknowledge the people that have
2 supported this and I think this inquiry is
3 something that has to be strengthened. We need
4 a solid foundation under our feet. We need
5 something to work off. We need more people that
6 can come in and say we need protection of our
7 women. 'Cause the way I look at it as man, is
8 that if it wasn't for our women I wouldn't be
9 here today, so I thank all the women on the face
10 of this earth, no matter what race, no matter
11 where they came from. (Aboriginal language
12 spoken)

13 JOAN JACK: I just have to add a little something
14 before I invite, as the family facilitator,
15 before I invite other people to share, you know,
16 where I'm from in Manitoba there's a lot of men,
17 not to slam the men at home, but there's a lot of
18 men that stand up and pontificate about how women
19 are the water bearers and women are the backbone
20 and so on and so forth, but I want to tell you
21 I've been married to him 25 years and I have
22 pissed him off. And he has never raised a hand
23 to me. (Laughing) Not once. And that's the new
24 norm in our household. So, I just wanted to back
25 him up.

26 So I wanted to invite the Elder Jal Tun
27 first, if he wanted to say anything? Or -- yeah,
28 you want to share. Another man who doesn't hate
29 anybody.

30 ELDER JAL TUN: Good afternoon again. My name is Jal
31 Tun and I'm so filled with emotions, you know,
32 after listening to the family, you know, I grew
33 up beside and I got to know each and every one of
34 them and our families are huge, but it's still,
35 when there's one missing out of the family, that
36 hurts. And with our family, with our traditions,
37 the women are the leaders, they govern a lot of
38 our society. It's just today, that's been
39 happening for thousands of years. So, before the
40 European people came our people were at one with
41 one another, we knew where our women, where they
42 supposed to be, they were supposed to be up, but
43 it seems like in today's society we have to start
44 turning the concerns back onto the government.
45 Educate the law, educate RCMP on how to talk to
46 our people. You don't just come into a society
47 and start calling them down because of whatever.

Hearing - Public**Greta Jack, Lorraine Dawson, Allan
Heather Allen, Jane Carlick
(Barbara Jack)**

1 RCMP need education. Our people, they've
2 been trying to educate us in the proper way for
3 as long as I can remember. But thank you, those
4 teachings are the wrong ways. Especially through
5 the government, through the Church, and now how
6 the laws repressing us from talking out and
7 protecting -- protecting our women. They seem to
8 shrug it off.

9 The Church has a record that is despicable.
10 When I went to residential school that's when I
11 first recognized that our -- or the government
12 was not even looking -- or considering our women.
13 After seven years in residential school I never
14 saw my sisters for four years. When I came home
15 they told me my sisters were passed away and ask
16 why didn't they tell me. They said they didn't
17 want to disrupt my education and school. So you
18 can imagine the shock, because the women are our
19 biggest part of our life and I'm proud to say it
20 now because I've lived a life, I lived the wrong
21 type of life when I came out of residential
22 school and now I look back, I look back and I'm
23 putting things into prospective the Native way.
24 I look at our people in a Native perspective. I
25 look at our women differently. I try to talk to
26 them in the proper way and give them all the
27 respect that's possible, 'cause that's our
28 culture.

29 Now, if anything comes out of this -- this
30 type of work that's going on, let it be education
31 for the government and the authorities. They
32 know our ways. But we have no respect up to now
33 and hopefully the whole world will -- the
34 Canadians will turn around and look at us
35 different and look at our women different and how
36 they absolutely took our culture and really tore
37 it apart. Now, we're not -- we're not just
38 asking we're telling, things have to be put back
39 into perspective. Hopefully it's going to be
40 starting now.

41 JOAN JACK: Thank you Jal Tun. Maybe ask your mom if
42 she wants to say anything first, 'cause she knew
43 Barbara. Did you want to say anything Jean?

44 JEAN: [indiscernible].

45 JOAN JACK: Okay. Awesome.

46 JEAN: I just want to talk about Barbara a little bit.
47 Barbara Jean and I are about the same age. We

Hearing - Public**Greta Jack, Lorraine Dawson, Allan****Heather Allen, Jane Carlick****(Barbara Jack)**

1 kind of hung out together when we were very young
2 teenagers, 'cause me too I ran away from home and
3 I lived on the streets of Whitehorse when I was
4 very little, same old as Barbara Jean. I think
5 she's either, she's probably one year younger
6 than me. That close, so ... We hung out for a
7 little while in Whitehorse here when we were
8 living on the streets when we were 14. I think
9 Barbara went missing when she was 14 and I
10 remember my last time with her and it wasn't
11 really good. We got into some pills or
12 something, but that was the last time I saw her
13 and as the years went by I thought of Barbara
14 Jean a lot. I know my kids, my daughters
15 remember me mentioning her lots of times
16 throughout my life and I ask myself, "Where's
17 Barbara, how come nobodies looking for her." I
18 asked myself that, "Why, why do they -- is she
19 not important." And I question myself over and
20 over about that throughout the years because I
21 don't know what's going on. And then my cousin,
22 Angel, another one that went missing and to me
23 the way it feels looks to me as like nobody's
24 going to do nothing. Nobody's going to do
25 nothing about it and try and find out why they
26 went missing. That's hard. You know, I don't
27 know Barbara Jean that much, but I know she drank
28 lots just like I did. And we ran away from home
29 and were homeless. It was hard, you know, we
30 lived in the ship down here at the shipyards.
31 That's where we lived. And I don't know how
32 long. Then all of a sudden she was gone and I
33 never seen her again. And that's hard when you
34 see your relatives disappearing and nobody
35 looking for them.

36 I just wanted to share some of the feelings
37 that I went through with my cousin gone and I
38 still feel like that today. It still feels like
39 to me that nobody's doing anything.

40 Thank you very much for listening, that's
41 all now.

42 JOAN JACK: (Aboriginal language spoken) I wanted to
43 ask her daughter Helen if she would share with
44 us. Helen's a very important person in our
45 lives. She's the hope.

46 HELEN: Hi. So, I don't speak in front of people very
47 much. I'm a little bit emotional after my mom's

Hearing - Public

(Barbara Jack)

1 crying, so just give me one second.

2 So I was quite blessed as a child. Like
3 there was chaos, there was craziness, but there
4 was also some blessings that I received. One was
5 my grandparents. I was like the apple of their
6 eye. Their first grandchild, so I got a lot and
7 a lot of love put into me. Another one of my
8 blessings was my mom. She's a story teller.
9 Like, you wouldn't know it to speak to her unless
10 you are beading with her or working on regalia or
11 going for a drive or sitting around a campfire,
12 but she tells stories and she tells them well.
13 And so through her eyes I've been able to see
14 some things about my people. And so, like, Bryan
15 talked about how he would run away, my mom told
16 me those stories, but she told them in a light
17 where she was so proud of him and he was like
18 their hope. Like, he had such strength and
19 courage and he didn't believe them when they told
20 him that he had to cross a deadly river to get
21 home because he knew which way was to get home
22 and he went that way.

23 Also like another, I don't want to name
24 names because I don't want to share peoples
25 stories without their permission, but another
26 person who took the strap and they couldn't break
27 them, they couldn't make them cry. And then the
28 other stories too that she's told me about are
29 stories about, you know, tragedy. About her
30 friend Barbara Jean going missing and them
31 finding her on Grey Mountain and how she knew
32 that the police didn't really care and it was
33 more likely that the police would take somebody
34 up Grey Mountain and harm them than find out what
35 happened to Barbara Jean.

36 And so, I was able, I've had the opportunity
37 to hear these stories of strength and courage and
38 resistance of my people and also to hear these
39 other stories and a lot of them about the chaos
40 and the craziness and the harm that came to our
41 people.

42 But one of the things in sharing my story
43 with my Auntie Joan that came to me was that it
44 was normalized. Like those stories that my mom
45 told me about Barbara Jean and the police not
46 really caring are not really, you know, there was
47 no faith that they were going to do anything

Hearing - Public
Greta Jack, Lorraine Dawson, Allan
Heather Allen, Jane Carlick
(Barbara Jack)

1 about it, that was normal. That was common.
2 That women were being abused inside their homes,
3 outside of their homes, they weren't safe out in
4 the community, that was normal. That was the
5 common reality that I grew up with and that's a
6 bit challenging for me 'cause I have nieces and
7 such and young women that I love and I don't want
8 them to grow up in a world where they are unsafe.
9 And they are more unsafe specifically because
10 they are aboriginal. Because of the colour of
11 their skin and where they come from.

12 I also work with women and children who are
13 fleeing violence and so statistically women are
14 more likely to be assaulted, abused, sexually
15 assaulted by someone they know. That's the
16 statistics. But when it comes to Aboriginal
17 women, we are just as likely to be abused,
18 assaulted and murdered by someone we don't know
19 as someone we do know. And so it heightens our
20 risk and it's because of -- like because we're
21 Aboriginal and where we come from. That's what
22 causes our history of residential school and such
23 that's what's causing us to be at higher risk.

24 And so with the missing and murdered
25 Aboriginal Women Inquiry, when they were calling
26 for it, you know, I thought about it and I went
27 to some of the talks and I asked, I think Amanda
28 this question one time, like, what is -- what's
29 going to happen with this inquiry that's going to
30 help me look at the woman across the table from
31 me and give her something to help her stay safer,
32 to make her hope brighter, to make children's
33 hopes brighter. I didn't get a very clear
34 answer, but that's something I'd like you to keep
35 in your mind is that at the end of the day I want
36 to be able to provide something to these women
37 that I sit across every day and that'll make them
38 safer. Thank you.

39 JEAN JACK: (Aboriginal language spoken) We have one
40 more Tlingit community member here. I wanted to
41 know if you'd like to share anything Yvonne. In
42 our way, in the law, we can't leave anyone out
43 who belongs, hey.

44 YVONNE JACK: I didn't know Barbara Jean as I was
45 quite a bit younger than all of these old guys
46 here. (Laughter) But I do remember the impact
47 when Barbara Jean did disappear, because of

Hearing - Public**Greta Jack, Lorraine Dawson, Allan****Heather Allen, Jane Carlick****(Barbara Jack)**

1 course my mom is the sister of Auntie Gloria and
2 it was quite an impact when we talk about our
3 reserve. Our reserve is very small and so we
4 were all impacted equally about this tragedy.
5 And again we talk about there has been many
6 stories about the impacts of residential school
7 and the chaos that we were all surviving in. And
8 it was a real traumatic time because the -- on
9 our reserve there wasn't one family that wasn't
10 touched by that kind of physical violence. There
11 wasn't one family that didn't have -- that the
12 women weren't -- the women weren't held up, the
13 women were very abused by their partners.

14 And so when you look at those kinds of
15 things, again I need to say I'm much younger than
16 these guys, (laughter) and when we look at how
17 times have changed and we're getting a lot more
18 education around the different things in one
19 generation.

20 I want to share one story of when I was
21 young. I was sitting with my mom and we were
22 doing something together and she looked at me
23 right out of the blue and she said to me, "Have
24 you ever thought about getting married?" And I
25 said, "Yes, I have." And she said, "What kind of
26 a man would you like to marry?" And I said, "I
27 would like marry a Chinese man." And she said,
28 "A Chinese man, why a Chinese man?" And I said,
29 "Because they're short like me and I could really
30 fight back when he wants to beat me up."

31 (Laughter) You know, it's sounds kind of
32 comical, but at the same time when you think
33 about that when you're 10 years old, that really
34 tells the story of what it was like and what we
35 had to endure as a people. When we look at the
36 impacts of residential school. And how those
37 residential schools really bred anger, bitterness
38 and resentment. Not only with our parents, they
39 actually fostered that with their children,
40 because they know -- because they didn't know any
41 different.

42 When we looked at those kinds of things,
43 that's exactly what we're starting to come back
44 from. So when we talk about funding for healing,
45 I think it's important that we talk about not
46 only that, but as well the duration of that
47 funding. It's tragic when there's funding for a

Hearing - Public
Greta Jack, Lorraine Dawson, Allan
Heather Allen, Jane Carlick
(Barbara Jack)

1 year or two. Thanks, but no thanks. That
2 doesn't work.

3 In order to be able to create some healing I
4 think it's really important that looking forward
5 we really start to -- we've heard time and time
6 again I think, not only in this particular
7 inquiry, but also in others where they say
8 looking at our traditional ways and having the
9 ability to be able to bring some of those things
10 back.

11 I work, have always been a support person my
12 whole entire life and there's a common thread
13 here that continues where we just really need to
14 start looking and there's a lot of us that are
15 focusing a lot more on our well-being and that's
16 a real big plus.

17 When we look at most of the families in the
18 Yukon, most of us have been touched by
19 residential school and of course there's a lot of
20 turmoil that we still face today. So I just want
21 to say (aboriginal language spoken) for listening
22 to me.

23 JOAN JACK: All right. Well if there's nobody in the
24 family that has anything burning. Is there
25 anything burning, you're all okay. Burning,
26 done. (Laughter) Okay then I guess it's my
27 turn.

28 I don't want to stand with my back to you.
29 Let's switch spots.

30 So I know we've gone way over time. There's
31 so many things racing through my mind. I'm not
32 going to speak about Barbara Jean because I
33 didn't know here and you've heard from my family.

34 As a woman, as an indigenous woman, for me
35 it's really about power and place. You know, and
36 our power and our place, without power and place
37 and recognition and provision of the same, we're
38 not able to fulfill our responsibilities as who
39 we are in our communities.

40 I'm very grateful to my adopted family, you
41 know my husband's family for indulging, you know,
42 and allowing me to share this platform with them
43 and I've asked their permission and they're okay
44 with that. 'Cause I'm really concerned about
45 some of the larger issues. There's a saying, you
46 shouldn't judge a book by its cover and you never
47 know someone's story. You know, when you see a

Hearing - Public

1 strong resilient indigenous woman standing there,
2 it's more -- it's probably more appropriate that
3 you assume, unfortunately, if she maybe, I don't
4 know, 15 or older or what, that she's been raped.
5 You know, that she's been beaten. Like for me, I
6 can say I've survived all those things. You
7 know. I've survived rape on more than one
8 occasion. You know, I've survived domestic
9 abuse. I often joke and say, you know, Bryan is
10 my third husband, third time lucky girls.
11 (Laughing) Don't give up. You know, don't
12 settle and that's the hard part, that the
13 oppression has caused in all of us, men or women,
14 is that we tend to settle, you know, and we get
15 comfortable and we even get -- you can even get
16 comfortable with pain. You know, you hear people
17 say that in the books and stuff, but I've learned
18 that from Bryan, you know, watch and going out in
19 the bush so much with him and being in literal
20 pain that after a while when you're hiking
21 between Atlin and Dunakanaw (phonetic) it hurts
22 so much that you're just like okay with it. And
23 that's how we kind of get in life too. And in
24 some situations that's okay, but as a woman, it's
25 not okay and my job today and in this lifetime,
26 appears to be making space and holding that space
27 all the time.

28 I have daughters, you know we have
29 daughters, and I've raised many Tlingit daughters
30 as well. You know I brought Mia's regalia here
31 today, you know, because her grandmother is one
32 of my husband's sisters who is having a hard time
33 now. She's on the street somewhere right now.
34 Today here in Whitehorse. I'm sure. You know
35 the last time we saw her she was drinking and
36 having a tough, tough time. So I brought her
37 grandchild's regalia, you know for her.

38 I also wanted to say in general about the
39 Inquiry, you know, I did go on Facebook and do a
40 whole bunch of lives and I have been doing media
41 work and I will be doing more media work, that I
42 think it's really critical that people in the
43 positions of power and decision making be
44 indigenous. And I don't -- I didn't personally
45 have a difficult reaction with learning, just
46 now, today, that you were, you described yourself
47 as a settler to someone, I didn't realize that, I

Hearing - Public
Greta Jack, Lorraine Dawson, Allan
Heather Allen, Jane Carlick
(Barbara Jack)

1 thought you were Inuit, but I'm not Inuit so I'm
2 not going to say anything about that. And I
3 actually think at the Commissioner level, it's
4 really good to have Canada represented in the
5 fullness of, we're kind of missing a couple of
6 colours, but, you know, in the fullness of our
7 country, but within the organization I did a
8 video yesterday about how as a woman, I can only
9 speak for myself, and my husband talked about, or
10 somebody, one of you talked about how they keep
11 moving the bar. They keep moving the bar. Every
12 time we get educated the bar gets raised and
13 somehow we're just never good enough. Especially
14 as women. You know.

15 There's a big debate, I'm kind of off track
16 here a little bit, sorry, there's a big debate in
17 Manitoba right now about should women wear
18 headdresses, and you know that's one thing I love
19 about Tlingit culture, is that because it's
20 matrilineal and matiarcle (phonetic) to a degree,
21 the women's place as Jal Tun said, legally is
22 clear. The women are in charge. It's sad for
23 you if you don't have a Tlingit mom, like I'm not
24 a Tlingit mom. It's very sad for my children
25 that they don't have a Tlingit mom, because we're
26 fighting our way back into the position of the
27 government. Into the position of privilege that
28 you're born into when you Tlingit mom. So the
29 women are in charge in Tlingit country and that's
30 the legal part of it in terms of Tlingit law.

31 I just want to tell one little story about
32 Jackie Williams too and his son was here earlier
33 When I first got out of law school, Yvonne's dad
34 said to me, I want you to do two things, he said
35 I want you to throw out the Indian Act and I want
36 you to raise money for land planning and that was
37 in 1991. So in 1991, the Taku River Tlingit
38 First Nation had the foresight to be thinking
39 about getting rid of the Indian Act and getting
40 money for land planning before anyone even
41 thought of land planning. Sylvester and Jennie
42 Jack were doing that. And so I was doing the
43 research with all the Tlingit people and sitting
44 and listening and listening, and even I talk a
45 lot I'm super good at listening and Jackie
46 Williams was describing, I said, "Well what
47 about, like who talks for the house and who's in

Hearing - Public
Greta Jack, Lorraine Dawson, Allan

(Barbara Jack)

1 charge?" and he said, "Oh well the men, the men
2 talk for the house." And I thought to myself,
3 huh, I said, "Well that's kind of no good." And
4 he said well that's the way it is. He said, "In
5 your house your husband talks for the house." I
6 said, "Oh okay." I said, "Well what about if
7 he's a bull shitter. What about if he just goes
8 and says whatever he wants. What about if he
9 doesn't talk to anybody in the house? What about
10 that?" And he looked at me and he said, "You'll
11 be sitting on the other side. You're the
12 opposite clan. Get up and leave," he said,
13 "we'll all know he's bull shitting." (Laughter)
14 That's a veto ladies. That's a veto. You
15 know in the court of Tlingit public opinion,
16 that's a veto, you know, so if you're sitting --
17 what he taught me was that if your sitting in
18 clan, like, Jal Tun used to always talk about
19 that to me too, that if we sit in our places and
20 we wear our regalia we are in the law, the laws
21 alive. So I would never sit beside my husband or
22 behind my husband as some people would imply, I
23 would sit across from my husband. Keeping him in
24 check. (Laughter)
25 And so things like that that are Indian
26 indigenous laws, even for us as Ojibway, and I'm
27 not here to talk about that, there's all kinds of
28 ways that we have place that may not look the
29 same as a white feminist, but they have as much
30 or more power and that's the work of the Inquiry
31 that I think really needs to be done.
32 Looking at the ways in which we as
33 indigenous women are to be treated so that we can
34 grow our girls up into those places and teach our
35 men what their roles are as well. I worry more
36 for the men than I do for the women, 'cause you
37 cannot take away a women's place as a mother,
38 ever. Whether she has children or not, she's
39 going to be somebodys auntie, you know, she's
40 going to be like -- our -- but with men, the
41 economic role of our men, like you heard some of
42 the testimony here, Bryan's their father, he used
43 to hunt for the White people in Atlin when there
44 was no extra foods. You know, so we used -- they
45 used to sell -- they used to sell the meat
46 because they didn't know how to hunt. They'd get
47 to Atlin they'd be hungry. They'd go see Henry

Hearing - Public
Greta Jack, Lorraine Dawson, Allan
Heather Allen, Jane Carlick
(Barbara Jack)

1 Tad Jack and say I'm hungry. He'd go kill a
2 moose, he'd get paid, he's buy a tin stove.
3 That's what was allowed. That's what happened
4 all over this country until our men weren't
5 needed anymore. Until the White men started
6 hunting for themselves or going Safeway or Extra
7 Foods. So the place, the economic role of our
8 man is something that the Commission should be
9 looking at strongly because as Helen said, we as
10 indigenous women are just as likely to be killed
11 by our own people, like all women she said, are
12 more likely to hurt by their own, somebody they
13 know, and so it's double for us. The racism my
14 husband talked about, we're likely to be killed
15 at home and we're likely to be killed when we
16 leave home.

17 So I don't mean to be rude, but I think the
18 Commission needs to focus on, like you've heard
19 from our family and our community, helping us
20 reconcile. The dead law, which is common law,
21 like this is the way I teach the difference
22 between the common law and indigenous law to
23 Elders. "Have you ever speeded." And they're
24 like, "Well yeah." "Okay, well you broke the
25 law. When you got to Whitehorse you should have
26 went right up to the court house and said, 'Shit
27 on the way from Atlin I was speeding and could
28 you give me a fine.'" You know. The White laws
29 dead unless you're caught and convicted. And
30 even then nothing might happen. It's a dead law.

31 Like my husband said it's not the law that's
32 going to help us. The law that's going to help
33 us what, how the Commission responded to our
34 family. "It was hard, I got a headache." But
35 the Commission adjusted to us not wanting to
36 affirm, 'cause I didn't just say that out of the
37 blue, you know. So the Commissions adjusting.
38 That's indigenous law at work. You adjust to the
39 situation. You respond respectfully to the
40 situation.

41 So I just want to recap too what Yvonne was
42 saying about the funding, you know. If Canada
43 really valued women in general, all women in
44 Canada are constantly begging for funding.
45 Begging. Like, what is that, you know. I call
46 bull shit on Canada, sorry. You know. And if
47 they're really concerned about us, maybe you

Hearing - Public
Greta Jack, Lorraine Dawson, Allan

(Barbara Jack)

1 could give us indigenous women all the money we
2 need and we'll help the other women. (Laughing)
3 I'm sure they would welcome our help. But this
4 is really about the money.

5 You could just look, I'll -- I don't want to
6 take peoples time, but one more example about the
7 land, like you can see what Canada values as a
8 State and it values perpetuating the lie that
9 this is not indigenous land, 'cause we are of
10 more value within the Canadian State broken and
11 not able to go out on our land. We create jobs
12 for people in jail, we create jobs for social
13 workers, now they're probably going to fund a
14 whole bunch of women's shelters, which they
15 should, but, you know, we are so much more than
16 our pain and we are in this pain because of what
17 you're doing. If you'd stop doing what you're
18 doing we wouldn't be in this pain. But then you
19 wouldn't need all the jail guards, hey.

20 (Laughing)

21 So, the best thing we can each do, I think
22 as women, is sober up. Sober up. You know it's
23 hard. I'm an alcoholic drug addict too. Okay.
24 Hi, my names Joan. You know. I'm also a chip-
25 aholic. (Laugh) Sober up. Find the help you
26 need and like Greta said you might have to knock
27 and knock and knock and knock, 'cause I don't
28 have a lot of faith that this process is going to
29 produce anything, really. It's going -- and so
30 that's what I said to my family, well why should
31 we come? I'll just close with this. Why should
32 we come? I said because we'll heal ourselves.

33 (Laughing) If anything we can find
34 reconciliation within our family, you know,
35 because, you now, last week Greta and I were mad
36 at each other, but now we're not because we've
37 used this process to continue our family healing
38 and I would like to see that come out of this.
39 That there needs to be a conflict resolution
40 process developed by the Inquiry that could be
41 given to Helen in a pamphlet, a booklet, or
42 training, so that families could have that and
43 they could learn how to resolve conflict.
44 Because we don't know how to resolve conflict
45 because of colonization. Residential school, day
46 school, somebody hurts you, you go to court you
47 sue them if you've got money and the justice only

Hearing - Public**Greta Jack, Lorraine Dawson, Allan****Heather Allen, Jane Carlick****(Barbara Jack)**

1 works for the rich in Canada. You know, if you
2 -- if you don't have money to hire a lawyer well
3 you're shit out of luck. Sorry. Sorry, it sucks
4 to be poor in Canada. So the justice system is
5 no hope. So if the Commission could find some
6 money to help us heal ourselves, we know what to
7 do. We know what to do and we know how to do it.
8 But that would require putting us in charge for
9 real, not just pretend.

10 Getting too cheeky I better stop. Okay.
11 We've gone way over. I think I should just sing
12 the last two stanzas and then -- oh but I don't
13 know, did you have any? I don't know.

14 KAREN SNOWSHOE: Chief Commissioner, Commissioner
15 Robinson, do you have any questions for this
16 family? No. Okay. Before you do the last two
17 stanzas, I just want to apologize to your family.
18 I neglected to offer tobacco to the other
19 speakers, so I don't know if it's too late to do
20 it, but I just know that some people would like
21 to place their tobacco in the sacred fire. So if
22 that's okay. Yes.

23
24 (TOBACCO GIVEN TO FAMILY MEMBERS)

25
26 JOAN JACK: So you may have gathered that the big
27 thing I think that speaks to our resilience is
28 humour and teasing, so poor Karen has been teased
29 already about wanting, you know, she's paying a
30 referral fee to my sister-in-law's to go find
31 somebody. (Laughing) But I got to tease her a
32 little bit more. Yeah, she's gotta hit the bank
33 machine first she said, but I want to tease her a
34 little bit more. She was so nervous she brought
35 her mother. (Laughing) Her mom is here and I'm
36 -- we're really happy and so I'm really happy her
37 mom's here and we're really happy your daughter
38 was with us. She is very good -- very good to
39 us. Your daughter treated us really good and I'm
40 happy about that so I wanted you to know that.
41 That's what we do when we're nervous, we bring
42 our mom. (Laughing)

43 Okay. Like I said in case someone just
44 tuned in, we own our songs, we own stuff. Don't
45 let anybody think you don't own anything. So in
46 case anybody in Clucupmoke (phonetic) is watching
47 this and sees me sing this and they're going to

**Hearing - Public

1 be like, what the heck, you know, so even though
2 I don't sing it like Inclucupmoke people, like I
3 said, I'm Ojibway, but Kwankoshakley taught me
4 this song and I felt to sing the first two
5 stanzas, 'cause it's a travelling song and we
6 went on a journey together today and I'm just
7 going to sing the last two and again I'm so
8 thankful to you Kwanko (phonetic), I don't know
9 if you'll ever see this, but, yeah, she's a

23 CHIEF COMMISSIONER BULLER: Ms. Snowshoe are you ready
24 to start?

25 KAREN SNOWSHOE: Yes.

26 CHIEF COMMISSIONER BULLER: Good.

27 KAREN SNOWSHOE: Thank you Chief Commissioner. Thank
28 you Commissioner Robinson. It is my honour to
29 introduce you today to Gina Gill.

30 Sitting in support of Gina is her daughter
31 McKenzie, McKenzie Gill and thank you for coming
32 in support of your mom McKenzie, I know it means
33 the world to her. And I understand that you have
34 a friend Kim, sorry, McKenzie's friend -- cousin.
35 Okay, McKenzie's cousin and your niece, Kim Gill
36 as well, thank you. And our Elder Roger is here
37 in support as well. Thank you.

38 So before I welcome you to share I
39 understand you've prepared some notes of things
40 that you would like to share with the Commission
41 today. Thank you. And I understand that you've
42 travelled all the way from Pelly Crossing, so
43 thank you for coming here today.

44 So before I ask you to begin, I'll just ask
45 you to maybe swear on the Bible. And that's --
46 you've chosen the Bible as the way to swear that
47 what you'll be telling today is the truth.

Hearing - Public

1 Gina Gill, do you swear that the testimony

GINA GILL, sworn.

9

KAREN SNOWSHOE: Thank you. Gina, I'd like to offer

20 Good afternoon, my name is Gina Gill. I would
21 like to first take this opportunity to say thank
22 you for inviting me to be a part of this. This
23 process has been amazing. It's been inspiring
24 and also has given me strength. I would like to
25 acknowledge my family for their support and their
26 guidance that has made me a strong woman. So I
27 would just like to get started.

So, and myself personally, I've been through
a lot. I was a victim of a home invasion a few
years ago, with my daughters were present at the
house. My ex came in and wasn't happy with my
new relationship and they brutally beat and
stomped on all of them and then continued to
fight me, broke my nose and my children had to
run across the street and call the RCMP. And the
whole process was horrifying. You -- you get
revictimized through the whole process. But

Hearing - Public
Gina Gill

1 there's a lot of other issues that take place.
2 And as soon as a woman does speak up about any
3 violence or any wrongdoings, there's lies made up
4 about you. You're threatened. You learn the
5 family dynamics very quickly in a small
6 community, because it creates division. So and
7 I'm still going through that to this day.

8 I don't appreciate the lies being made up
9 about me. I come from a very strong traditional
10 family. I know my values. I hold it very close.
11 I'm a very honest person, so to have people going
12 and saying that I'm not is not okay with me.

13 There's a lot of reasons that women fall
14 into these situations. The residential school
15 affects that have taken place, they're
16 intergenerational. It affected me. My mother is
17 a residential school survivor and my father is
18 the son of a war veteran, so I grew up, you don't
19 talk about anything, you be tough, you don't be a
20 baby, you work hard, you keep your values and
21 take care of your children, you honour your
22 family, but I also see a lot of other people who
23 chose a different way. Fighting -- family
24 fighting over wrong. They don't want to help
25 good people. They see bad in the good people.
26 They only help their own family and praise their
27 own family when they are not doing right. They
28 -- a lot of people seem to have no compassion or
29 empathy and there's a lot of false pride. You
30 have to work to be proud of yourself. You can't
31 just claim that. You can't just put on a vest
32 and say I'm traditional. You have to walk the
33 talk and a lot of us we were taught not to speak.
34 You don't speak up. You don't talk about
35 anything, you just take it and you carry on.

36 So in my age, most of the women are second
37 or third generation survivors and that being
38 taught don't speak don't talk about anything.
39 And they grow up with low self-esteem. They have
40 trauma issues, they have low education, no
41 identity, no worth, no respect for themselves.
42 They're just lost. I was there. I was
43 absolutely lost. I didn't know who I was. I
44 grew up in Saskatchewan. I moved back in the
45 Yukon when I was 16. Quite a culture shock. But
46 now today I'm very proud of who I am and I want
47 other women to be proud of who they are too and

Hearing - Public
Gina Gill

1 you can get through it. You can get through
2 anything. If I can do it, you can do it too.

3 So with having these sort of things growing
4 up it leads women to unhealthy relationships and
5 especially if a man has been catered to and not
6 taught right, it's hard to get away from them.
7 It's hard to realize they're the ones that are in
8 the wrong. They turn it around and say it's you.
9 Tell everybody they know that it's you, when it's
10 actually them. I found out that men do not like
11 to be told no and they do not like to be called
12 on their actions.

13 My family drilled in me the values to
14 respect all. And I do. But I'm judged. I'm
15 still judged for my past when I was very young.
16 I'm judged for helping others who are in need,
17 because they think I'm not doing good in my life
18 if I'm affiliating with these people. I'm trying
19 to help them. That's what I was taught. It
20 doesn't matter if it's a Minister or if it's
21 somebody on the streets, you treat them the same
22 way.

23 But it also led me to pick wrong men in my
24 life. Men who claim that they were good. They
25 come from good families. It doesn't mean they're
26 good. And you don't realize that until you're a
27 ways in and it's very hard to get out of that.

28 So we need to address the residential school
29 symptoms and the effects. We can't take it
30 anymore and we need to be very strict with it.
31 We need to address the negative behaviour and
32 attitudes. The unhealthy relationships
33 definitely needs a lot of work, because all
34 actions have accountability and responsibility
35 and we have to make it right. We need to look at
36 the Justice system and make serious changes
37 because the victims in the families get
38 revictimized by all the agencies that are
39 involved. And then we need to do a lot of work
40 on healing. Many options, many, many options
41 here. We must find a way that everyone can let
42 go of the pain, the anger and the trauma, whether
43 they think or not, there's a lot of healing that
44 needs to take place.

45 We all have a choice in how we chose to act
46 and behave and we're responsible for our own
47 actions, and I chose at a very young age that I

Hearing - Public
Gina Gill

1 did not want to treat others bad, even when I was
2 mistreated. I was told you don't stoop to their
3 level and if I stoop to their level I'll never
4 teach them or show them how you are supposed to
5 act. And when I am mistreated I take it like a
6 champ. I swallow it. I still am very respectful
7 to that person despite what they go around and
8 say about you. But, I've given out a lot of
9 respect and I would like it back now. I give a
10 lot and I deserve that back. I don't deserve any
11 mistreatment. Any people making lies about me
12 that are not true, that's not right and they need
13 to be held accountable for that.

14 We need immediate action on all of these
15 areas and that's what's going to make the women
16 and everyone feel better immediately. Make us
17 feel stronger, make us feel like we're being
18 heard, inspire us and give us strength. It'll
19 open doors so that we can do more healing, 'cause
20 I know when I see adults, my family, and my
21 parents, when they're healing it heals us.
22 Hearing all of these stories, it heals me,
23 because I know they're healing and they're
24 letting it out and the education and the
25 knowledge so that we can let the next generations
26 know that that treatment is not okay and don't
27 ever take it. You need to stand up for yourself.
28 We all know in here what's right and what's
29 wrong. That was one of my biggest issues. I
30 didn't listen to my gut. Has such a big heart
31 that I would no, no, no, I would choose to see
32 the good in you, not the negative.

33 And in a relationship, that's not what you
34 can do. You can't help people who are not ready
35 to help themselves.

36 When we were going to court and the
37 sentencing just finished in March, it was a long
38 horrific process right from the get go. We were
39 treated like we were lying and like we were the
40 ones who did the home invasion. We got no
41 support. The Crown didn't help me very much. I
42 didn't know anything. I'm very educated, not in
43 a court system. I've never been in a court
44 system, I don't know how it goes and it does not
45 go well for a victim. It's all for the
46 offenders. The Crown didn't even let me know
47 when the sentencing was taking place and they

Hearing - Public
Gina Gill

1 knew I was very passionate about it, that I
2 needed to be there, I wanted to be there, I
3 wanted it in our community so that our Elders
4 could hear and see everything. None of that
5 happened despite many people talking for me as
6 well, saying that this is what needed to take
7 place. So when I brought it up about the
8 sentencing, they said, "Oh well we, our Crown
9 support worker is vacant right now and we don't
10 have ..." So I started asking questions about
11 that. What's the turnaround rate for those Crown
12 support workers? And it's very high. Why is
13 that? We need to look into that, maybe speak to
14 the former Crown supports and ask them what are
15 some of the issues? Why couldn't they stay in
16 those positions?

17 So, and also the offender got all the
18 support. My First Nation Chief in Counsel made a
19 decision that they weren't going to help either
20 of us. The offender or the victim. Which
21 doesn't still not quite sit quite well with me.
22 I was the victim, he was found guilty and he
23 still got the support.

24 A Counsel member, Elder Counsel and worker
25 went ahead and still submitted a letter on the
26 offenders behalf. The Judge said that that
27 letter held a lot of weight for his sentencing
28 and all he pretty much got was a slap on the
29 hands. She used her title and her status to help
30 him. This was abuse of power in her authority of
31 her positions. This needs to be addressed.
32 There are a lot of unhealthy people out there
33 that claim to be healthy and we need to show them
34 and teach them that they're not and to stop
35 picking on the ones who are doing good.

36 All I've ever done is to seek righteousness.
37 My Elders all tell me I'm doing the right thing.
38 My family all tells me I'm doing the right thing.
39 But there are many people in positions of
40 authority and power that they don't -- you know,
41 they give you dirty looks, they're very
42 unprofessional. I'm way younger than them yet
43 I'm modelling what a good person is.

44 That's all I have.

45 KAREN SNOWSHOE: Thank you Gina. Gina, earlier today,
46 oh in addition, I first met you over a month ago
47 here at KDCC and we had a good chance to chat

Hearing - Public
Gina Gill

1 then, so I know a little bit about what you're
2 hoping to share with the Commissioners today and
3 again we met this morning and you asked me that
4 -- 'cause I was taking notes if there was
5 anything that you had forgotten, you asked that I
6 would be able to ask you questions, so is that
7 okay if I ask a few questions? Thank you.

8 Gina, what -- you've talked about a journey
9 of challenge and of being a survivor and I would
10 -- the way I view is that you're more than a
11 survivor. You appear to be a role model for your
12 daughter and you've spoken to me about that
13 before, can you maybe just speak to the
14 Commissioners a little bit about your
15 relationship with your daughter. How your
16 daughter has played into your healing path and
17 what your hopes would be for her?

18 GINA GILL: Years ago I spent a lot of time with my
19 grandmother. She guided me a lot and she drilled
20 into me God gave you a mouth and you intend to
21 use it, that's what you need to tell people. My
22 sisters and brothers used to say I was a little
23 tattle tale and (laughs) -- and that's all right.
24 Now I'm advocating. I'm at my general assemblies
25 right at the forefront, I fight for the rights of
26 our people, I'm very into that. That's just in
27 me, compared to the very scared shy girl that I
28 used to be. I pushed through that because of my
29 gramma. My gramma passed away when I was in my
30 early 20s, she was 93 years old and soon after
31 that her son passed away, my uncle who was a very
32 good father figure to me. In the 90s there was
33 not so much support, there was no really
34 information on grieving, what that process is
35 like, so for a young lady to do it all on her own
36 was quite overwhelming. I ended up turning to
37 drugs and alcohol to help me cope. I didn't want
38 to cope, I didn't want to think of it. I never
39 had that kind of hurt ever in my life before and
40 it was hard.

41 So at a very young age I went to treatment.
42 I did three programs. I did that all on my own.
43 I didn't have a lot of support and, you know,
44 your families, sometimes they're -- they feel
45 ashamed or guilt or whatnot. I knew I needed to
46 do it for me. As I never wanted my children or
47 my nieces to ever go through what I went through,

Hearing - Public
Gina Gill

1 to ever feel that lost feeling, to be searching
2 for their identity to know who they are. We
3 should know that. And we shouldn't have to fight
4 for that.

5 I am an auntie and the youngest of five.
6 And I'm an auntie of approximately, I think, 35.
7 I take my role very serious. My first niece is
8 only two years younger than me, but I'm very much
9 her auntie. And I knew they're all watching me.
10 And I know my aunties and uncles are very
11 traditional. They're very strict. And I know
12 they are watching me. And also my ancestors,
13 that I need to make them proud. So I dedicated
14 my life to that. I'm not perfect. I don't think
15 anyone is. But I try.

16 If anything I would internalize the pain. I
17 would never push it onto somebody and that's why
18 most of the women go down the road of alcohol and
19 drugs, is because they are too nice and kind to
20 put it onto someone else, they take it in.

21 So I did a lot of work. It's a healing
22 journey. It's not something that I'll ever get
23 over, it's always -- I'm always learning, I'm
24 always growing, but for any women out there, it
25 doesn't matter where you are in your life. If
26 you're down on the ground, you can get back up
27 and you can do it. I was down there many times,
28 not just once. And I got through every time. I
29 fought through every time. Now, it's not hard at
30 all. It's just my way of life and it's very
31 easy.

32 I have two young daughters and my niece Kim.
33 They're my inspiration, they keep me going. I
34 try to make the best choices in life and show
35 them, you have to do what's right. Even if they
36 do wrong I'm the first one to call them on it.
37 I'm not one of those families or people who, "No,
38 not my kids, not my family," 'cause that's not
39 going to help them. That's going to baby them.
40 They're going to be spoilt. Take life for
41 granted and that's not what we're supposed to --
42 we're supposed to be hard working respectful
43 loving people. So that's what I've tried to show
44 them their whole lives is to be that. So I try
45 to model it as much as I can help everybody,
46 anybody and that's what heals me as well. Thank
47 you.

Hearing - Public
Gina Gill

1 KAREN SNOWSHOE: Thank you Gina. When you first
2 started speaking about why you're so passionate
3 about this work and wanting to come before the
4 Commission, you were mentioning that there's so
5 many women who are also survivors of violence,
6 who are afraid to speak up, what message do you
7 have for those women, other women survivors, our
8 indigenous women and girls who've survived?

9 GINA GILL: I guess the message I have for them is,
10 like I said, I was the most shy scared girl ever,
11 but I pushed through. I dug deep. Prayers,
12 family, go to anybody who will support you, who
13 will believe in you and stick with them and
14 that's how you're going to get through it. When
15 we were at the pre-inquiry, there was several
16 women, I was very flattered, I was very shocked,
17 saying, "You need to speak, you need to. You
18 need to talk for us. We can't." A lot of them
19 were fearful that, you know, the same things were
20 going to happen that I was talking about. You're
21 going to get shunned for calling people on their
22 wrong. You're going to get shunned for doing
23 what's right because a lot of people aren't there
24 yet. It doesn't matter, keep doing it.

25 I walk into my community, into my band
26 office and it's not very welcoming sometimes.
27 There's some very negative people there and still
28 yet, I go in, I hold my head high, I work with
29 them, very respectful and professional to them
30 and that's where I say I want that back now.
31 I've dished it out all these years, I want that
32 back. They do not have the right to be
33 unprofessional and the status's and the titles
34 that they hold, it's sending a wrong message to
35 these children, to the next generations. The
36 youth, I work a lot with the youth, and they ask
37 me, "How come that lady's so mean. How come
38 she's -- is she allowed to say that or act like
39 that." They know it. They know what's right and
40 what's wrong, but yet they see these people every
41 day saying they're good people, when we watch
42 their actions and we know. They got some work to
43 do. But how do you tell somebody that that won't
44 see it. That's where we need a lot of help. A
45 lot of those barriers.

46 There's the division that happens in small
47 communities is amazing. It's profound. So I can

Hearing - Public
Gina Gill

1 see why a lot of women don't want to speak up.
2 They don't want more trouble. That's where I was
3 and I had a close cousin, like my sister, came up
4 to me and said, "You can't let this go. You have
5 to charge them. You have to go through it." And
6 I was like, uh, I don't want more trouble I just
7 want it to go away. It's going to cause more
8 friction. It's going to cause a family feud.
9 It's going to cause this. No, those kind of
10 actions, they break your spirit. They're
11 breaking your spirit and don't ever allow that.
12 You've come so far. You're -- they said you're a
13 victim. "What, I'm not a victim." (Laughs)
14 That's how modest I am, how strong I am, I don't
15 ask for help I just go and do it. I find out how
16 to do it on my own usually. As you can see
17 there's not a lot of support, it's because I
18 didn't ask. I didn't ask anybody to come and be
19 with me, to come and sit with me, because that's
20 not the type of person I am. Not saying that's
21 very good all the time, but it's how -- it's how
22 I am and it's helped me through.

23 There's a lot of fear out there though.
24 There's a lot of violence. People are scared to
25 stand up to it. Fear of retribution. Of anymore
26 actions taking place and I thought after all the
27 work I've done, everything I stand up for, all my
28 families beliefs and values, I got to do it, so
29 we did it.

30 Not knowing how the court system works, I
31 didn't want my children to be re-victimized.
32 That was my biggest issue why I didn't want to go
33 ahead with charges. They were so young at the
34 time. They're 12 and 14 now. That's still young
35 for them to witness an event like that that I
36 protected them from their whole entire life.
37 That was hard. Darn rights that broke my spirit.
38 I worked their whole lives so that they would
39 never go through what I went through, what my mom
40 went through, what my other family members went
41 through. I've worked so hard to break those
42 cycles. But men are very tricky. They tell you
43 what you want. Tell you when -- when they need,
44 at the most critical time they say the perfect
45 things, make you believe they're a good person,
46 make you believe they've changed, make you
47 believe they will change more, that -- and then

Hearing - Public
Gina Gill

1 you find out into it you're totally wrong.
2 That's a hard hit to take, but again I'm not the
3 type to pity myself, feel sorry for myself, so I
4 choose to uses all of these things that have
5 happened in my life for strength. I take out the
6 negative parts and I just walk with the good.

7 All these bad relationships made me strong.
8 Now, I wouldn't -- I'm not standing for that ever
9 again in my life and no other woman should.
10 They're worth more than that. We deserve more
11 than that and that's where we need to go. If we
12 all stand together, we're even stronger. It's
13 hard to stand alone. It's lonely. It's a lonely
14 life, but that's all right, it's worth it.

15 But the more of us that stand together and
16 stand up to the negatively and the dysfunction
17 and all of these residential school affects,
18 we'll see changes. I already see changes. I see
19 changes in the women. They look happier,
20 healthier. They're glowing. For myself as well,
21 I've come a long way in the past six months. I
22 had a few close family members pass away, took
23 everything out of me. That was a whole different
24 area of life. Again you take it as a lesson, you
25 grow from it and you use it for strength. Don't
26 use it that this happened to me and that
27 happened. We can't take it back. You don't want
28 to live like that. Be happy. Do things for you
29 spirit that make you strong, that make everybody
30 else strong. And that's how I got through it.

31 KAREN SNOWSHOE: Thank you.

32 Chief Commissioner, Commissioner Robinson,
33 Gina's indicated that her testimony is complete
34 now and she's open to questions.

35 CHIEF COMMISSIONER BULLER: I have a couple of
36 questions but first I want to say thank you very
37 much for inspiring everyone here with your
38 courage.

39 You said you went to treatment, was there
40 one thing that turned the world enough for you to
41 go for treatment? One thing that did it for you?

42 GINA GILL: Yes. I was in a bad relationship. It
43 was not going very well. Still to this day that
44 man is making lies about me, talking about me,
45 doesn't want to pay child support because he says
46 it's for my addictions. Well I'm not there
47 anymore. We had a domestic violence situation.

Hearing - Public
Gina Gill

1 I said no. I'm not doing this. That was in
2 2004, so I took me and my little children, they
3 were very small, McKenzie was only one, Madison
4 was nine months, or about, no she's 15 months,
5 Madison was nine months, and I thought, "No."
6 And McKenzie looked at me and said, "It's nokay
7 mommy, Kenzie's here." And that was my turning
8 point. "No, I am you mom, I should be telling
9 you those things."

10 I vowed I would never -- I would break these
11 cycles and then that happened. So we carried on,
12 came into Whitehorse, we went to the women's
13 shelter until I could get my house. We were
14 waiting for it, it was still being built. So I
15 stayed there for a while and again of course, the
16 man is like, "I'm doing this, I'm counselling,
17 I'm doing everything." Wasn't the case. My mom
18 has never gotten involved in my relationships and
19 that day she picked us up, it was right before
20 Christmas, and she said, "Baby, I need to tell
21 you something." I said, "Yeah, what's that mom?"
22 "That man is not being very good to you. He's
23 not doing the things he's saying. He's partying
24 in your house. He has not so good women in your
25 house." "Okay." She turned around, my sister
26 turned around, "Do you want to stop? Are you
27 okay?" "No, I'm good." And they looked at me,
28 "Are you sure?" I prepared myself for this,
29 because I knew in here he was lying. And for the
30 first time in my life it's like, "No, not going
31 to do that." Hard choice. Break up my family.
32 Make the choice to do that. And I chose I'd
33 rather be a single mom than to ever endure
34 anything like that, or for my children to see. I
35 didn't want them to see their father being like
36 that. So that was the major turning point for
37 me.

38 COMMISSIONER ROBINSON: Thank you so much for sharing
39 with us.

40 You said you -- I just need a little bit of
41 clarification, you said you grew up and spent
42 some time in Saskatchewan, can you -- like how
43 long were you there or here? I just wasn't too
44 sure.

45 GINA GILL: I was born here in Whitehorse. My
46 mother's from Selkirk First Nation in Pelly
47 Crossing and my father is from Saskatchewan. So,

Hearing - Public
Gina Gill

1 when I was two we relocated back to Saskatchewan,
2 lived there for 14 years and then we moved up
3 here and -- when I was 16. That's why I was
4 saying quite the culture shock. I grew up in a
5 White society, in a White community. I didn't
6 see the Natives very much there, nor did I want
7 to. I was -- the Native people that we seen were
8 very down and out. I was very young and I didn't
9 understand why they were like that or what had
10 happened or the restrictions that were made on
11 them and I guess I judged my own people. It's
12 like that doesn't feel like something to be proud
13 of. It doesn't look like something to be proud
14 of, so I always had that shame in me, that I
15 didn't want to be First Nation.

16 Me and my brother were the youngest, so the
17 others had already moved on. And we lived a
18 rough life in that racism. We were the only two
19 native children in the whole community. There
20 was a lot of getting picked on.

21 So when we moved back here it was even
22 scarier. I wanted to know who I was. I could
23 feel it. I yearned for it. I yearned for the
24 drums. My mom brought us back all the time. We
25 came back for summers -- visits. Thank God that
26 my family is so traditional that I got to see the
27 fish camps and the moose skins and all of the
28 values that are drilled into you. And I even
29 remember as soon as we would come close to the
30 Yukon or get to the Yukon, I could recall smells,
31 and I would just cry. And I was like, "Wow," I
32 remember the smells and yearn for it my whole
33 life. It took me a few years to get over feeling
34 emotional every time I smelt wood smoke. It's
35 one of my fondest memories. I love that smell.
36 Still to this day I only use wood stove, I won't
37 use a furnace. It's very comforting, it's very
38 warm. We don't have wood stoves in Saskatchewan,
39 so ...

40 Very -- it's very interesting that, you
41 know, just the beat of the drum, it took me a few
42 years to not cry when I heard a drum. So to be
43 -- when I was 16, I jumped right in. I wanted to
44 learn everything and anything about my people.
45 About my ways. We had just signed on self-
46 government, so I was very curious. I wanted to
47 know what that was all about and we had a very

Hearing - Public
Gina Gill

1 good First Nation that wanted to teach us. So we
2 had youth programs that we had -- we were trained
3 on how to take care of the books, how to take
4 care of everything. We applied for renovations.
5 We picked up our youth centre. We fixed it us
6 and then we had to run it. So once they seen
7 that leadership they, you know, asked some of us,
8 "Would you like to come into the office, I think
9 we could really use you guys." So they started
10 teaching us about the agreements and negotiations
11 and things like that and I was just, I don't
12 know, I love that. Maybe it's because I just
13 wanted to learn everything and anything about my
14 people. So that's what I've been dedicating my
15 live to and that's what helps me and gives me
16 strength. Going back to the land. Practicing
17 our ways, our culture, trying to speak our
18 languages. That will also give the women
19 strength.

20 COMMISSIONER ROBINSON: Thank you. Thank you very
21 much and to your daughter and your niece. Thank
22 you.

23 KAREN SNOWSHOE: I just have one tiny question. You
24 mentioned that you and your brother felt racism
25 and you were the only two Native kids when you
26 were in Saskatchewan. Which community were you
27 in?

28 GINA GILL: We lived in Shellbrook, Saskatchewan,
29 that's about 20 minutes from Prince Albert.

30 KAREN SHOWSHOE: Thank you Gina and thank you McKenzie
31 and thank you Kim. Gina is there anything maybe
32 that's come to mind that -- anything else that
33 you'd like to say to the Commissioners.

34 GINA GILL: Again I would just like to thank this
35 process and I'm only looking forward to the
36 future. I know it's going to be even bigger and
37 brighter. Going to give a lot of hope and
38 strength and I know it's going to give courage to
39 more women. There is many women that are in this
40 situation. Many women that are being
41 demoralized, degraded. Especially when they go
42 to these agencies for help. That needs to
43 change, because it's stopping them. If we have
44 an unhealthy worker, nobody's going to go to
45 them. They don't want to go and be mistreated or
46 looked down on. Especially when that person
47 doesn't have the right to do that. It defeats

Hearing - Public
Gina Gill

1 the purpose. We need to have healthy workers in
2 these fields of work. Otherwise nobody's going
3 to come forward. But like I said, it doesn't
4 matter where you are in your life, you can get
5 out of it. Dig deep and you'll get it. Do your
6 prayers, do your homework and do the work.

7 KAREN SNOWSHOE: Thank you Gina. (Aboriginal language
8 spoken)

9 CHIEF COMMISSIONER BULLER: We're very grateful that
10 the three of you came today and we have small
11 gifts for you. [Indiscernible] seed packages. I
12 don't need to tell you about the rules of
13 reciprocity, I'm sure you know. But seeds are
14 important because they start new life, so thank
15 you.

16 We'll take a 15 minute break.

32 Commission today and William has brought a number
33 of family members and supports that I will
34 introduce. Next to William is his son, grandson,
35 sorry, Terrence Carlick. Kim Carlick is seated
36 behind William and Kim is the spouse of William.
37 Next to Kim is Mr. Carlick's niece, daughter,
38 sorry, daughter, Melissa Carlick and support

Seated directly behind me is Chief Bill,

2 Thank you.

3 And William, I understand that you have
4 requested to affirm today with the eagle feather.
5 Okay.

6 BRYAN ZANDBERG: Good afternoon William, welcome. Do
7 you solemnly affirm that the evidence you will
8 give this afternoon will be the truth, the whole
9 truth and nothing but the truth.

10 WILLIAM CARLICK: Yes. I do.

11
12 WILLIAM CARLICK, affirmed.

13
14 BRYAN ZANDBERG: Okay, thank you.

15 KAREN SNOWSHOE: William, thank you for being here.
16 It's an honour. It's a real honour to know you
17 and I will now invite you to speak.

18 I offer you this tobacco as a very respected
19 Elder, somebody who's been guiding our process
20 and ceremony. I want to thank you for that and
21 whenever you're ready I invite you to address the
22 Commission.

23 WILLIAM CARLICK: Thank you for the introduction. I
24 am so happy to be here. It is all meant to be.

25 When the Commission came originally with the
26 Minister I want to participate because I felt a
27 commitment on part of my family, my sister and my
28 niece, our niece and sister-in-law, daughter,
29 granddaughter, that someone need to come and tell
30 their story.

31 And the reason I felt committed was because
32 my mother. She's made the journey, just recently.
33 I remember sitting with her and listening to her
34 and the hopelessness in her voice is what made me
35 commit to this process. I love my mom. I pray
36 for the day I get to see her, but I'm okay.
37 These tears are tears of happiness. They're
38 tears of happiness and I don't need nobody to
39 feel sad for me, because for me to be here I'm
40 happy. I show my happiness through tears. We
41 need to cry more, because crying is healing.
42 Nobody has the -- has the ability to say who
43 could cry and who cannot cry.

44 This morning I was so honoured to wake up
45 and welcome a new day. We take it for granted
46 that every day's going to be there for our self,
47 because we considered tomorrow. When I was so

Hearing - Public
William Carlick
(Angel Carlick and Wendy Carlick)

1 honoured to see a new day, I get to see my
2 grandson, my wife, my daughter and all of you.

3 When they ask me to say the prayer this
4 morning, I was so honoured because every time I
5 say the prayer it brings tears to my eyes, tears
6 of joy, but also tears because I'm so pitiful
7 when I acknowledge the Creator for all the gifts
8 he's given me. When I left here I was in tears
9 because I was so honoured, because I felt the
10 Creator close to me and all the ancestors close
11 to me. When they asked me to say the prayer, our
12 teachings is -- there's no right or wrong way to
13 say a prayer. So I said the prayer that I was
14 meant to say, but when I started that prayer out
15 I reminded everybody, like I will remind you
16 right now, we have this thing in our mind that we
17 call thinking. It's always working overtime.
18 And I said, first time thing I told everybody
19 when I stood there with this mic I said, "Turn
20 that off, that thing go rambling in your mind,
21 you need to turn it off," because only when we
22 turn it off we can start hearing all the things
23 we need to hear. So I said the prayer the way I
24 was supposed to say it. And when I left, my
25 belief and understanding was all the missing and
26 murdered and those that are held against their
27 will that are hearing and able to hear, said a
28 prayer for everyone. I was their chance to say
29 it and I felt good about it when I left here,
30 because to me I did what I had to do.

31 We always need acknowledgment in this world
32 when we travel. We always -- when somebody says
33 something you always need acknowledgement and
34 when you're on this path of the spiritual belief,
35 sometimes you don't get that acknowledgement.
36 Maybe you never will. But for me I been blessed
37 when I left here going back to where I was going
38 ahead, a little bird came along and he said, "I
39 am with you." He said that four times.

40 That's what we need to go back to,
41 communicating with not only those around us, but
42 communicating with all our helpers, the ones we
43 see and the ones we don't see, because going
44 forward we need more of that.

45 My sister and my wife's sister-in-law, my
46 daughter's auntie, when she was going to have
47 little Angel, nobody knew she was going to have

Hearing - Public
William Carlick
(Angel Carlick and Wendy Carlick)

1 little Angel, she hid it from us all including my
2 mother. My mother, she was up in age, so she
3 seen a lot, she knows a lot and she's done a lot
4 and she's been through a lot, and she fooled mom
5 too. And one day, when it came time to have
6 little Angel come to this physical world, then
7 she finally found that out and was just as
8 surprised as all the rest of us. But little
9 Angel was very dear to her. We used to go down
10 and visit them with my family just to be with
11 them all the time. We watched them grow up. And
12 we -- that's how we grew up as family. That's
13 how the grandson's here because we always stayed
14 connected in spite of all the things that are in
15 front of us we stayed connected.

16 But we never choose how we're going to leave
17 this world, and they accept it and we did that,
18 we accepted many things going forward including
19 what happened to our loved ones. We have no
20 control over what -- what situation and how they
21 live. It's not for me to ask why they happen.
22 Maybe I'll never get an answer for anyone of
23 that, but at the end of the day there's a reason
24 the Creator and all the ancestors are putting us
25 through this, teachings and all of that.

26 But I feel good to be here to share the
27 stories that we do have to share because our
28 families bigger than what we have here. Our two
29 older sisters, have three younger brothers,
30 they're grieving our mother's loss, now they're
31 grieving our sisters loss.

32 And to find that energy to sit before you in
33 a meaningful way for me would be impossible if it
34 wasn't for this, and everything it represents,
35 it's not only an eagle feather, it's a way of
36 life.

37 I can only tell my story before I can tell
38 others story. My sister was born in the early
39 60s. Right now, the sacred fire, if you ever
40 been there you can see it's a tent with a
41 beautiful spruce bow floor and a little wood
42 stove in the corner. It was 60 below when we
43 lived in that place we call Wood Camp outside of
44 Cassiar, B.C. in the early 60s. My dad was a
45 woodcutter. Mom was expecting Wendy. We didn't
46 have vehicles like we have today, you can push
47 the remote start and off you go. We had a

Hearing - Public
William Carlick
(Angel Carlick and Wendy Carlick)

1 neighbour that had an old truck that was at the
2 end of its usefulness. Him and my dad built a
3 big campfire right underneath it and they spend a
4 good part of the day trying to get that old truck
5 to go, but the ancestors had things and plans for
6 all of us and they allowed that old truck to
7 start up and my mother got into it in the 60
8 below weather, made the journey for 15 miles
9 before it finally decided to give up and she was
10 able to get a ride at the maintenance camp and
11 travel to Cassiar and that's where Wendy was
12 born, just before New Year's. And we always joke
13 as a family, including my mother that Wendy had
14 the shortest birthday. We usually spend a whole
15 day on our birthday, but she had less, couple of
16 hours on her birthday before the day was out.

17 But I never really got to know my sisters.
18 Because when I was six years old they took me to
19 a place called Lower Post Indian Residential
20 School. I didn't know what it was. Six years
21 old. I remember my kids when they were six years
22 old. It's just -- you get into survival mode at
23 a very early age. I survived. And my brothers
24 came and joined me and we survived. My sisters
25 were through a couple of doors, they're only less
26 than a 100 feet away, but they might as well be
27 on the moon. Never saw them very often, never
28 had any relationship as a family with them and
29 they were going through the same thing I was
30 going through. So when we left residential
31 school we still didn't have that connection as a
32 family anymore.

33 And then when I went home, we used to live
34 outside of Cassiar, where right now in a place we
35 call Whiskey Flats. If you look at all the
36 history of this place we're sitting on right now,
37 you'd see some of the houses that were -- you
38 won't find in the subdivision that we find in
39 Whitehorse anymore. We had probably the lower
40 end of what was here, but we call it home because
41 there was love there. Even though it didn't last
42 very long.

43 We knew hunger as a family because my dad,
44 he loved to go up to the bar and spend all his
45 money. We knew violence because when he came
46 from the bar, violence was always within that
47 little place that we call home. But somehow we

(Angel Carlick and Wendy Carlick)

1 came through all of that, and I'm still here for
2 60 years old. And I don't say that to have
3 anyone anywhere feeling sorry for me. That's not
4 what I'm telling you about.

5 What I'm trying to convey to you is that
6 what I was part of and what's happening to all
7 our people is part of a bigger picture. And one
8 word that comes to me always is: Where do you
9 point? What direction do you point? Where do
10 you find it to find out why we're at where we're
11 at today and why we're still heading in that
12 direction where our young ones are getting
13 addicted and taking their lives, and why
14 everything to other people seems so hopeless?

15 One of the things that residential school
16 offered me and many others was religion. Every
17 Sunday they'd allow us to dress in our best, and
18 it was my favourite day only because we get to
19 eat cereal out of a box, and I looked forward to
20 that after going through the ritual of the
21 religion. And the ones that were our parents at
22 those places were priests and nuns.

23 And what I look and work towards today as I
24 sit before you, and still working on it, is the
25 ultimate teaching: kindness and compassion. And
26 when I look back on that as a six-year-old, wow.
27 That was so far away.

28 When I left high school and graduated -- I
29 guess I graduated back in 1974, I graduated from
30 F.H. Collins. I had my picture up on the wall.
31 My daughter and my wife used to go there and have
32 a good chuckle about that hippy's picture on the
33 wall. And I remember, me and my brother, we used
34 to go out and we were carefree because we were
35 free. We graduated. We were not in residential
36 school any more. No supervisor was there to tell
37 me what to do.

38 One thing I shared with my brother at that
39 time was, you know, I told him, "If that's
40 religion, I don't want to believe anything." And
41 I didn't until I met my wife and she showed me
42 how to be a parent to my children. I met a
43 teacher who carried the sacred ways and told me,
44 "Not having a belief is not a good thing to be."
45 And then I found out there was a good way. It
46 was always there with our ancestors before
47 colonialism. Our ancestors held onto it tight

Hearing - Public
William Carlick
(Angel Carlick and Wendy Carlick)

1 because they had to because it was survival.
2 They believed in our spiritual ways.

3 Right to this very day I see that there's
4 still a struggle to acknowledge that the
5 spiritual way is, for no other better word, a
6 good way. The spiritual way that I follow today
7 is -- it's not a religion. It's a way of life.
8 The more I go to ceremonies, the more I become
9 aware. I realize that the Creator has laws,
10 unwritten laws. Now I know what I need to do
11 because those laws are not negotiable.

12 Then I also learned that there's natural
13 law. When you look at the animal world, they
14 teach you more than we realize. They're given
15 instructions and they follow their instructions
16 exactly the way they're supposed to do it. One
17 of their instructions right now -- and the other
18 day when we went back home to check on our home
19 fire, and coming back out I watched a mother
20 moose and a newborn calf just barely walking,
21 standing there looking at us and acknowledging
22 that we're on a good journey together. What
23 he's doing now from the natural law is he's
24 teaching his young one. All the natural world,
25 animals teach their young ones. All the mothers
26 that are here teach their young ones.

27 So going forward, I always hope and work
28 towards making our spiritual practice available
29 to all that want to participate. Working at the
30 sacred fire is such a gift. You see so much, you
31 hear so much, and you meet those that you need to
32 meet. I'm so grateful for them and for that
33 because they should be here also talking because
34 they have so much to share. So much. It's just
35 incredible.

36 I'm so grateful for the atua (phonetic), I
37 call them, the panel members that sit before us,
38 that came before in a circle, that they hear what
39 I wanted to say, that we need to allow our
40 spiritual ways and practice to be a big part of
41 what we're doing here today, because if I didn't
42 have that, I would sit here and tell you that
43 everything we're dealing with is so impossible on
44 so many levels. But when I look at the Creator
45 and what he's given us and the ancestors that are
46 here to help us, the thing that they tell us is
47 nothing's impossible.

Hearing - Public
William Carlick
(Angel Carlick and Wendy Carlick)

1 And going forward, I pray and continue to
2 pray that this process -- like it's been said,
3 it's a good one. It will come to be. It will do
4 what it's supposed to do because it has our
5 ancestors helping us. Whatever direction it
6 takes, they're going to be there. We've opened
7 up that door through ceremony to make it happen.
8 And it only start because we believe in it, and
9 now it's opened many doors. Gunis jeesh
10 (phonetic).

11 Our niece Wendy, what happened to her, it'll
12 come out through this process, through ceremony.
13 Ceremony will bring it all out. Whoever's behind
14 this has no place to hide. There's no place to
15 hide. They know who they are. The ancestors
16 know who they are. We'll just have to keep going
17 in hearing everybody and their stories.

18 I'm just so grateful to be here in light of
19 all the things that I've experienced in my over
20 60 years of travelling on this path. I'm so
21 grateful that the Creator has allowed me to be
22 here to see my grandson, to share the ceremony
23 with him. His dad left us, and he came to us
24 after his dad left as a gift from the Creator
25 because we were on this path, and he said, "We
26 know you're hurting. We know you're doing work.
27 So here's what we're going to do for you. We'll
28 give you a grandson." Gunis jeesh. We all have
29 grandchildren. They're so dear to us. We all
30 have family. They're so dear to us.

31 I'm not perfect. Never will be perfect.
32 The Creator never created anybody perfect.
33 That's why nobody has the ability to judge
34 anybody. But moving forward, my goal in life,
35 whatever day that I have left, is I still work on
36 the one thing: kindness and compassion, the
37 ultimate goal. We all need to visit that
38 kindness and compassion. If we all had kindness
39 and compassion, we wouldn't be here today. We're
40 all one big family. We're all in it together
41 now, but we're all in it with ceremony. So we're
42 all in it with that sacred circle, the sacred
43 circle of life. I'm so grateful for this
44 opportunity to speak on behalf of all my loved
45 ones with me and all the ones that are making the
46 journey now. And we have allowed them to take
47 that journey that they need to take. And we

1 always say, "We'll see you again." Gunis jeesh.
2 KAREN SHOWSHOE: Thank you. Thank you. Number four,
3 thank you. Thank you. Thank you, William.
4 Mussi.

5 I just want to acknowledge, William, your
6 strength and courage. I first met you -- I
7 shouldn't say I first met you. But when you
8 first came to speak to me about participating in
9 the Inquiry, it was just a few weeks ago, and I
10 was so honoured that you had come to me. And
11 part of me was in disbelief that you are able to
12 come here to KDCC and an speak with me because at
13 that time I had understood -- what you had told
14 me is that -- I think it had only been a few
15 days, not even a week, since your sister's body
16 was found at Kwanlin Dün. And I understand that
17 you won't be speaking too much about that as it's
18 an active investigation. I understand that it's
19 been -- has it been ruled a homicide?

20 WILLIAM CARLICK: Pardon me?

21 KAREN SHOWSHOE: Do they know -- was it a homicide?

22 WILLIAM CARLICK: My understanding to this point, from
23 what has been shared by the RCMP, is the
24 statement -- it's always the same statement.
25 It's still under investigation.

26 KAREN SHOWSHOE: Okay.

27 WILLIAM CARLICK: And there's really nothing that has
28 come beyond that.

29 KAREN SHOWSHOE: Okay. Thank you. I just wanted to
30 clarify. So your sister passed, and I understand
31 that was a huge loss. That was Wendy Carlick.
32 And she was the mother of Little Angel, and
33 Little Angel was your niece. And so when you and
34 I met, you had spoken to me about Little Angel, a
35 little bit about her life, and you told me what
36 happened to her. And then you also talked about
37 some systemic issues in terms of what is making
38 our women vulnerable, Indigenous women and girls,
39 vulnerable to violence. Do you mind speaking to
40 the Commissioners just a little bit about how we
41 can honour Little Angel's life, speaking to them
42 a little bit about her life, what happened to
43 her, and maybe some of the issues that led her to
44 be vulnerable to violence?

45 WILLIAM CARLICK: I only look at it because there's so
46 much of what we can point a finger at in today's
47 society that is part and parcel of it all. You

Hearing - Public
William Carlick
(Angel Carlick and Wendy Carlick)

1 have to go way back, probably 500 years ago,
2 prior to 500 years ago. You can use your
3 imagination and seek that understanding that our
4 ancestors back then had a spiritual belief system
5 that they clung to as a survival responsibility.
6 But also they had those laws that were unwritten
7 laws that they followed, that today we kind of
8 totally ignore but are still valid.

9 But for 500 years, our people, the
10 Indigenous people of Turtle Island, have gone
11 through many, many, many challenges. The first
12 and foremost was -- the first germ warfare ever
13 was launched against our people. And I'm not
14 saying that because I want anybody to feel bad
15 about it, but it's part of a continuation that I
16 see that's still happening today. It's part of
17 the continuation of a society that puts money and
18 the power that they supposedly get from money as
19 a priority over people's lives. And we need to
20 look at how all of that factors into our people
21 now being nothing more than a commodity in
22 today's system where people are making a
23 livelihood off that. I don't say that in
24 criticism, but I say that because statistically
25 all you have to do is look at everything in the
26 system points in that direction. It's still a
27 continuation of that.

28 How do we stop that? Our Little Angel, she
29 was doing everything she could to be independent,
30 to seek the freedom that she deserved, and to
31 overcome all the challenges that came before her.
32 And she did that. She graduated from a broken
33 home. Because when they came to the city, their
34 home fell apart. And his little brother Alex, we
35 call him Ethan, he's still here with us. He has
36 a lot to say because he's paid probably the
37 biggest price. Like everyone else here, they all
38 paid the price.

39 But that price need not be squandered by the
40 way we go forward and make those changes that
41 need to be made. And for me, those changes start
42 with accepting our spiritual ways as a realistic
43 -- to support. I'll give you an example, and I
44 shared it with the panel, that we have healers
45 and teachers that are coming to look after the
46 sacred fire, because we need them there to make
47 sure that it's effective, it's safe, and that

Hearing - Public
William Carlick
(Angel Carlick and Wendy Carlick)

1 everybody's taken care of in a good way.

2 But yet, when it comes to them being
3 compensated in the western way, they don't have a
4 degree. They don't have a doctor. I worked for
5 the City of Whitehorse for 28 years, elevated
6 myself to being a supervisor running a crew of
7 eight professionals, and they paid me 50 dollars
8 an hour. And I'm looking at somebody like that
9 that has so much responsibility that you can't
10 even put it in a qualification manner. And yet,
11 it's nothing for society to assume that they're
12 going to volunteer their service.

13 That's the inequality going forward that
14 needs to be changed. Fifty percent of who we are
15 is what we can't see, but yet it still exists.
16 The spirit world we can't see because we don't
17 have to see that. But it doesn't mean it doesn't
18 exist.

19 So through those -- all across Turtle Island
20 they're there, doing it as we speak right now. I
21 pray that their services will be acknowledged,
22 that they will become more available to our
23 people. More available to our people, to the
24 point where we don't make one statement of them
25 and then go on with our lives. That every time
26 we talk about healing in the community, we talk
27 about the healers, the teachers, and the
28 teachings that come with it and ceremony that
29 comes with it.

30 I don't say this because I want anybody to
31 feel otherwise. I say this because this to me is
32 reality. We went through residential school with
33 all the resources that was available to help us
34 deal with residential school issues. Somehow I
35 fell through the cracks. I don't feel bad about
36 that because I always said I was working for a
37 system. I fit into that system. I was able to
38 pay my way, meaning I volunteer, I work and help
39 to make sure the ceremony's there for all that
40 wanted to take part in it, for 20 years, and it's
41 still going. But we're getting old and tired.
42 Our young ones need to pick up.

43 We need to offer it in schools, our history.
44 History didn't start 150 years ago. I always
45 joked with my coworkers before. I said, "You're
46 missing a zero." And they looked at me and they
47 kind of chuckle. They know where I was coming

Hearing - Public
William Carlick
(Angel Carlick and Wendy Carlick)

1 from.

2 But we need that missing zero in our
3 schools. We need our teachings and our
4 traditions, not to be an option, but a good one
5 where somebody getting an effective smudge is not
6 told, "It's not our way." We hear that too much
7 in our part of our society with our people. We
8 hear it too much. "It's not our way." But that
9 same person thinks nothing of just after
10 finishing making that statement, turning on their
11 cell phone and getting onto Facebook, and not
12 thinking, "That's not our way either." So we
13 have to come to terms with not using that
14 statement anymore and accepting what's available
15 and letting somebody make the decision because
16 it's available and it's good

17 Because one of the things that residential
18 school taught me was to be committed because of
19 survival mode, but that commitment now I put
20 towards the spiritual teachings that need to be
21 done. Because I know from my grandson when
22 hopefully he gets to be my age, that he has the
23 ability to overcome some of the things that are
24 happening out there that we don't talk about,
25 that I hear around the sacred fire. And they're
26 really not good things to hear because you can
27 say it to a lot of people, but a lot of people
28 are too busy. They won't hear you.

29 But to me, for Little Angel and his brother
30 Alex, we know Alex. We hear him. He has things
31 to say. He's struggling right now just to get
32 past that drug called alcohol and the drugs that
33 are so readily available to take you down at any
34 minute. How do we overcome that? Through
35 ceremony. We will take it down through ceremony.

36 And working together is another thing.
37 Working together with our family, working
38 together with those that are still walking on
39 Mother Earth with us.

40 Overcoming grief. We all go through grief.
41 Especially when you get to be 60 years old, you
42 start seeing people that you love leave. But to
43 see young people leave, especially the ones that
44 take their own lives, that's the teaching that
45 needs to be there for them. Then they'll
46 rationalize and realize that where they're going
47 is not a good place. They will think, not twice.

Hearing - Public
William Carlick
(Angel Carlick and Wendy Carlick)

1 They'll think many times before they even
2 contemplate doing that to themselves. Ceremony
3 will teach them. We owe it to them. We owe it
4 to the ones that gave the ultimate, their lives.

5 I cannot speak on behalf of my family
6 members that are not here. But if I don't talk
7 for myself, who's going to talk for me? So
8 answering your question, as far as the
9 investigation, all of that side of it, it's still
10 a work in progress. Little Angel passed away in
11 2000, later 2000, on a beautiful day like today.
12 Right now there's words in the air about getting
13 ready for her graduation and it's what she was
14 doing with her mother and grandma, my mother who
15 made her a nice dress for her graduation,
16 traditional one. And then only to graduate for,
17 what, not even a day? No more information from
18 what happened to her has ever come our way.

19 But it goes back to ceremony. We'll bring
20 that back. It will bring it out. And what I
21 hope the panel would hear and recognize what the
22 need going forward is, that we don't walk away
23 from what we started here, that we continue to
24 build on it. And what I heard at the sacred fire
25 that needs to be built on is we need a gathering
26 of all the healers and teachers here in the
27 North. From that gathering, it will bring up a
28 lot of things that we need to know. And the ones
29 we don't need to know, we will never know it, and
30 it's okay. But what we're talking about is all
31 the issues we're dealing with, with pedophile,
32 with drugs, with all the things that we are faced
33 with. It'll bring those all up.

34 Rather than having the Inquiry put pages of
35 documents and put it in an archive somewhere, I
36 think they should start looking at the next part
37 of the journey, the next what they would call
38 investment in something they've already started.
39 And it's alive.

40 We're dealing with something just lately,
41 and I want to share it to you, because it's all
42 part of this colonialism and the perspective you
43 can have and the perspective I have.

44 We went to Hobema one time where it's a lot
45 of spiritual people and medicine. And a friend
46 of ours, one of the family members, had just
47 finished a ceremony there, and I asked, "Well,

Hearing - Public
William Carlick
(Angel Carlick and Wendy Carlick)

1 just out of curiosity, what was the ceremony
2 for?" And she said, "We had the ceremony in
3 order to go back to when our ancestors signed a
4 treaty because we wanted to know what that treaty
5 was about." Their ancestors, like we're doing
6 today, created a ceremony around a treaty so when
7 the treaty was enacted, it became a live,
8 spiritual document. It was alive. And so they
9 went back to visit it and see what was the
10 spiritual terms, for no other better word, for
11 that treaty? Because the Europeans at that time
12 think, oh, it's a bunch of Indians who just
13 signed it and they don't know how to write. They
14 don't even know what we're talking about. But
15 our ancestors knew every language. They knew
16 every process. They knew everything. So when
17 they went to them and consulted with them through
18 ceremony, they made that document a live one.

19 We have what we call up here land claims.
20 We have our own treaties. Maybe it's alive.
21 Maybe there was ceremony that made it alive, but
22 I don't know.

23 But the reason I'm saying that is because
24 it's part of what I understand and where I'm at
25 on this path called life, and I want to leave all
26 that with my grandson and the seven generations
27 yet to come, because we're not leaving them very
28 much right now. We're trampling everything that
29 our seven generations before us left us. But
30 it's not too late. We're still here.

31 And all I could do for Alex is pray for him
32 because at the end of the day, that's all I got.
33 That's all we go, is prayer.

34 KAREN SHOWSHOE: Commissioners, Mr. Carlick has
35 requested to complete with a prayer, which he
36 will lead, but before he does so, he would like
37 to invite questions from you.

38 CHIEF COMMISSIONER BULLER: I don't have any
39 questions. Thank you.

40 COMMISSIONER ROBINSON: I don't either. Just
41 gratitude. A lot of what you don't see, cameras
42 and -- is the feeling in the space that is the
43 process over the last few days. And you've been
44 the guardian of that to a large degree, and I
45 just want to thank you for that. I'm hearing
46 families laughing and crying and hugging. That
47 wasn't the way it was on day one, and I want to

Hearing - Public
William Carlick
(Angel Carlick and Wendy Carlick)

1 acknowledge that and thank you.
2 WILLIAM CARLICK: Can I ask that we all join hands in
3 a sharing circle, because when we join our hands,
4 we all bring a circle of goodness. We all bring
5 something that we need to share. And what we
6 need to share is the energy that the Creator sent
7 our way and all of the universe has sent our way
8 as we stand here. That is why I have this hair
9 the way it is. It's long. And they always ask
10 me, "Why do you have long hair?" I shared -- my
11 belief is it's an antenna to catch all the energy
12 that's coming from the universe that I need so
13 that I can help and share with all of you,
14 whether it's what I say, whether it's my presence
15 near you, it's whether I pray for you, it's
16 whether we do this and what we're doing today.
17 And I'd like to acknowledge that as a very
18 important part of what we need to do going
19 forward. And I will put this mike aside because
20 I want to also make that final connection.
21
22

23 (PRAYER) 15:58 to 16:05
24

25 CHIEF COMMISSIONER BULLER: Thank you, everyone. I
26 just want to let you know that, first of all,
27 there will be a closing ceremony at the sacred
28 fire at 6:30 tonight. And I just want to let
29 everyone in the room here know that the health
30 team will be contacting all participants within
31 the next two weeks just to make sure you're okay
32 and to get your feedback about our process.
33 We're going to take about a five-minute break and
34 then I'm going to give my closing statement.
35 Thank you.
36

37 (PROCEEDINGS ADJOURNED)
38 (PROCEEDINGS RECONVENED)
39

40 CHIEF COMMISSIONER BULLER: It's time to draw our
41 first hearings to an end here in Whitehorse. I
42 want to thank the members of the Kwanlin Dün
43 First Nation who have given us a very warm
44 welcome, and I also want to thank the members of
45 the Ta'an Kwäch'än Council for their warm welcome
46 as well.
47 Very warm thanks are extended also to the

Hearing - Public
Closing Remarks

1 staff here at the Kwanlin Dün Cultural Centre.
2 They've taken very good care of us, especially
3 the wonderful cook. The food has been wonderful.

4 I want to thank the Elders, who have kept us
5 focused and on the right path for the work we had
6 to do this week, the work that we're going to
7 have to do as we go forward.

8 I also have to brag for a moment about the
9 wonderful, hard-working and passionate staff of
10 the National inquiry who worked around the clock
11 to make this happen.

12 I want to tell you that it's been a change.
13 The spirits of the missing and murdered women and
14 girls came. They joined us here. Survivors of
15 violence brought their courage, their wisdom, and
16 their resilience and shared that with us.

17 In three days we've heard many stories of
18 loss. We've heard anger. We've heard pain. But
19 we've also heard courage and strength and hope.
20 But perhaps the most moving thing of all that's
21 happened is the magic of the healing that's
22 started. You can feel it here. The healing has
23 started for many people and it will continue for
24 many who have already started their healing.
25 It's been transformative for so many people who
26 have talked to us.

27 I'm truly grateful to the families who have
28 come forward to share their stories with us.
29 We've learned from them. We've gotten to know
30 them, and we won't forget them. We won't forget
31 what they said. Their lessons have been very
32 important.

33 So we'll take what we've learned from these
34 three days in Whitehorse and move forward into
35 other communities across Canada. The spirits of
36 the missing and murdered Indigenous women will
37 join us there too, and the courage, the
38 resilience, and the power of the survivors will
39 come with us there too. I look forward to
40 meeting them all and hearing from them all in the
41 future.

42 I thank you very much for this opportunity
43 to move forward, to move forward with hope, and
44 to move forward with healing. Thank you very
45 much.

46 Having said that, I hope you join us at 6:30
47 for the ceremony. Thank you.
